# Illustrious Sir AL BRUEGGEN

Greetings All:

Summer is going by quickly and we are fast approaching fall. There have been several exciting events that have taken place since our last Zephyr publication. Several of the Divan traveled to Edgerton on July 16th for the Mini Car Picnic and Potentate Party. This party was well attended, and the food was good as always. This is a tradition that has been going on for several years and I hope it will continue for several more. I want to express a big thank you to the Zor Mini Cars for hosting this fun event.

On July 26th, Nobles, Divan, Ladies, and guests gathered in Fort Atkinson for the Sahara Shrine Club Brat and Corn Feed which was held at the VFW. This is also an annual event and is open to all nobility. The Sahara Shrine Club is the anchor covering the Southeast corner of Zorland. This is a great group of people that represent our Shrine family well and I would like to express many thanks for all they do.

On July 29th, there was again, a great turnout from Zor Divan and Nobles who traveled to the Kwahamot Water and Ski Show in Tomahawk for their annual Shrine Night. During this event the crowd was entertained by local performers from around the area. I was given the opportunity to give a short talk about the Shriners Mission and about Shriners Children's. This event allows Zor to "pass the hat" for donations to the Shriners Children's. The event has always been successful in receiving donations and this year raised over \$1,400.00. Zor's Timberland Shrine Club from the Northeast area of Zorland is the host of this fun event each year. A heartfelt thank you goes out to this group for their efforts.

On Sunday, July 30 there was another good turnout for the Annual St Croix Valley Shrine Club's Picnic at Freedom Park in Prescott. After a delicious meal, a short meeting was held recapping past and upcoming Zor events. This club has many events throughout the year and is a major supporter of the Shriners Children's Twin Cities Ambulatory Clinic. The St. Croix Valley Shrine Club is Zor's anchor in our Northwest region of Zorland. Thank you, Nobles and Ladies for being so active and energetic.

On August 5th, it was back to the bluffs of the Mississippi River to attend the La Crosse Shrine Club's Annual Potentate Party and steak fry. This event is held at Jansky's "Eagle Nest", at the top of the bluff in La Crescent, Minnesota. This tradition has been going on for decades and it appears that it has a bright future for years to come. There was a large group of Divan Representatives, Nobles and their Ladies who traveled from all over Zorland to take in the tradition and the beautiful sights of the Mississippi and countryside. Two Nobles became Shriners at the event with a cold sand's conducted on the grounds. I would like to welcome new Nobles David McCarter and Lee Bushen. Kudos to the cook(s) and servers for the hard work and to the La Crosse Shrine Club members and their ladies for their hospitality. The La Crosse Shrine Club is our anchor in the West Central area of Zorland.

On August 11th Chief Rabban Roger Keller and I traveled to Chicago's Shriners Children's to attend their Divan Days. After a tour of the hospital, dinner and a program were provided to all Nobles and Ladies that were present to represent the many Temples from the region that directly support the Chicago hospital. The Hospital is open for visits to all Nobles and their Ladies. Give them a call to schedule a tour. They would be more than happy to show off their facility as are all the Shriners Children's Clinics and Hospitals.

There are many more great Shrine events taking place, yet this fall and throughout the remainder of the year. I encourage everyone to get out there and see what great things are happening and what you are missing if not attending events that are open to everyone. If you or your Club would like to put on an event, be sure to send in your request to the Potentate to get approval. This is also a requirement for Units that are parading. No events can happen without approval and it's easy to do! Up and Coming Shriener approved events are:

- MSA (Midwest Shrine Association) in Alexandria, Minnesota on August 23 - 26.
- Hayward Musky Patrol Shrine Club's UTV Ride on Saturday, September 9 in Springbrook, WI.
- Zor's Sportsman's Banquet and Gun Raffle drawing at Milford Hills in Johnson Creek, on September 16.
- Zor's Denim and Diamonds Appreciation Event will be held at The Lodge Hotel in Mauston on September 23.
- St. Croix Valley Shrine Club's River Falls Parade and Football game September 30.

Check out the Zephyr for coupons and more information on all the events.

One last thing to Clubs and Units making donations at the Parade to Glory on December 2, I encourage you to give consideration to the Zor Hospital Transportation Fund and to Zor's General Fund for your donations this year.

Be Humble and Kind!  
Zor Potentate 2023

# Shriners Children's Twin Cities 100th Anniversary Celebration

On August 6th, the recently built Shriners Children's Hospital/Clinic hosted an Open House and celebrated the 100th year anniversary of the Shriners Children's Hospitals. Many members of the Board of Directors were on hand to help with the Open House by giving tours and entertaining guests, which made the event even more special.

Our Illustrious Potentate Al Brueggen and his lovely Lady Penny were in attendance to enjoy the activities. Many kids were on hand to enjoy the dancing, bean bag toss and many other carnival type games.

Zor Misfitz helped celebrate the Shriners Children's hospitals 100th Birthday. It was a fun-filled day of music, balloon tying, build a bear hospital, face painting, minnow races, games and tours of the facility.

# Saint Croix Valley Shrine Continues Its 2023 Parade Season

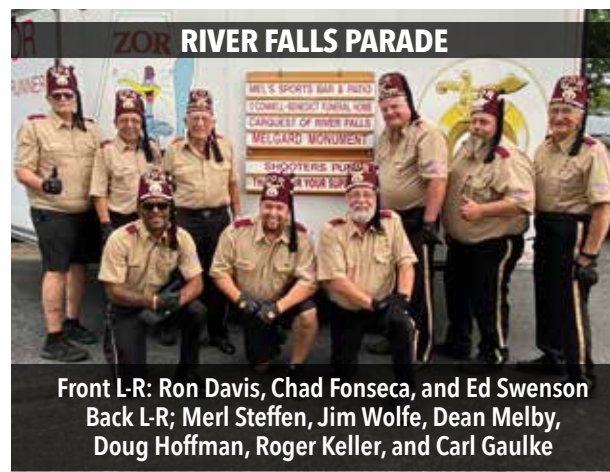

By Merl Steffen

The RoadRunners go-kart crew has been busy with their scheduled parades in 2023. On July 14th, they performed in the River Falls, Wisconsin Days Parade, which is known for being one of the longer parades. As a highlight, the Zor Road Runners won the Judge's Choice for the parade! The River Falls community fully supports the parade, although it must have been challenging to find a chair space along the parade route.

Then, on Sunday, July 16th, the RoadRunners participated in the New Richmond, WI Parade. Being the last entrant in the parade gave them a unique position, but it also means that the cart drivers may have had to navigate around obstacles on the roadway during their routines.

Finally, on July 30th, they performed in the 44th Annual UFO Days in Elmwood. It was a lovely sunny day, and the go-kart routines surely provided great entertainment for the parade goers. The RoadRunners presence in the parade seems to be a big highlight, as the crowd showed their appreciation with loud applause and many smiles.

The RoadRunners go-kart crew is having a fantastic time performing in these parades! Finishing out the scheduled parades are Hammond on August 13th, MSA at Alexandria, MN August 24th – 26th, Amery on Saturday, September 16th, Spring Valley on Sunday, September 17th, and finally East-West River Falls on Saturday, September 30th. We hope to have a fantastic time performing in each one!

# 2023 Shriners Twin Cities East West Football Game

Meet the 2023 Shriners Twin Cities East West Football Game Grand Marshall Gioia (Joya) Schutte.

Gioia, presently a fourteen-year-old, was born missing part of her right arm. At age six, she was fit with her first prosthetic arm, but due to difficulties operating on the arm, she chose not to use it very often. In the summer of 2021, she visited her pediatrician looking for a better prosthetic arm so she could ride her bike and do simple everyday tasks. Her doctor suggested that she should check out Shriners Children's Twin Cities.

On her first visit to Shriners Children's Twin Cities, she was given several options for a different prosthetic arm. Now a proud owner of four different prosthetic arms - one to play the violin, one for weightlifting, a cosmetic one, and a robotic one. The robotic arm is the most versatile as she does laundry and everyday things around the house with it. The arm is controlled by sensors on her upper arm and has been very useful in doing simple needs in her day-to-day life.

As Gioia's arm continues to grow, she has regular appointments with the prosthetic department to ensure a great fit. She has developed great relationships with the staff at Shriners Children's Clinic so coming in for new fittings and regular doctor's appointments is a positive experience. Visiting with all the staff helps make the time go fast while waiting on her fittings/cast to cure. She is very happy with all the services she has received at Shriners Children's, which also extends to programs outside the clinic.

Gioia has attended several Shriners Children's Camp Programs. Camp Achieve, a day camp for kids with limb deficiencies; where a variety of programs from rock climbing, canoeing, fishing, and zip lining are held. They encourage the kids to step outside their comfort zone and try new things. New friendships are often developed during these camps because they are with kids who can relate to each other and not feel different. Camp Achieve Adventure for Teens was a 3-day camp to the Apostle Islands for a kayaking adventure on Lake Superior. This camp really pushes the teens and they all rose to the challenge and had an awesome time. Through the Child Life Department, Gioia was also introduced to a Kids Camp put on by the USA Patriots, which she attended along with six other Shriners Patients. At this camp they spent a week learning softball skills and developing new friendships. It ended with a big softball game.

Gioia has been very active in dance, horseback riding, weightlifting and volleyball. This fall she will be a freshman in high school, which is an exciting time. Her future desires are to stay active in sports and hoping to continue being athletically engaged in college. As for formal studies, she is considering a culinary position for her further studies.

Gioia will be a speaker at the East-West Football Banquet on September 25th and the Potentate Dinner September 29th at Junior's Restaurant & Tap House in River Falls.

Gioia will be on hand at the Oasis hosted by the St. Croix Valley Women's Auxiliary at Jerry's Towing, in the Shrine UW River Falls UW-Platteville Parade on September 30th in River Falls and will be introduced before the Homecoming game.

Shriners will be selling tickets to the game, and everyone is invited to attend this annual fall classic.

# MINI-CARS PARADE & PICNIC

Fun was had by all this year at the Mini-Car Picnic following Edgerton's Tobacco Heritage Days Parade on July 16th. Over 75 people including Clowns, Divan Members, Mini-Car drivers, family, and friends feasted on thirteen dozen ears of sweet corn, brats, burgers, side dishes, desserts and drinks provided by Zor Mini Car members. Although everyone enjoyed plenty to eat, Past Potentate, John Thorstad, was disappointed no-one joined his annual corn eating contest. Traditionally the Potentate plunges into the pond but this year, Chief Rabban Roger Keller took one for the team. Thanks Roger!

The Divan granted Zor Mini-Cars their charter on September 8, 1982, and this July marks the 40th year Zor Mini Cars picnicked at Tronnes Pond with Noble Austin and Lady Connie following Edgerton Tobacco Heritage Days Parade.

This year's Mini-Car officers are Captain, Steve Livingston, Secretary/Treasurer, Harold Bone, and Lieutenant, John Thorstad. The Mini-Cars Parade Chairman is Dave Dunahee, assisted by the officers. For more information call any Mini-Car member.

## MEET YOUR DIVAN - NOBLE RON CHAMBERLAIN, OUTER GUARD

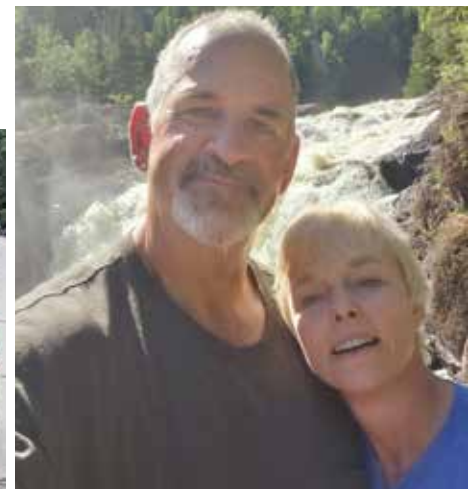

Noble Ron Chamberlain's journey to becoming a Mason started with his mother's family. His grandfather was a Mason, a member of Scottish Rite, a Zor Noble and member of the Camel Patrol. His grandmother belonged to Eastern Star and White Shrine. His mom was a Rainbow Girl and member of Eastern Star. As a kid, Sundays with the grandparents consisted of church, brunch and going to Vilas Park Zoo to ride the Camels.

At the age of 13, Ron petitioned and joined the Order of DeMolay, the Madison Chapter. He was active with the Chapter until moving to Reedsburg, WI his Junior year in High school. After High School he petitioned the Masonic Lodge #79 in Reedsburg WI and was accepted. After taking the Entered Apprentice Degree he joined the US Navy, which put everything on hold for a long period of time. Fast forward many years, Ron petitioned Camp Douglas Lodge #272 completed his degrees and was raised in 1997.

He finally took steps to follow his grandfather to become a Zor Shriner in 2020, but COVID had other plans for the schedule. He reached out to the Shrine through a co-worker, that has unfortunately since left Shrine. With that change he had the good fortune to meet and be sponsored by the current Potentate, Illustrious Sir Al Brueggen. Ron finally joined Zor in 2021 and is currently a member of the Midgets.

Ron was born in Gainesville, Florida and raised with his family in many different states and three different countries before finally graduating from Webb High School in Reedsburg, WI. He served as a Machinist Mate in the US Navy and has continued his public service with a school district, two cities, the Wisconsin Department of Military Affairs and two counties.

Today Ron resides in the beautiful Village of Trempealeau on the Mississippi River with his wife of 23 years, Lady Brenda. He works for the consulting firm SEH and Brenda, a retired teacher, works for Gundersen Health Systems in Onalaska, WI. Between them they have five children, Sabrina (Daniel), Veronica (Chealsy), Ethan (Katie), Sari (Ben) and Rayden (Nicole), along with five grandchildren and two grandchildren on the way.

## MINI-CARS NOBLE WAYNE DENNIS

**Why I joined the Shriners...**My grandfather was a Shriner in Roanoke, Indiana where I grew up. He was one of my biggest influences as a child and I have many memories of him in his fez and white shirt. As I've gotten older and have children of my own, I felt more drawn to be part of a community like that. The Shriners seemed like a great opportunity to meet new people, have fun, social experiences, and make an impact in the larger community.

**Why Mini-Cars...**I have been working on cars, both as a hobby and professionally as an auto body technician since I was a teenager, so cars are familiar to me. I used to love watching the Mini Cars and Midgets in the parades when I was younger. It seemed like a natural choice to join the Mini Cars, and getting to drive around and bring that same kind of fun to others. It makes me happy knowing my children are seeing me have a good time, working and helping others.

One of Zor's newest member Noble Wayne Dennis. He may be repairing damaged cars and trucks at Zimbrick's East Body Shop during the week, but he still enjoys driving a little car in parades on the weekend.

His Lady may join Daughters of the Nile or Zor's Ladies Auxiliary. If you are not sponsoring a candidate this year, you and your Lady are still encouraged to attend and join in all the fun activities of the Ceremonial Day. If for no other reason than to meet the new Nobles, visit with old acquaintances and to make some new Shrine friends.

In addition to the Ceremonial/Parade to Glory, there will be a Men's and a Ladies Luncheon, Service Awards, and the evening Banquet with entertainment. A marketplace will feature Vet's Patrol Masonic Items, Daughters of the Nile cookie walk, Raffles, etc. Clubs, Units, or other groups wishing a table(s) in the marketplace must email their request to Monte Steiber at mbamsteiber@centurytel.net. Please include the number of tables and chairs your group will need. We will do our best, but space is limited.

## Greetings Nobles and Ladies!

I hope your summer is going well, as it is going fast. We have had very strong weather patterns going through our area this year. I hope everyone has been safe and have not had any storm damage. With the per capita tax increase being passed at Imperial Session, if you have some extra money laying around, I suggest that you pay your Imperial lifetime per capita payment for only \$900.00. This needs to be paid by December 31, 2023.

We still have several Nobles who have not paid their 2023 dues, this is unfortunate for them as they are NOT considered members of ZOR Shrine. These Nobles cannot participate in any Club or Unit activities until they have paid their dues. This means no participation in parades, dinners, and fundraising events, voting on issues that come before the Clubs, Units, and the Temple. These Nobles are not covered by the insurance for parades or other fundraising events. All dues are to be paid prior to January 1st of each year. I am not trying to be the bearer of bad news, but this is part of the by-laws of both Imperial and ZOR.

If you have not paid your dues, please do so as soon as

## ZOR MEMBERSHIP 2023

possible. The last thing you need is to rush to pay your dues at the end of the year to avoid being suspended for non-payment. We do have the auto-payment system available to you to assist with paying your dues. This system is very easy to use, it starts with contacting Pat or Amy in the office at telephone number: 608-833-6343 and they will help you with getting set-up in the program. You have some choices as to how you want to pay. One option is to pay the entire amount due at one time. The second option is to pay the amount in four payments. The third option is to pay the amount over the entire year. The fourth option is to pay the amount in two payments. These options use either your checking account, savings account, or credit card to make the payments.

Now, if you are a member who is in distress for some reason as things happen in life that we don't have any control over, please contact either Pat or Amy on the above telephone number so we can assist you. Everything will be handled in a confidential assistance. This is what we as both Master Masons and Shriners do is assist brothers who need help.

Have a great rest of the summer and if you know someone that wants to be a Shriner, let us know.

# A DESIRE TO GIVE BACK!

## Hallie donates toys similar to items she received at Shriners Children's Chicago

Hallie was born with unilateral complete cleft lip and palate, in which a baby's lip does not form properly.

Hallie and her family say the care at Shriners Children's Chicago has surpassed all their expectations. After her first surgery, Hallie received an American Girl doll. This is just one of the many toys Hallie would receive after a visit or surgery.

Hallie received several toys after a couple of procedures and asked her parents where the toys came from. Her parents, Travis and Katie, said, "Well people donate them." Hallie decided she wanted to pay it forward and give back to the place that has given so much to her.

Hallie is one of many patients who has decided to donate toys and other items for future patients at the Chicago hospital.
