Imperial Session was very different this year compared to those in the past. Instead of going to Kansas City, it was held virtual this year and we went to our closest Temple and just voted on the necessary things on July 11th. Zor's very own Jim Smith became the Imperial Potentate for this coming year. Also elected was El Zagal Matt Sturlaugson to Imperial Captain of the Guard he is from Fargo, North Dakota.

## A MESSAGE FROM YOUR ZOR POTENTATE

Lady Becky and I are hoping everyone is doing well, safe, and enjoying the summer. It was a pleasure to finally get out and see other Shriners at Al and Penny Brueggens on the Fourth of July. A special thank you to Alan and Penny for opening up their house for all of us to enjoy the 4th. It was too bad that the mini car picnic had to be cancelled, we were looking forward to going to it since it's been a few years since I had been to it. We are looking forward to be in La Crescent for the beautiful views overlooking the Mississippi.

We have a few upcoming events and we hope you are able to attend. We have the beer, wine, and spirits tasting 'Shriners Uncorked' on August 8th at the Fox Hole in Sparta. On August 22nd we hope that you'll be able to make it to Wausau for the event. On August 23rd Zorah and Zor are hosting a joint golf outing at Bristol Ridge in Somerset. It should be a great time meeting other Shriners from another Temple since we're not able to spend time with them at the Imperial Session or Summer MSA. You can also put on your calendar the Potentate's barn dance on October 3rd in Deer Park, WI. Don't forget to put on your calendar and get your candidates signed up for the Winter Ceremonial on December 5th. It is going to be different from past ceremonials and very special for the new Nobles.

The other local Noble being elected was Dr. Ken Guidera, M.D., from Osman to the Board of Trustees for Shriners Hospitals for Children. He was the former Chief of Staff for the Twin Cities Hospital. We also found out that the 2024 Imperial session is going to be in Reno, Nevada.

There is a very important vote that needs to be done at the upcoming stated meeting in Wausau on August 22nd. The Nobles need to voice their opinions on the future home of the Zor Temple after the sale is final the first quarter of 2021. We need to figure out where we are going to move the Temple office to. Please come and have your voice heard. If you are not able to make it, we are looking for places to have Zoom meetings available for you to go to and be heard. If you want one in your area get a hold of Chris Peters at 715-630-9143 and he will help you out.

# Remembering our Ladies

The St. Croix Valley Shrine Club is always finding time to remember their honored ladies.

Members of this active club are preparing to deliver potted plants to every honored lady in the St. Croix Valley on Saturday August 1st. The members will all meet at 8:30 am at the Baldwin Greenhouse and pick up the plants, put on their fez and strike out to make their visits.

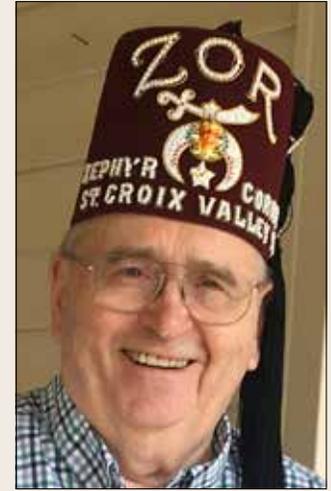

The first mission of Shriners is to support the Shriners for Children® and the second is to have fun. There is no better way to have fun than to deliver a fresh growing plant to adorn the home of someone who has supported our Shriners for so many years.

Now they are alone and you can bring a ray of sunshine to someone's life with this simple act of kindness.

If Nobles throughout the state would like to do the same during these difficult times, the concept is really simple. Get a list of your Shrine widows from your secretary, visit your local greenhouse and buy some simple potted plants. Get the word out to the nobles in your area and have them sign up to deliver them to these honored ladies.

Most of these ladies are alone and more so with the Covid 19 Virus, so a visitor bearing a fresh plant will make their day.

Sometimes the simplest gestures are the most meaningful. Let us know how this was received by jotting down a line to the Zor Imagineers.

# ZOR COMMUNICATIONS

Summer is upon us, and although the covid-19 threat has not left us, the world is starting to open up again, little by little. With this, Ill. Sir Barry has opened up Zor Shriners to once again start having events, using common sense precautions. Bearing this in mind, we do have a very important event coming on August 22nd, which will happen hand and hand with the Wausau Potentate Party. This, of course is the Quarterly Stated Meeting where we will be voting on the future headquarters of Zor Shriners. To help facilitate those who do not want to travel to Wausau, we will be setting up satellite meeting places via Zoom so that you can attend and be heard. At the time of writing this article, we have three satellite meeting places that have been confirmed:

**Chris Peters**

MARKETING & COMMUNICATIONS CHAIRMAN & ZOR IMAGINEER'S PRESIDENT

River Falls Masonic Lodge 122 E. Walnut St. River Falls, WI	Jack Thomas Ed Swenson	612-840-3715 Cell 715-222-4054 Cell

Zor is hoping to have at least five locations by the time of the meeting and will share the information as I get it.

In the July Special Edition, along with the committee's recommendation was a list of Future Location committee members, their email addresses and phone numbers. This information was given in hopes that you would reach out to them and share your thoughts so that we could make a informed decision that will work for Zor Members. So if you cannot attend the meeting, Please reach out to one of them and share your thoughts and views.

Now that events have started to be rescheduled, Please let us know what you have coming up in the future so that we can pass the word out to everyone. If you have an upcoming event and would like either an e-blast or an article in the next Zephyr, Please email it to [zorsubmit@gmail.com](mailto:zorsubmit@gmail.com) and we will get it done.

**JIM SMITH ELECTED IMPERIAL POTENTATE  
OF SHRINERS INTERNATIONAL**

**O**n Saturday, July 11, James R. “Jim” Smith of Georgetown, Texas, was elected Imperial Potentate of Shriners International, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners’ 2020 Imperial Session in Tampa, Florida. As Imperial Potentate, Smith is the highest-ranking Shriner in the world, and serves as president of the Board of Directors of Shriners International and chairman of the Board of Directors of Shriners Hospitals for Children. This is Smith’s 10th year as a member of the Boards of Directors for Shriners International and Shriners Hospitals for Children.

#### GETTING TO KNOW JIM SMITH

A native of Racine, Wisconsin, Jim Smith spent his childhood summers on his father’s family farm. “I really enjoyed that time. It was a great way to be raised,” he said.

Growing up, the importance of family and faith were deeply instilled – to this day, he continues to uphold the conservative values and Lutheran faith of his family.

Smith received his bachelor’s degree in business administration from the University of Wisconsin. He studied for his MBA at the Keller School of Management in Chicago.

Jim Smith and his wife, Alice Smith, first met through a blind date. They were married 10 months later in Alice’s hometown of Kilkenny, Minnesota, and will celebrate their 48th wedding anniversary in August.

For more than 30 years, Smith worked in the material handling business. As his career with a conveyor systems company progressed, the family moved quite often, mostly to various cities in Wisconsin and Minnesota, but they also spent time in Illinois and on the East Coast. Eventually, they purchased a fuel company in Phillips, Wisconsin, which was their last move before retiring to Georgetown, Texas.

The Smiths have a son, Jason, and a daughter, Abby, and five grandchildren. The fraternal tradition will continue in the Smith family for at least the next generation – both Jason and Abby’s husband, Greg, are also Shriners. Smith’s hobbies include traveling, barbequing and visiting with his grandkids.

#### THE FUTURE OF THE SHRINERS FRATERNITY

Smith became a Mason on Feb. 13, 1999, and a Shriner in 2004. He joined the fraternity as a way to acknowledge and give back to the organizations that assisted a nephew who had orthopaedic difficulties, and received care at Shriners Hospitals for Children — Chicago throughout his childhood.

**“As Imperial Potentate, I will try to put Fun and Fellowship back in the fraternity.”**

**-- Jim Smith**

See 'Jim Smith' on page 12

*'Jim Smith' continued from page 11*

Smith first joined Zor Shriners in Madison, Wisconsin. When the family moved to Georgetown, Texas, Jim joined Ben Hur Shriners in Austin, where he participated in the Provost Guard and helped transport children to and from the Texas Shriners Hospitals. He also sat on the Board of Governors for the Houston Shriners Hospital.

In 2009, Smith served as Potentate (president) of Ben Hur Shriners. That year, the temple (chapter) had a balanced budget for the first time in many years and was awarded a Gold Membership Award for a net gain in membership. It was the first time Ben Hur Shriners had achieved gold status in 38 years.

Smith became a member of the Shriners' Boards of Directors to make a difference. "I really thought I could help," he said. "We need to strengthen the temples and ensure they are places where people want to go, and are welcomed."

Smith believes the fraternity needs to emphasize and focus on its original purpose of bringing fun and fellowship to a Masonic organization.

"When the Shriners fraternity started in 1872, its purpose was fun and fellowship," said Smith. "We did well with that – but we've lost our focus. As Imperial Potentate, I will try to put Fun and Fellowship back in the fraternity."

# RISING STARS

## Helping Our Patients Discover Their Potential and Believe in Their Dreams

Shriners Hospitals for Children® is committed to providing what we call wrap-around care. It means we maintain a family-centered approach and are concerned with our patients' overall health and well-being.

This can mean different things for different patients. It can include finding ways to help them play with their friends, enhance their education, enjoy a hobby and live more independently. The staff of Shriners Hospitals for Children is known for taking the time to listen to our patients and families, learning of both their medical needs, as well as their hopes and dreams.

First Lady Alice Smith believes that giving our patients every possible advantage and opportunity to achieve helps them to become **Rising Stars**, and she is dedicated to strengthening their incredible spirits and abilities, helping them to have full, satisfying and productive lives.

### TREATING UNIQUE NEEDS

To help each child who comes to Shriners Hospitals for Children become as independent as possible, we often introduce and provide assistive devices, especially through our various therapy programs. We provide our patients with physical, occupational, speech and recreational therapy.

Assistive devices can range from items to help learn or regain the ability to walk, to computer-driven augmentations for those with speech difficulties, to items that help children learn to feed or dress themselves. Assistive devices also include mobility aids, such as crutches, walkers and wheelchairs. We can also customize the devices to fit the specific needs of individual patients. The **Rising Stars** fundraising program will support these efforts.

\*The appropriate value of goods/services received is \$11.25 for bead, \$7 for star necklace, \$15 for regular tie, \$17 for long tie, \$12 for pre-tied bow tie and \$15 for self-tied bow tie. This amount is not tax deductible.

### INTEGRATING TECHNOLOGY

We also use assistive technology in our therapy programs, through the availability of various systems such as body weight supported gait training and functional electrical stimulation bikes. We are also concerned with our patients' quality of life, and work to provide, or make them aware of, adaptive recreation opportunities and items to provide additional kid-friendly mobility, such as adaptive toy cars or bikes.

"We all want our children to be happy and successful," said Lady Alice. "I want to help our patients move from the Shriners Hospitals system to successful, independent adult lives."

Lady Alice invites you to join her in supporting Shriners Hospitals for Children's efforts to provide our patients with appropriate assistive devices as well as skills they can use for a lifetime. Donors may purchase a unique necktie or bow tie, a beautiful bracelet bead or an elegant necklace featuring a beautiful star, or they may make donations online. Thank you for your compassion, generosity and support of Shriners Hospitals for Children.

To us, all of our patients, and their families, are **Rising Stars**. We are proud to support the availability of adaptive and assistive technology that helps them achieve their goals and become as independent and self-sufficient as possible.

## A WORD FROM YOUR CHIEF OF STAFF

### Nobles & Ladies

I hope everyone had a great 4th of July or Independence Day! Also I would like to take a moment of silence to remember those that made the ultimate sacrifice for our freedom.

At the party, Zor has put together a new band called The Drain Pipe Band. I don't know if they will ever perform again, but check them out on Facebook to see their debut.

August 22nd is the Wausau Potentate Party and Quarterly meeting, at that meeting the Nobles will be voting on the recommendation from the Relocation Committee for the relocation of Zor. You will be able to cast your vote either at the meeting in Wausau

## For Sale: Mobile Concession Stand

Madison Shrine Club has operated a concession stand near Camp Randall Stadium for 50 plus years. They would rent a piece of park land from the City of Madison each year and sell brats, hot dogs, sodas, coffee and hot chocolate prior to each Badger Football game. It was a great fund raiser for the club. In 2018 the City of Madison redesigned this park land and made it nearly impossible for the club to site their concession stand in the new location. Therefore, with dwindling club membership and aging of members, the decision has been made to sell the "Brat Wagon"

The unit is approximately 12 feet long and seven feet wide. It has a tandem axle and a trailer hitch

for towing. The unit is wired for 120V electric and contains two Altosham food warming containers. The unit comes with a six-burner gas grill, six folding tables, three coffee pots (1-100 cup and 2 -50 cup), three Nesco roasters, five large trash cans, several large coolers, and assorted utensils.

The unit is available for inspection by contacting Don Komplin at dgkomplin@gmail.com or 608-238-4016 or 608-320-0603. Offers to purchase should be directed to Bill Jones, Secretary, Madison Shrine club at bpjones70@tds.net or 608-850-4590 or 608-239-3300.

# MEMBERSHIP MUSINGS

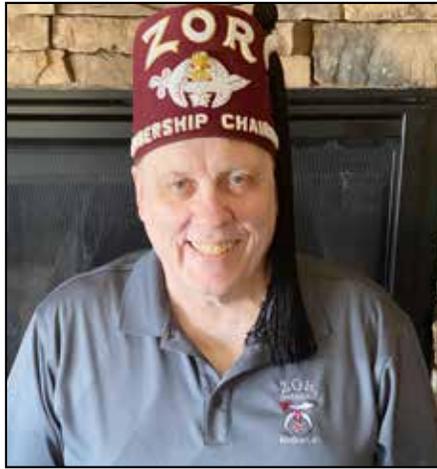

## Greetings Nobles,

By the time you receive this issue of the Zephyr, we have been able to hold Club/Unit meetings with some restrictions. But it is great that we are back on track to some form of normality in the Shrine!

With the restrictions being lifted it is now more important than ever we start the search for the new members of our great fraternity! We have the Winter ceremonial coming up on December 5, 2020 in LaCrosse. So, let us see how many new Nobles we can get there!

If you already have petitions completed or are completing any petitions, please get them sent into the office so we can process them. The last thing we want is to have a candidate miss out on the fun of joining our fraternity!

If you have not paid your 2020 dues, please do so as soon as possible. We are starting on the collection of 2021 dues in the very near future! All dues are required to be paid before January 1, 2021. I am in the process of generating a letter to all the clubs and units reminding them of their respective members who have not paid their dues and are candidates for suspension for unpaid dues.

**Mike Kastens,  
New Richmond**

The automatic payment system is now up and running if you are interested in having an easy way to pay your dues the automatic payment system is the answer! It is so simple to start using, first call Pat at 608-833-6343 ext. 1. If she is busy or not in the office, please leave your name and telephone number for her to call you back. The second step is for you to determine how you would like to pay your dues, such as monthly,

quarterly, or the annual amount. The third and final step is to provide Pat with your bank account information, and you are all set to have your dues deducted from your bank account! Just think no more worrying about did I or did I not pay my dues.

As of this writing our delinquent members who owe dues for 2019 and 2020 is now down to 82 Nobles! Once again this is happening by the hard work our Divan members have been doing in contacting these Nobles and working with them to get their dues caught up! Thank you, Divan members!

In closing, when you look into the mirror each day, try to remind yourself why you became a Shriner. Was it to help the kids we help or was it for the fun and fellowship or was it because you are a good man who wanted to become a better man? Whatever the reason was, remember the primary reason we are Shriners are because we care about kids!

*Fraternally yours,  
~ Mike Kastens  
2020 Membership Chair*
