From the desk of
Illustrious Sir
BRIAN DUNHAM

LOVE IS ALIVE

Hello ZORLAND!

I had the honor of presenting our new Grand Master, Jeff Schoenfeldt, his ZOR Fez at the Annual Communication in Madison this year. In addition, we had a membership table open during this year's event. We managed to get 3 petitions filled out! Every year there is a hospitality suite provided Thursday and Friday nights of annual communication. The temple that the outgoing MWGM is part of hosts Thursday and the temple affiliated with the incoming MWGM hosts Friday. ZOR has had the honor for the last several years of being the host of BOTH nights. I am proud of how active our Nobles are in the Blue Lodge. We make up a diverse cross section of Wisconsin Freemasonry. I want to extend a huge thank you to those who attended GL this year and especially to Ill. Sir Al Bruegggen, PP, Ill. Sir Roger Keller, PP, and Noble Chris Peters for the extra time and effort manning the table and hosting the bar.

Mehara had their Circus (outdoor) and had the best turnout they have had in several years, despite the threat of thunderstorms. The indoor show in Menomonie had to have extra seating brought in delaying the start of the show by over 15 minutes. We had great participation and representation from The Sawdusters, Tin Lizzies and of course Mehara.

The Eau Claire Shrine Auxiliary picked the HOTTEST day of the year to host their ice cream and pie social. What a great way to stay cool in the summer!!

As I write this I am preparing to depart for Chicago to be part of the special commemoration marking the 100th anniversary of the laying of the cornerstone of what is now known as Shriners Children's Chicago, which took place in June 1925. This centennial milestone is a testament to the enduring commitment and vision of leaders like you, whose contributions have helped shape our hospital's remarkable legacy.

As a part of this meaningful occasion, the event will feature stories from former patients whose lives have been transformed by the care they received at Shriners Children's Chicago. Their experiences reflect the profound

impact our mission has made over the past century. Our very own Chris Peters will be one of them. I look forward to hearing their uplifting stories.

There has been a ton of information flooding my inbox prior to heading to Imperial Session in Atlanta. If you have not heard the Imperial Chief Rabban has stepped down leaving a void at the upcoming Imperial Potentate position. It will be interesting to see what happens and I will keep you posted. There are a number of important issues that require voting this year and a number of vacancies that will need voting to be filled. I look forward to representing ZOR.

There will be a number of parades that our units will be in. PLEASE remember to take video and photos. We are looking for content to use in the Zephyr and on social media. Most importantly, please PROUDLY represent ZOR at these parades.

As I continue to travel this year, I look forward to meeting/seeing you and learning about what's happening in your neck of the woods. See you soon.

Fraternally,

Brian Dunham, Potentate 2025

Shriners Children's Outreach Clinic Expands Orthopedic Care in Central Illinois

In partnership with Carle Health, our new pediatric orthopedic care location offers time and cost savings for families.

Shriners Children's is making it easier for patients to receive the best care possible with our new orthopedic outreach clinic in Champaign-Urbana, IL.

Doctors from Shriners Children's St. Louis and Chicago are able to provide pediatric orthopedic care to both new and existing patients. The clinic, held 4 times a year, is located at Carle at The Fields in Champaign.

Patients have access to care, including follow-up visits after surgery, routine check-ups, and consultations for those referred to a specialist, but who don't have access to a pediatric orthopedic surgeon in their community. Our new ortho clinic in Champaign does not treat fractures or sports injuries.

WAUSAU SHRINER'S EDGAR PARADE

The Wausau Shriners participated in the Edgar Fireman's Parade on Sunday, June 15, 2025. We all had a great time, seeing all of the smiling faces and interacting with the children (and adults) lining the parade route. This was the first parade that we attended with our new branding (formerly the Wausauken Indians), replacing our Indian attire and headdresses with red fishing vests and fishing hats. We are definitely 'hooked on helping children'.

Nobles pictured in the canoes are Scotty Witkus, Steve Peterson, Rick Schnabel, Richard Knechtel, Matthew Meyers and Richard Dennis.

It took a team of members from the unit to get the canoes repainted and ready to parade. A special thanks to all of those Nobles who made it possible for the Wausau Shriners to participate in the parade.

NOTICE FROM SHRIN

Beginning August 2025, all Nobles whose dues are paid for the 2026 temple year will receive a newly issued and attractive membership card featuring a refreshed design and enhanced functionality. We hope this card inspires the pride every Shriner should feel as part of an exclusive Masonic group. These updates are part of our ongoing commitment to improving Shriners membership experience and ensuring secure, and convenient access to Shrine-related services.

What's Changing

- **New Card Design:** The design will align with the digital membership card for a consistent experience across all Shrine formats. The updated cards will include a QR code on the back, enabling quick and secure verification of membership status and event participation.
- **Shrine ID Number:** In alignment with our ongoing modernization efforts, only the Shrine ID number will appear on membership cards. This unique identifier, assigned to each Noble, remains with him throughout his Shrine membership, even if he transfers to another temple, and supports streamlined recordkeeping across all Shrine Temples.
- **Expanded Use of QR Codes:** The new cards will no longer display the membership year. Temples will verify a Noble's dues paid status by scanning the QR code on the card for accurate and current membership status. This applies also to digital cards via the My FezCardViewer.

- **Associate Memberships:** Associate membership cards have been discontinued. To verify a Noble's good standing at all Shrine meetings and events, temples must now scan the Noble's QR code located on the back of their membership card.

These changes are part of our broader digital transformation initiative, aimed at enhancing security, simplifying verification, and streamlining member identification.

Key Updates

- **Gold Card Discontinuation:** Effective July 7, 2025, gold cards will no longer be processed or replaced.
- **Address Verification:** All mailing addresses will be validated through the National Change of Address (NCOA) system. Any flagged addresses will be forwarded to Temple leadership for follow-up and update to WebFez.

Action Required

To ensure a smooth rollout and minimize returned mail and associated costs, we strongly encourage you to:

- Review and update member records promptly.
- Contact affected members directly to confirm or correct mailing information.
- Run the Bad Address report for contact list of those Nobles with a flagged bad address. Questions related to this process can be directed to Fraternal Information Services at webfezfeedback@shrinenet.org.

Thank you for your continued service and dedication to the Shrine.

DAUGHTERS *of the* NILE

Hello Zorland!

This month I met with our Friendship Club. This Nile Club meets the first Thursday of the month. It was a beautiful day, and we had a nice lunch at Coachman's Golf Resort and restaurant in Edgerton. This club gives our ladies a chance to talk and catch up on events in their lives. We also discussed fundraiser events. Every month we send toys to the Shriner's Children Hospital in Chicago.

Our other club is the Harmony Club which meets 3rd Wednesday of every month at Norske Nook in De Forest. This club is also meant to be a social time to meet and talk with our members. This group has made finger-knitted lap robes for the children. We got a letter back and were told the children just loved their blankets. We also make tray favors for the children. Every month someone makes 30 items to be put on a child's lunch tray to help brighten their day. Here are some pictures of the items we have sent.

PARADES...PARADES...PARADES!

Zor Tin Lizzies By C-Rod

Yes, WOW! For the Durand Grand Parade, we hit on all cylinders. We had nine Tin Lizzies drivers plus the Wrecker.

Jason Hayden- Lead Driver called an excellent parade, then add in the precision of the "Fearless" Tin Lizzies drivers, it was the type of parade where afterwards we received many compliments from the people who watched the parade!

Thank you to Tin Lizzie drivers, Jason Hayden, Larry Sturz, Mark Hink, Steve Lasure, Donald Schwartz, John VanToll, Tim Buckley, Bill "Tex" Tice, and Rod Anderson. Plus, Ted E. Bear (Colleen Schwartz).

The "Atta Boy Award" goes to Tom E. Monson. Tom E has Cody Limo. He drove to Mosinee early in the day to deliver a client, then drove to Durand to drive the van through the parade just as the parade was

PARADES...PARADES...PARADES!

starting, then left immediately after the parade to pick another client up at Minneapolis airport. THAT is Tin Lizzie dedication. Tom E, by coming to drive the van through the parade, it allowed us to field nine drivers. Thank you, Tom E!

Coming this Saturday, June 14th is one of our most important parades, the Baraboo Big Top Circus Parade. We are the only ZOR/Shriner unit invited to participate. It is an honor for our unit to be selected, but we need more Tin Lizzie drivers to participate in the parade. Please volunteer early and let's make this a great event!

Thank you for all you do! **C-rod**

Flambeau Clowns

The Flambeau Clowns recently appeared at an event called "The Summer Reading Kick-Off Carnival" held by the Phillips Public Library. There were smiles for miles with balloon animals, juggling, and what seemed to be a Conga Line of children chasing Noble Tony Budaj on the Mini-Four Wheeler with a skunk in the mini circus wagon. In the group photo from left to right:

Noble's Al Cummings, Tony Budaj, Jesse (Skuff) Tihlarik, and Lady Krystal (Dotty) Tihlarik.

Midwest Shrine Association MSA 2025 Summer Session

***Wa Wa Shriners to host MSA 2025 Summer Session
Moose Jaw, SK, Canada August 20-23, 2025***

Greetings Zor Noble, Ladies, and Families! Start making plans to attend this family orientated event. Illustrious Sir Brian Dunham and Lady Linda are hoping that Zor will travel to Moose Jaw and support Wa Wa like they supported us last year. Traveling to Canada will require a passport and if you or anyone traveling with has had a felony in your lifetime you must start now to get clearance to enter Canada. We know that we will not have the attendance that we had last year so we have asked that 25 rooms be set aside for Zor. We have been informed that online registration opened on March 15. I would like to take a straw poll to get an idea of Zor's interest in attending this year. Please e-mail Joe Harker at jbh2010PGM@outlook.com as soon as possible if you are probable or 50/50 to attend.

More information can be found on the website: <https://msa2025.com/> or follow this link: [MSA 2025](#). On this website is a [Travel Checklist](#) that outlines key considerations for travelers from the US into Canada.

Scoliosis Won't Slow Madison Down this Summer

The Pediatric Orthotic and Prosthetic Services team keeps her on the move.

In honor of National Scoliosis Month, Shriners Children's Florida ambassador Madison proudly shows off artwork she made to help spread the word about her diagnosis.

"I love butterflies, so both pictures have butterflies with curves – just like me," she said. "And the messages of Crooked Wings Still Learn to Fly and Curved but Not Broken are supposed to help encourage other patients going through similar experiences as me."

In the United States, 2% to 5% of children develop scoliosis, where the spine curves to make a C shape or S shape, rather than growing in a straight line. For Madison, her curve was detected during a routine scoliosis screening when she was 12. Shortly thereafter, she became a new patient of Shriners Children's Pediatric Orthotic and Prosthetic Services (POPS) in Tampa.

"They are so amazing and caring here," said Aimee, Madison's mother. "You feel like family from the moment you walk in. Plus, you're never rushed! They listen to concerns from parent and child."

Since becoming a patient, Madison has received two custom scoliosis jackets to help slow the onset and progression of her curve. Her current care plan requires her to wear her brace 18 hours a day, so the team in POPS works closely with her to ensure the best overall look, feel, fit and function of her device.

I'll admit, I was nervous about wearing the brace. I was worried I wouldn't be able to do everyday things – but I was wrong.

From 4-H to Girl Scouts, the soon-to-be seventh grader keeps a busy schedule. After nine years in the program, she has earned the title of cadet, serves on the Girl Scout committee and is a camp counselor in training. She also loves all things arts and crafts, especially sewing and resin. Her show cow's name is Pickles, she has a dog named Toby, and she also has three cats: Juliet, Faith and Hope. When she's not busy juggling her hobbies, she's an all-star babysitter and a proud big sister.

"We are always on the go, trying something new or traveling to new places," Aimee said. "Truly, never a dull moment! So, there is so much comfort in knowing we have a community here to help support her."
