## Thoughts From Behind the Steering Wheel

### A MESSAGE FROM YOUR ZOR POTENTATE

**Greetings Brothers, Ladies, Family and Friends,**

I gave my Monthly articles the heading that I did because as many of you know, my lovely Lady Mary and I do a lot of traveling for Shrine and Masonic events all over the state and across the country! The long drives give us lots of time to think, plan and discuss. Our travels lately have taken us to Houston, Texas to see our son and his family, as well as attend the Inaugural Ball for the new Arabia Potentate, Ralph "Corky" Bynum and his Lady RuthAnn as we have gotten to be good friends with them over the last few years. From Houston, we flew to Las Vegas to attend the East/West Shrine Bowl and its various events, and spent a couple extra days hanging out with 14 other ZOR Divan and Past Potentates and their Ladies who also journeyed out for the game. After being in Las Vegas, we flew back to Houston for a couple more days with family and attended a chili cookoff at Arabia Shrine that was sponsored by the Arabia Alchemist Unit. We had an uneventful drive back home after 12 days on the road, which allowed us to reflect on the events we had just attended.

In the next few weeks we'll be 'Behind the Wheel' as we travel to the Clown Party, Shrine/Mason Day in Tomah, and a number of Club and Unit meetings.

I would also like to explain my Potentates Pin design that I have chosen for this year to represent me. The red scooter

represents the ZOR Mavericks unit that I have been a member of for the past 30 years. The scooter, as well as the uniform being worn by the rider is a close representation of our scooter and present uniform. The Mavericks started in 1984 and were named the Mascoutin Mavericks as many members were part of the Mascoutin Shrine Club that is based out of Waushara, Marquette, Green Lake, and Winnebago Counties. Sometime in the 1990's, the name was changed to ZOR Mavericks. We ride 1986 Honda Spree Mopeds, and participate in about 25 parades a summer. We used to participate in 35 parades each summer, but needed to cut back as members aged out. Some of the founding and long-time members of the unit are Harvey Reilly and the late Paul Handa, Bill Reitter, Bill Downie, Bill Seaman, and Irv Heller. Other long-time members include: Bill Drecktrah; Jon Barthel; Roger Barthel; Jacob LaBlanc; Bill Schmitz; John Ambrose; Larry Severson; Al Hiatt; Dick Jarvis; Darrell Smith; myself, plus a few new Nobles who help to keep the group functioning well.

**We have lots of events planned for the year, so we hope to see you as we "Scoot Thru '22."**

## Get To Know Your Divan - Noble Kevin Reilly

Noble Kevin Reilly is the 2022 ZOR Marshal. Kevin was raised a Master Mason in December of 1997. Kevin is the Past Master of Wautoma Lodge #148. In addition to Blue Lodge, Kevin is the Past High Priest of the Wautoma Chapter of Royal Arch Masons, PTIM of Oshkosh Council, and Past Commander of Oshkosh Commandery. Kevin is also a member of York Rite College of Oshkosh and a member of Scottish Rite of Green Bay.

After becoming a Master Mason, Kevin joined ZOR Shrine in 2001. Kevin served as the President of Mascoutin Shrine Club for several years and is also a member of the Green Bay Court of ROJ. In addition, Kevin is also an associate member of Beja Shrine out of Green Bay.

Kevin spent 35 years in the automotive industry, starting at age 8 as a janitor at Reilly Motors in Wautoma, WI. Kevin eventually worked his way up the ladder to become owner of Reilly Motors before leaving the industry. For the last 5 years, Kevin has spent his days as a rural mail carrier and drives a school bus in his free time. Along with staying busy with work, Kevin has served as President of the Waushara Area Chamber of Commerce.

Kevin and his Lady Dawn enjoy outdoor activities, such as motorcycling, bicycling, kayaking and hiking with their dogs, Graysun and Carsun. Between Kevin and Dawn, they have 4 daughters – Megan, Carissa, Alyssa, and Karlie. Dawn has been in the hair industry for 37 years and is the owner/operator of her hair salon, Creating Looks, in Wautoma, WI. Dawn also enjoys photography and traveling.

## Notice to All Nobles Regarding Fundraising for Charitable Purposes:

### General Order No. 1:

No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children.

### Also from General Order No. 1:

No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fundraising activity without the express written consent of the Potentate of the temple having jurisdiction thereof. There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children. The name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the express written consent of the Imperial Potentate and the chairman of the board of trustees has been first obtained.

# NEW CARS

After 52 years, the Zor Midgets parade unit made the decision to upgrade their 1964 T-bird parade cars.

In 1969 the parade unit was established and was known as the Zor Shriners Mauston Midgets. At the time the unit purchased the cars from another Shrine Center where the cars had been used for parading. Over the years, Nobles drove the cars in hundreds of parades while raising thousands of dollars for the Shriners Hospitals.

Today the Midget unit has members reaching from the Portage to the Sparta area and beyond and is now known as the Zor Shrine Midgets.

In Spring of 2021 the Midgets unit voted to replace their aged fleet of cars and proceeded to find a company that was able to make new parade vehicles for them. With help from the Zor Shrine Temple the Midgets were able to move forward with getting new cars and they were ordered in July 2021.

Here it is February 2022 and the new parade unit cars have been completed and received by the Midgets. The drivers will begin lettering the new cars and preparing them for parades this summer. The drivers are looking forward to practices with their new Prowlers so they are ready to showcase them in the upcoming parade season. The unit is hoping to take the new fleet to Imperial Session being held in Minneapolis in July and to Green Bay in August for Midwest Shrine Association.

## LOOKING FOR A FEW GOOD MEN!

That is right, we are looking for a few good men to participate in a new short play at our May Ceremonial in Mauston. Potentate Rodney has asked that the "Knickerbocker Degree" be presented. This is something new to Zorland!

The play is very short and will be presented just before the traditional Shrine Ritual on Saturday May 14th in Mauston. There are seven (7) speaking parts as well as some extras. NO part is very long and we can have some fun with this degree. It follows the beginning of the Shrine and then the hospital system and its effects on our community as well as the image of the Shrine.

For those interested, I will be able to send you a copy of the script along with a presentation video. The video will be for just those truly interested in being cast. I would like to set a meeting at least for a run through. This would be at some central location yet to be determined.

I do believe this will be something that we can have some real fun with and still present some history for those just coming into the Shrine. Also, it's great when we engage the whole family and they learn what we are all about.

I look forward to hearing of your interest. Please contact me with your interest or questions. Email Dale Holmen at: holmendd13@att.net or call 608-241-4751. Hope to hear from any Shriners with fun in their heart.

# MEMBERSHIP MUSINGS

Greetings Nobles and Ladies,

As we start the month of March, the clubs and units start their parades and other fundraising events to support ZOR. Please remember if you have not paid your dues for 2022, you can not participate in any Shrine activities: this includes parades, voting at your club meetings or any special temple meetings. The reason for such strict rules for paying your dues on time is the insurance provided by ZOR for clubs and unit activities does not cover anyone who has not paid their respective dues.

**Mike Kastens,  
New Richmond**

As of this writing there are 174 Nobles of ZOR who have not paid their dues for 2022. If you are one of these Nobles, please get your dues paid as soon as possible as your respective clubs and units need you!

This represents 17.09% of our total membership who have a balance and are considered by Imperial to be in arrears. The total dollar amount of Nobles with a balance is \$14,455.00. Just think what we could be doing with the funds if all our membership wiped out that \$14,455.00!

I will have attended the Winter session of the Midwest Shrine Association that was held in Green Bay in the middle of February. I met with my counterparts from different temples on membership and we all agreed that we need to make a concerted effort to increase our membership in 2022. I will provide more information in future articles.

If we all don't do our part to increase our membership ranks in both the Blue Lodge and the Shrine, we will cease to exist in the year 2035. Membership is not a one person operation, but it takes all of us to recruit, retain, restore, build relationships for our great fraternity to survive.

If you are a first line signer for a Noble, no matter how long he has been a member of ZOR, reach out to those Nobles and see how they are doing. If they have not attended a club meeting or function, see why, and invite them to the next meeting. Just the same, if the Noble has not paid their respective dues, find out if they are experiencing a financial hardship or other reason. We are here to assist our worthy brothers in their time of need. There are numerous ways we can all assist those Nobles who are experiencing difficult times and it can be done anonymously.

Upcoming major membership event is the Summer Ceremonial and Potentate's Ball to be held on May 14, 2022 at The Lodge of Mauston in Mauston Wisconsin. So, if you have any Master Masons who are interested in becoming a Shriner this is a great opportunity for the candidates. Another upcoming event is the Shrine/Mason Fun Day on March 12, 2022 at the Masonic Temple in Tomah, Wisconsin. So, there are going to be fun and fellowship events upcoming where we can build our membership!

Ill. Sir Rod and First Lady Mary are working to make 2022 a fun and memorable year for all Shriner's in ZOR.

The information below is the monthly breakdown of the ZOR membership.

**Beginning Membership as of February 7, 2022**

**Beginning Membership January 1, 2022 1,021 Regular + 12 Associates = 1.033 Total**

The information above was current as of February 7, 2022 when I wrote my article, and it could have changed some in a positive way! In the future, the membership information will be as current as possible.

In closing let's all of use go out and search for those Master Masons who are looking for a fun and exciting group to join! Also, remember each day that you should be extremely proud to be a Shriner and part of the world's greatest fraternity!

Fraternally yours,

# EAST WEST SHRINE BOWL

The city of Las Vegas was host this year for the East West Shrine Bowl. Newly constructed Allegiant Stadium was the venue for the game. Zor Shriners were well represented along with many other fezzes in the crowd. An exciting 4 quarters, where it came down to the final play. West won the game over the East team 24-23.

# MSA WINTER SESSION

**GREEN BAY, WI** – February 10th saw Zor Potentate III, Sir Rodney LaBlanc lead the Zor Divan & support staff to the Midwest Shrine Association, (MSA), winter business session. Also, attending on behalf of Zor was III Sir Gary Cuskey, who was elected 2nd V.P. of MSA, and MSA 2024 committee members. Imperial Sir Bill Bailey, Imperial Marshal Matt Sturlaugson, Imperial Chaplain Jerry Oliver.

The official opening of the session on Friday morning saw the presentation of colors followed by the election of 2022 MSA officers. Next up was a memorial service. Each MSA Temple's Potentate brought their fez to a table in the front of the room and the chaplain read off the number of nobles lost per temple to the black camel during 2021. Sadly, it was reported that 433 nobles passed last year.

*In memory of the 400+ Nobles from the Midwest Shrine Association who were lost to the Black Camel in 2021, you will always be remembered.*

*L - R: III. Sir Rodney LaBlanc, Zor Potentate, Imperial Sir William 'Bill' Bailey, Imperial Potentate, and Gary Cuskey, 2nd VP.*

Topics covered were marketing & communication, Shriners Children's Twin Cities, temple insurance, membership & a motivational presentation by the Imperial Sirs. In addition to these topics there were breakout sessions for our elected officers to meet with their counterparts from the other 14 Midwest Temples, association meetings and standing committee meetings.

The two-day session closed with our neighbors to the north, Beja Shriners', invitation to return and bring our units, nobles, and families to Green Bay Aug 17-20 for the Fun & Fellowship of the MSA 2022 Summer Session with the encouragement to arrive a day or two early and/or stay a day or two later to enjoy the sites and activities of the Green Bay area. For more information see [www.bejashriners.com/](http://www.bejashriners.com/) and click on MSA2022. Watch this site as it will be updated as their plans are finalized.

Stay tuned for additional information about Zor's upcoming pilgrimage to the Oasis of Beja this summer. III. Sir Rod and Lady Mary are hoping you will reserve the dates and plan to join them for all the fun that a Midwest Shrine Association Summer Session provides.

ZOR's fantastic group of Nobles, along with Imperial Sir Bill Bailey who traveled to Green Bay for the MSA mid-winter session!

PEDIATRICS

## Treating Pediatric Injuries

What happens in the ice and snow

BY ALLYCE FISK, PA-C, MMS, REBECCA ROUSE, PT, DPT

At every age, kids play sports seriously and don't want to be sidelined by an injury. The winter weather season in Minnesota creates new challenges. Winter sports and activities often bring new injuries that can cause significant issues for our patients and their families. The common winter sports in our region, such as basketball, skiing, snowboarding, figure skating and hockey, in addition to all the recreational activities like ice fishing, sledding, skating, and snowmobiling can cause a wide array of injuries in children.

Some of these injuries will result in quick trip to the ER, where the pathway to a pediatric orthopedist is clear. However, few parents have a pediatric orthopedist in their speed dial or even know what one does. When the symptoms of an injury persist, the most likely remedy will be a trip to their regular medical home, and this is when it is important to remember that, regardless of the severity of injury, we are here to help. While many common injuries may be safely diagnosed and treated absent the advanced training and diagnostic skills we offer, there are important matters to keep in mind. For example, if a patient has suspected growth plate injuries, missing the growth plate injury diagnosis, or mistreating it can cause malformation of the bone or complete arrest of the growth plate, causing a difference in limb length which can lead to lifelong diminished capacity.

The most common injuries in the winter range from mild sprains to significant fractures that require surgery. It is important to remember that pediatric orthopedic specialists are best equipped to evaluate, diagnose, and treat pediatric injuries, as there are special considerations when evaluating and treating pediatric patients. Children are not small adults, and the developing skeletal system responds to trauma differently than that of the adult. The same mechanism of injury that may cause a sprain or strain in an adult, or even a teenager who is skeletally mature, may cause a growth plate injury in a child who has not reached skeletal maturity. This is because of actively growing bone at the epiphysis, metaphysis and apophysis, collectively referred to as the growth plates. This area of developing bone creates an area of instability that can be more easily injured in children, and providers who do not commonly treat pediatrics may not be able to recognize these injuries or treat them appropriately.

Missing the growth plate injury diagnosis or mistreating it can cause malformation of the bone.

### Common injuries

Common injuries resulting from walking in slippery conditions caused by Minnesota ice and snow include wrist injuries. These often occur due to a fall on an outstretched hand (also known as a FOOSH). This type of fall can result in buckle fractures of the ulna or radius at the wrist or throughout the forearm. Nondisplaced fractures may be treated with casting. More severe fractures to the wrist, forearm or elbow may also occur secondary to a slip on the ice and may require operative treatment. Clavicle fractures are often caused from activities such as sledding or falls directly on the shoulder. The majority of clavicle fractures are treated with immobilization in a sling.

Shoveling heavy snow is another common cause of injury during Minnesota winters. Adolescent patients may occasionally come in for care due to muscle strains in their back. Other common spine diagnoses in adolescent athletes include spondylolysis or spondylolisthesis; these are diagnosed most often in gymnasts and figure skaters, but may be exacerbated by activities requiring twisting while carrying a load just like shoveling.

### Spondylolysis vs. spondylolisthesis

Spondylolysis is a stress fracture in the lower back. Children and teens who participate in sports that put repetitive stress on the lower back, such as gymnastics, basketball, skiing, figure skating and weightlifting, are at highest risk. As the athlete's muscles become overly fatigued, the stress of the workload is transferred to their bones. Over time, the continued pressure can cause stress fractures in the lower back. Some children are born with a genetic tendency to develop spondylolysis even if they do not participate in sports; the risk of spondylolysis is higher during growth spurts. If left untreated, spondylolysis can progress to spondylolisthesis, a condition in which a vertebra, weakened by fracture, slips out of alignment with the rest of the spine.

*Continued on next page*

Athletes with either condition can usually return to sports after several months of rest and physical therapy. Patients may need to wear a back brace as part of their recovery, which will be custom-made for them in our orthotics department. In rare situations, if a vertebra is severely out of alignment or if a child remains in pain after other forms of treatment, spinal fusion surgery may be needed from one of our skilled, experienced physicians.

### Rehabilitation

Our team of physical and occupational therapists are highly trained in addressing a multitude of different diagnoses. With regard to non-operative and post-operative management of injuries, we are able to tailor our treatment strategies to the patient and their needs—whether it be using crutches to get around at school or progressing back to playing a high-level sport.

We use the most current evidenced-based practice when utilizing modalities and strengthening techniques following injury or surgery and work closely with the medical providers to make sure the patient is making progress and meeting their goals as expected.

Specializing in treating pediatrics also gives us a clear lens of how treating a young athlete differs from treating a high school athlete and the importance of using high-level training when appropriate. Our therapists have additional experience treating athletes who may use a wheelchair to play basketball, a sled to play hockey or a prosthesis to go snowboarding. It is crucial to consider all aspects of an athlete's life and not just their performance on the court or the ice, but how their rehab will affect their ability to engage in their everyday activities

### In conclusion

Unfortunately, it is impossible to eradicate all risks our Minnesota winters or winter sports pose. However, ensuring proper protection during sports is one way to reduce the risk of injury to athletes. Wearing a helmet to ski or snowboard or full pads to play a hockey game is important to provide the maximum protection to our athletes. Wearing good winter attire and using a broad-based stance to walk on the ice and snow can help to reduce the risks of falls when out and about on slippery sidewalks and driveways.

Shriners Children's is one of the world's greatest philanthropies and has evolved into an international health care system for children, able to treat many health care issues including orthopedic conditions, spinal cord injuries, burns and cleft lip and palate. All children receive care regardless of the families' ability to pay. Our centers vary regionally in terms of the range of conditions they treat.

Shriners Children's Twin Cities is a specialty clinic focused on the diagnosis and treatment of pediatric orthopedic impairments and injuries. Initially we served a six-state region providing care for some of the most difficult congenital deformity cases, such as children born with their feet facing the wrong way. Some of our patients required over a dozen major surgeries before they were 18. As time went on, we have expanded the range of services we offer to include common injuries. We recently relocated to a new facility in Woodbury where, under one roof, we have a skilled and knowledgeable medical team consisting of orthopedic surgeons and physician assistants, physical and occupational therapists, prosthetic and orthotic providers, radiology technicians, child life specialists and licensed social workers. This collaborative approach allows us to treat a wide spectrum of patients with diagnoses ranging from cerebral palsy to ankle sprains. Please think of us as a resource and partner when you have patients who may benefit from these services and skills.

## Summer Ceremonial and Potentate's Ball

A reminder to save the date and mark your calendar for Saturday May 14th as we will have our new member initiation and that evening the Potentate's Ball as we honor Potentate Rod LaBlanc and Lady Mary.

Both events will be held at The Lodge at Mauston, 104 Lodge Lane in Mauston (608-747-2200 ) reservation code ZOR2022. Housing has now been opened for a Thursday arrival as several Shrine groups wish to come early. Cut off date is April 15th. Check in time is 3:00 p.m. and check out time is 11:00 a.m. Standard room cost is \$110.00 or a suite for \$115.00 per night.

For those who come early, Wisconsin Dells is 20 miles away with the Outlet Mall, Ho Chunk Casino, golf, wine tasting and gift shop, corn hole games will be set up by the hotel fire pits. Please bring your lawn chairs to sit by the fire pits.

A few recommended restaurants include :

The Broken Spur located in the Mauston Lodge (reservations required 608-747-2200)  
Shipwreck Bay, Chinese Buffet or Timmy's Timeout.

A joint men's and ladies' luncheon will be served offering a sandwich buffet with either chicken noodle or cheesy broccoli soups for \$16.00 per person. Dinner will consist of stuffed pork loin with spinach, red pepper, red onion, and garlic, topped with apple compote, oven roasted red potatoes and a veggie medley OR, 1/2 chicken slow roasted with herbs topped with chicken velouté sauce, with oven roasted red potatoes and a veggie medley. Both meals are \$30.00 per person. A children's menu of chicken strips and French fries for both lunch and dinner are \$10.00 per meal.

# Think Summer! Think Imperial!

You may have seen the letters in the Zephyr from 2022 Imperial Director General, Jerry Oliver. It is time to start thinking about and planning for 2022 Imperial Shrine Convention in Minneapolis, Minnesota! A block of rooms has been reserved for ZOR Shrine at the Marriott City Center. Start thinking now about bringing your parade unit to join in the fun on July 5th. There will also be an opportunity to show off your skills, whether you participate in the Motorcorps Competition, Clown Competition, or other competitions. Any Motorcorps units who intend to participate in competitions, must join the IASMC (info in zephyr). Be sure to watch for more information to come in the next couple of months!

## Helping Our Patients Overcome Challenges and Reach for Their Dreams

First Lady Debby Bailey's Transforming Lives fundraising program shines a light on the amazing contributions Shriners Hospitals for Children® brings to the field of scoliosis care and supports these efforts. Scoliosis is an extremely common condition that, if left untreated, can have debilitating impacts on a child's life.

First Lady Debby is dedicated to helping Shriners Hospitals for Children give patients every possible advantage and opportunity to achieve their goals. The family-centered, innovative and compassionate care we provide helps children transform their lives and achieve their highest potential.

### CUSTOMIZED TREATMENTS

Scoliosis is a disorder that results in a curved spine. The condition causes the spine to take on a curved appearance, sometimes similar to an "S" or "C" shape. No two cases are alike. Some children develop the condition during infancy, while others don't exhibit symptoms until they're approaching adolescence. Every patient is unique, and Shriners Hospitals for Children's medical teams create custom treatment plans for each child based on the severity of their condition.

**CASTING and bracing:** Serial casting is often an effective option to slow progression of a spinal curve. A plaster cast gently and precisely helps straighten the spine. Children typically wear a cast for two to three months, then transition to a new one. Bracing is one of the least invasive treatment options for scoliosis. At Shriners Hospitals for Children, every scoliosis brace is customized to the individual patient to best address the severity and location of their spinal curve.

**Spinal fusion:** Not every child will need surgical intervention. When surgery is the best option, our renowned orthopedic specialists have a wealth of experience. In fusion surgery, screws and rods are used to correct the curve, then bone grafts fuse the spine to hold the correction in place.

**Vertebral body tethering (VBT):** This treatment is an alternative to fusion surgery for certain patients. It was developed by our medical team at the Shriners Hospital in Philadelphia, Pennsylvania. This technology helps correct the scoliosis while allowing a more natural motion, unlike fusion surgeries.

### INNOVATIVE TECHNOLOGY

Many of our patients, including those with scoliosis, need numerous X-rays taken throughout their treatment. That's why we try to limit exposure to radiation as much as possible. Our EOS imaging system emits much less radiation than standard X-rays or CT scans. EOS systems produce high-quality 2D or 3D images that deliver very precise measurements, helping our medical teams to craft in-depth analysis and personalized treatment plans.

### TRANSFORMING LIVES

First Lady Debby invites you to join her in supporting Shriners Hospitals for Children's efforts to provide innovative, customized care for our patients with scoliosis. Donors who would like to support the Transforming Lives program may purchase a beautiful locket that has the word "LOVE" spelled in Braille inside, a nod to Lady Debby's career teaching children with vision impairments. Donors may also purchase a bracelet bead, necktie, socks or holiday ornament, or make donations online. Thank you for your compassion, generosity and support of Shriners Hospitals for Children.

# Enthusiastic Crowd Celebrates Valentines With Party In Ellsworth

by Milt Helmer

*Shown is a portion of the crowd at the Shrine club's annual Valentines Party.*

## **The St Croix Valley Shrine Club really knows how to throw a party.**

They held their Valentine's Day party on Friday February 11th at the Hancock Lodge #229 Masonic Center. Club President Carl Gaulke and his board of directors combined a fun gathering with a business meeting. This year they welcomed the owner of Common Man Tap and Table in Ellsworth as the guest speaker. Russ Korpula not only explained how beer was made but also had samples for all in attendance.

Korpula, who is originally from Ashland, Wisconsin, where he holds the record of being the youngest mayor in that northern Wisconsin community. He now lives in Ellsworth. Russ not only owns the Common Man Tap and Table, he is also the director of the River Falls Area Chamber of Commerce.

Noble Charlie Webster, who was Russ's very first customer, introduced him to the Shrine gathering. In his talk before the nobles and their ladies, Russ explained that regular beer sales are on the decline right now and craft beers on the rise. He went on to explain the making of beer can be traced back 5,000 years to ancient Egypt. He went on to outline just how modern-day beer is made. There are 3 main ingredients in all beers, says Russ. Barley malt is the primary ingredient. Then water and hops.

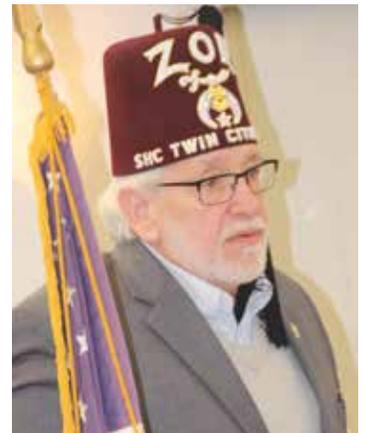

There are 2 kinds made today. Lager and ale. Lager has a crisp taste, the kind you find in Miller, Budweiser, and other popular brands. Ale has more flavor like the 21 tap offerings at the Common Man. Russ not only explained the many different varieties, but with the help of his wife, offered attendees samples of some of the more popular ale offerings.

Also on the agenda was a report from Bob Hering of the Shrine Board of Governors. He mentioned the upcoming 2022 Camp and events calendar. Among the activities being planned are the Prom on April 2nd; Camp Achieve for ages 5-8 on June 20-22. Also on June 22nd will be trout fishing in Star Prairie. Camp Achieve for ages 9 to 14 will be held July 10-20 with Trout fishing in Star Prairie on July 20th. Camp Bravo will be held June 27-30. Achieve Adventure is set for August 4-7. Events with dates to be announced are Water Skiing, Summer Family Fun Day, and Halloween Party.

In the report on Onion Sales President Gaulke said the popular Vidalia onions goes on sale depending on the harvest the end of April or beginning of May. The coming year the club is in need of someone in Clear Lake to head up sales in that area and Jim Hines in Ellsworth could use some help with sales in that village. The annual sales provide much needed funds for all of the club's activities as well as Shriners Children's in the Twin Cities.
