HOLIDAY SPIRITS CRAFT & VENDOR EVENT

From the desk of
Illustrious Sir
BRIAN DUNHAM

Hello ZORLAND!

The weather has held out and we are having an AMAZING fall. The temps were unseasonably warm for both the UW-Whitewater Shrine Game and the Little East/West game at UW-River Falls. Standing out on the field at both, I got to see the faces of so many people that were introduced or reintroduced to Shriners and their philanthropy. From the fans there were shouts of encouragement for our patient ambassadors. Each of them beamed from ear to ear relishing in the experience they were having. At the UWRF event the Shriners lead the parade. We had several units from OSMAN and ZOR participate. It was a wonderful experience. Thank you to the many Nobles that make both of those events happen!

At Sparta we had the Sportsmans Raffle and Shoot. We gave away a lot of guns, shot a lot of sporting clays and no one got hurt! It takes a lot of time to coordinate this event. This is a ZOR event and is designed to be a major fundraiser. In the future we should remember that all of us can and should sell the gun raffle tickets. Two Past Potentates Al Brueggen and Larry Hanson take on a major part of this event and deserve special thanks. However, they are not alone as many hands make light work. Thank you to all who were giving of their time and talents to ensure all attendees were taken care of. Also, thank you to all who sold tickets. Your participation is much appreciated.

The Holiday Spirits Craft Show (EVENT, really) was a tremendous success. If you have not attended, I urge you to make a point of it next year. Lady Linda didn't even make it past the first booth before buying something. The turnout was fantastic, the vendors overflowing into multiple buildings and the music and entertainment was spot on! The event has grown to over 2,000 attendees with the Funsters helping manage the chaos. Deb and Glenn Williquette have grown the show into a HUGE fundraiser for our hospital system. THANK YOU!

I attended the Daughters of the Nile golf event this year. I golfed with Jeff "Birdie" Schaefer. I spent more time chasing my shot than any reasonable golfer should. I had a wonderful time at this growing event. I can only hope Jeff ends up with a golfer of his caliber next year...although I will be happy to entertain him again too.

Many know that my Grandfather was a Tangier Shriner. Lady Linda and I had the fortune of representing ZOR at Tangier's fall ceremonial as guests of Illustrious Sir Paul Bohannon. This was the first formal ceremonial they have had in three years. The group did a tremendous job both interacting with the candidates and playing their parts. Tangier has a restaurant/bar in their building that is open for members during certain hours. I remember being there with my grandparents and other family members so many years ago. Sitting in the same room as Potentate as I did as a child with my Grandfather was rather emotional and surreal for me. That room and the bond he and I had started this journey. It was a wonderful way to reconnect with his memory.

As I continue to travel this year, I look forward to meeting/seeing you and learning about what's happening in your neck of the woods. See you soon.

Fraternally,
Brian Dunham, Potentate 2025

Zor Outdoorsmen Shoot and Raffle Hits the Mark in Sparta

The Zor Outdoorsman Shoot and Raffle, held on Saturday, September 27th at the Sparta Rod & Gun Club, was a huge success! Shriners, friends, and community members gathered for a full day of shooting fun, fellowship, and fundraising to support the work of Zor Shriners.

Participants took aim in several shooting events and had the chance to win great prizes throughout the day. The raffle drawings were a big hit, featuring a wide variety of outdoor gear, firearms, and other prizes generously donated by sponsors and supporters.

This annual event is one of the Outdoorsmen's biggest fundraisers, helping raise money for Zor's operations and activities across Southern Wisconsin. Thanks to everyone who came out, bought raffle tickets, and helped make the day a success!

A special thank you goes to the Sparta Rod & Gun Club for hosting, and to all the volunteers and donors who made the event possible. The camaraderie, good-natured competition, and shared purpose made it a day to remember.

We're already looking forward to next year's shoot — see you on the range!

Win a fully decorated Christmas Tree and the gifts – \$500.00 value or more!

Hello Zorland!

Happy Fall to all! We were invited along with members of Melody Chapter #105 O.E.S. to a Ladies of the Table event by the Masons at Middleton-Ionic Lodge No. 180 on September 16th. This is the second year we were able to celebrate with all the members who attend this Lodge. We enjoyed a lovely meal and of course, some delicious wine. There was quite a lot of toasting, and it was interesting to hear the stories of past women who did extraordinary things in Wisconsin.

We had our 2nd Annual Golf fundraiser on Sunday, October 5th. It was a beautiful windy day. Ill Sir Potentate Brian Dunham and Lady Linda were there to golf and help us with the 50/50 Raffle. It was a lot of fun! Much thanks to Past Queen, Jenn Vernig and her husband, Bob who organized this golf event and to all that attended, we all had a good time!

The event's success was marked by the smiles and laughter of everyone in attendance, with many looking forward to next year's 6th Annual Fall Picnic on September 19th!

Holiday Spirits Craft & Vendor Show Rocked the Weekend with Shopping, Music, and Fun!!!

Holiday Spirits Craft & Vendor Show was held October 11th and 12th in Arnott, WI., and what a great time it was! The event was packed with shoppers exploring aisles of unique handmade goods, local vendor favorites, and creative gift ideas—all while enjoying the lively sounds of live music throughout the day.

The music brought great energy to the event, giving shoppers plenty of reason to stick around, tap their toes, and enjoy the day. Guests browsed dozens of vendor booths offering everything from home décor and jewelry to delicious treats and festive finds.

The weekend wasn't just about shopping—this event was about community, fun, and supporting the work of Shriners Children's. Every purchase and every smile helped continue their mission of service and support for children and families in need. Our raffles were able to raise \$14,600 dollars for Shriners Children's.

A huge thank you to all the singers, vendors, and volunteers who helped make the weekend such a success. And of course, thank you to everyone who came out to shop, listen, and celebrate!

If you missed it this time, don't worry—Holiday Spirits will be back next year with more great music, vendors, and holiday spirit!

Paralympic Gold Medalist John Boie Returns to UW-Whitewater for Shrine Game

Two-time Paralympic gold medalist and former Shriners Children's Chicago patient John Boie made a special appearance at noon prior to the UW-Whitewater Shrine Game on Saturday, October 4. The Warhawks took on UW-La Crosse as part of their annual Shriners Day celebration.

Boie earned his second gold medal at the 2024 Paralympic Games as a member of the United States men's wheelchair basketball team. His journey began at Shriners Children's Chicago, where he started receiving care at age six following a farm accident that left him paralyzed. Throughout his childhood, he underwent physical and occupational therapy that helped shape both his recovery and athletic career.

A proud Wisconsin native and UW-Whitewater graduate, Boie's return to campus was an inspiring moment for fans and Shriners alike. The Shrine Game once again supported Shriners Children's and its mission to provide world-class care for children with orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate—regardless of a family's ability to pay or insurance status.

The event served as a powerful reminder of the life-changing care Shriners Children's provides and the incredible achievements that can follow.

Meet Rowan Pruitt: The 2025 St. Croix Valley Shrine Club's Patient Ambassador as well as the Parade Marshal for the Club's Little East-West Shrine Football Game.

By Noble Merl Steffen

Rowan Pruitt, a 22-year-old from Hudson, has an inspiring story of perseverance, growth, and triumph. Born with Cerebral Palsy and Microcephaly, Rowan faced significant challenges early in life. His mother, Heather, was told that he would likely be challenged to walk or talk. However, Rowan defied those expectations with resilience and determination. In his early years, Rowan received care through many local healthcare providers. When he showed potential in using his legs, he was fitted with hinged leg braces, which helped him build strength in his thighs. However, his calf muscles did not develop at the same pace. It was during this period that doctors recommended surgery to support further leg development.

Encouraged by his grandfather—a dedicated Shriner—Heather brought Rowan to Shriners Hospital's for Children for a second opinion in his younger years. This proved to be a pivotal moment in Rowan's care journey. To their surprise and relief, the Shriners care team determined that surgery was not necessary. Instead, Rowan was fitted with new ankle-foot orthoses and received a holistic treatment plan that included physical, occupational, and speech therapies.

With the comprehensive care and unwavering support from Shriners' Hospital for Children, Rowan began to flourish. Not only did he start walking, but he also began to speak—growing into a lively and talkative young man. Heather remains deeply grateful for the personalized care and compassion shown by the entire Shriners team.

Over the years, Rowan's progress continued. Today, he no longer requires braces to walk and participates in a variety of sports. He's an enthusiastic athlete, competing in bowling, basketball, track, and baseball through the Special Olympics. His basketball team has even secured a state championship title.

Now a confident and driven young man, Rowan embraces life with positivity and gratitude. He credits his journey with helping strengthen the bond within his family, fostering close and meaningful relationships that he holds dear.

Rowan maintains a busy schedule, balancing two part-time jobs—working at County Market, along with working at the St. Croix County Government Center in Hudson with the Rise Program. One of his goals is currently working toward obtaining a moped license. His long-term goal? Earning a driver's license and owning his own car.

Rowan Pruitt stands as a shining example of determination and the transformative impact of compassionate care. As Patient Ambassador and Parade Marshal, he proudly represents the mission of Shriners Children's—proving that with the right support, anything is possible.

SCC researcher awarded \$3.2M grant to study foot deformities

Karen Kruger, Ph.D., of Shriners Children's Chicago's motion analysis center, was awarded a prestigious NIH research grant in September. Her project studies flatfoot deformities, which affect up to 1/3 of all children.

"A lot of those children who have flat feet will be asymptomatic but a subset go on to develop pain and a collapsed arch," said Kruger. "In children with cerebral

palsy it may be as high as 60-70%."

The 5-year study will assess weight bearing computed tomography (WBCT) and its ability to provide 3D imaging for use in children whose feet are still growing.

This study includes collaborations with university partners and multiple Shriners Children's sites.

HELP WANTED

As a new van coordinator in our hospital transportation network, I am looking for new people of interest to be drivers and riders from the Janesville/Madison area. We have a dedicated group on board but we can always use more options. I am sure all the Zor van coordinators would welcome new helpers. When was the last time you visited one of our hospitals? Now could be a time to answer that new call.

Thank you for your consideration.
