LOVE IS ALIVE

From the desk of
Illustrious Sir
BRIAN DUNHAM

Happy Holidays ZORLAND!

Isn't this a wonderful time of year? If you are a hunter, the quiet time in the woods, then there is the Thanksgiving feast, the tree and lights go up shortly after and the various Feztival of Trees, the Christmas parties, officer installations and all of the family gatherings. We talk about fun and fellowship a lot in our fraternity. This time of year it is easy to live those principles. How lucky are we that as Shriners we focus on them all year. But, what a perfect time to invite a brother to be part of our amazing fraternity!

Speaking of the Feztival of Trees, if you were unable to make it to one this year I would strongly recommend you make every effort next year. Not only are they great community events, big fundraisers, and a great way for us to have a spotlight shown on us, but they are genuinely a wonderful time. The beautiful trees, the decor, and the possibility of winning a tree and the amazing gifts.

If you are filling a leadership role in your club/unit in 2026 THANK YOU! Our fraternity depends on people like you! In adhering to our strategic plan and as a way to help strengthen our fraternity we have developed a program to strengthen our leaders. If you have not already done so please register for the annual meeting and take the leadership training. I would suggest, if possible, have the club/unit offset the cost of at least one night of the hotel stay.

There have been two new units started recently. The Zor Valley Zanies (St Croix Valley area) a clown unit and The Chairmen (at large) a social unit. Both units are recruiting new members. Welcome to both! The Chairmen are also doing a fundraiser. Only 250 tickets at \$85 each. EVERY ticket is a winner. 200 winners will receive a bottle of EXTREMELY limited ZOR Chairmen private label Bottled In Bond Bourbon and 50 will win \$75 and a ticket (\$15 value) to be entered to win the actual barrel the bourbon was aged in. The drawing will be Friday, Jan. 9th, 2026 before the annual meeting. If you are looking for more information on either unit or would like a raffle ticket please give me a call at 715-396-1395 and I will point you in the right direction.

As I continue to travel this year, I look forward to meeting/seeing you and learning about what's happening in your neck of the woods. See you soon!

Fraternally,
Brian Dunham, Potentate 2025

• VISIONEERS TECH TIPS •

"A reader lives a thousand lives before he dies.. The man who never reads lives only one."
— George R.R. Martin

Reading is one of life's pleasures and can take us to another world, or give us insight into our own. Whether it be a fact or fiction, on paperback or digital medium; we get answers to life's questions, or give us more for the world we delve into. In this modern era, even books have gotten technical and digital. In Wisconsin, libraries using LinkCat1 can lend you a digital copy of a book for your phone or e-reader.

Using your mobile device or e-reader, you download an app called Libby2. Sign into the app with your library card number and using your local library as the organization. This should give you access to over 3 million different books to read! It is still borrowing the book and not a purchase from a bookstore. But you can browse the collection, review books, and 'checkout' books without ever leaving the house. Neither do you worry about returning the book or late fees. You can also borrow audiobooks and magazines from the Libby app. You can even send and read your borrowed ebooks to your Kindle e-reader.

You can start reading books through Libby as soon as your library card is connected and you find your first title to check out. Then, as you read through your checked-out titles, you can see your at-a-glance progress and how far you are from finishing the book. It's easy to customize Libby to your preferences. For example, you can set your preferences to only show content you're interested in from your local library based on genre, author, and so on. Or you can also categorize your titles with custom tags to keep your reading list organized.

So go on, live a little. Checkout a digital copy of your books and enjoy life.

Zor Honored Ladies Luncheon

Everything Grows with Love

Everything bloomed with love at the Honored Ladies' Luncheon held at the Maple Tree Supper Club in McFarland this past October. Guests were treated to fantastic entertainment from Jackie Marie, whose classic country favorites filled the room throughout happy hour and lunch, creating the perfect warm and nostalgic atmosphere.

A delicious meal was enjoyed by 11 Honored Ladies and 34 guests who came together to celebrate, reconnect, and share an afternoon of gratitude and companionship.

A heartfelt thank-you goes out to Karen Owens, along with Mary Ellen and Steve Peterson, for their dedication and all the behind-the-scenes work that helped make this special event a success.

FINDING CONFIDENCE!

Elvin inspires with Shriners Children's Chicago journey

After a spinal cord injury from a gunshot, a dedicated team at Shriners Children's Chicago guided Elvin's recovery.

The team provided physical and occupational therapy with creativity, and compassion — using music, art, even cooking — to help him rebuild strength and independence. A tendon transfer orthopedic surgery restored grasp in his one functioning hand.

Elvin has regained confidence and found a caring community at Shriners Children's that helps him roll into a new, fulfilling life.

Daughters of the Nile

Hello Zorland!

Every year Antioch Temple #113 celebrates a "Queen's Day" with a special outing. On October 26th we went to the Fireside Theatre in Fort Atkinson to see the show "Oklahoma". We invited members from Shelomoth Temple # 106 in Milwaukee to join us. There was time for a quick picture outside before brunch. The food was so very tasty, and the performers were awesome! Speaking of tasty, don't forget to stop by our table at the Fall Ceremonial in La Crosse on December 6th for our annual Christmas cookies bake sale. You get 3 cookies/bag for only \$1.00. What a deal!!!

On November 8th we had our Founder Day session. I invited a few ladies from Alabet Temple #31 in Rockford, IL to team up with us so we could have our Amplified session. Daughters of the Nile was created back in 1913 in Seattle, Washington. Since then, we have grown to over 130 temples worldwide. If you are interested in joining our temple or have questions, please call or text me.

Next session at Middleton Ionic #180 Masonic Lodge 7409 Franklin Avenue, Middleton, WI at 0930 Saturday 12/13/2025. (Always the 2nd Saturday of the month. Except for January, June and July).

We get together at 0930 and have brunch then have session at 10:30 am. Love to have you!!

A Year of Purpose and Pride: Honoring Potentate Brian Dunham's Exceptional 2025

As we close out 2025, Zor Shriners proudly reflects on a year shaped by the dedication and heartfelt leadership of Potentate Brian Dunham. His commitment to our fraternity runs generations deep: a sixth-generation Mason on his father's side and a legacy Shriner on his mother's. Some of Brian's earliest memories include attending the Shrine Circus with his Tangier Shriner grandfather—memories he joyfully passed on by taking his nephew Declan to meet the elephants in Madison and Eau Claire.

Brian's involvement in Zor has always been active. An engaged member of the Mehara Shrine Club and the Visioneers, a Tin Lizzies driver when available, and a longtime rider with the Mavericks at MSA and Imperial Sessions, he embodies fellowship in action.

This fall provided unseasonably warm weather for two standout events: the UW–Whitewater Shrine Game and the Little East/West Game at UW–River Falls. Standing on the field, Brian saw fans cheering for our patient ambassadors—each one glowing with pride. At UW-RF, Shriners led the parade, with units from both OSMAN and ZOR creating a powerful showing of unity.

Zor's Sportsman's Raffle and Shoot in Sparta was another major moment. With dozens of guns raffled, clay targets shot, and a flawless safety record, the event proved its importance as a major fundraiser. Brian extends special thanks to Past Potentates Al Brueggen and Larry Hanson and to all Nobles who volunteered or sold tickets.

The Holiday Spirits Craft Show was bigger than ever, drawing more than 2,000 attendees and filling multiple buildings. Thanks to Deb and Glenn Williquette and the Funsters, this event continues to be a major fundraiser for Shriners Children's.

One of Brian's most meaningful experiences came when he and Lady Linda represented Zor at Tangier Shrine's Fall Ceremonial. Sitting in the same room he visited as a child with his grandfather—a Tangier Shriner—was emotional and surreal, reconnecting him with the moment his Shrine journey first began.

Throughout 2025, Brian worked to uphold the refreshed mission statement he helped develop in 2024, focusing on communication, membership growth, and strengthening Zor's future. His appreciation extends to Past Potentate Roger for building momentum in 2024, and above all, to Lady Linda, whose support made this demanding year possible.

As he continues to travel and connect with Nobles across Zor, Brian remains grateful for every handshake, conversation, and moment of fellowship.

Illustrious Sir Brian Dunham, thank you for a remarkable year as Potentate. Your dedication, leadership, and pride in our fraternity have left a lasting legacy.

LOVE IS ALIVE

YOSHI Shriners Fill the Dells With Fun, Fellowship, and Family Spirit

What a weekend it was in the Wisconsin Dells for the YOSHI Shriners, who rolled in from all corners of the state to Glacier Canyon Lodge for a few days of fun and fellowship. A huge thank-you goes to Past Potentate Barry Ausen for snagging such awesome rooms. Everyone checked in quickly, and it immediately felt like home.

Friday night kicked off with a dinner hosted by the families of Past Potentate Roger Keller and Noble Ron Malcom. The evening was relaxing, filled with good food, easy laughs, and kids lighting up the place as they ran around reuniting with their buddies. Those hugs and handshakes are ones my family looks forward to every year. There is nothing we wouldn't do for these people, and it's always so nice to see them outside the chaos and fully in the moment.

Saturday morning, we fueled up on breakfast thanks to a sizable spread from the families of Barry Ausen and Chad Fonseca. It was perfect timing before diving into full family mode. The waterpark was pure chaos in the best way—poolside lounging for the grown-ups, children and grandkids splashing everywhere, and happy smiles lasting for hours as everyone soaked it all in.

Come evening, Past Potentate Al Brueggen's family stepped up to provide dinner. An extra shout-out goes to Chris Decorah for taking such pride in his cooking. Around 6:45 p.m., we got down to business with our annual meeting, where five voting Nobles welcomed Anthony Reeves of Tomah, Wisconsin, into YOSHI. He and his family are a true blessing to our club, and we look forward to their involvement in the future of YOSHI.

Sunday checkout snuck up fast, but even grabbing breakfast on our own turned into more connections—bumping into folks in the Starbucks line and sharing those classic Shrine hugs as if it were planned. That's the magic of being a Shriner: when we see each other "in the wild," we'll happily trip over other people just to get that embrace.

Looking at our kids' energy, the way our Past Potentates continue showing up with open arms, and fresh faces like Anthony's joining in, it's clear Zor has a bright road ahead. This isn't just holding the line—it's growing stronger, one family gathering at a time.

Keep an eye on the Zor calendar for our February get-together. It would be great to see even more of you there for bowling and dinner!

Hello Shriners!!

It's been a while!! I am so sorry that it has taken me a while to give y'all an update, I've had lots going on!! But before I jump into all of my trips, I just wanted to give an extra thank you to all of those who helped fund my trip to Europe!! I am so very grateful for you guys. And thank you again to Roger and Tammy for giving me the chance to go and share my story last year.

We flew out of MSP, where I bought Starbucks and our first lay-over to Chicago, then Chicago to London. We landed a bit late so we went out and explored the city with our tour guide and about 5 hours of free-time, where my best friend and I bought some Gymshark, then went to dinner and our hotel. We stayed in London for one more day, saw Big Ben, the Changing of the Guard and went to a few museums!! We then headed to Paris on a train that went under the English Channel!! After the train ride, we got on our tour bus and took a drive through Paris; had a little bit of free time for lunch; then we went to the Louvre, where I saw the Mona Lisa!! We had dinner, then went back to the hotel. The next day, we left early to see the Arc De Triomphe before the crowds came. We met our tour guide and took a tour on the bus throughout the city where we went and saw the Eiffel Tower. After lunch, we headed to the palace of Versailles where we were given a guided tour by the same tour guide. We had two separate tour groups so when the other group went in for the tour, my friends and I went to the gift shop/bakery, where I bought a perfume and a macaron. Then, we went and hung out in the garden and got something cold to drink. We then went to dinner at a cute little restaurant and headed to a little river cruise.

The next day, we went on our tour bus and headed to Switzerland. I bought a whole baguette at a gas station. We got to our hotel where they served us dinner, and we went for a night swim on the river that our hotel was next to!! The next day, we drove to Lucerne Switzerland. It was a small town so we didn't have a guided tour, it was more of a self guided tour. My aunt and I went out and explored the city and had fun!! We went to some cute little shops where we bought some clothes. After lunch, we met up with our group and took the bus to Mount Pilatus. We ascended the mountain on some sort of train where there was a little resort. For the next three hours, we explored the mountain and the shops. We descended the mountain on a gondola!! We had dinner at our hotel that night, but went on another night swim. We packed up our stuff that night and the next morning we headed to Germany. We got to our hotel after a long bus ride, then we dropped off our stuff then headed to dinner. The next day, we headed to Dachau where I took the personal tour instead of the guided one. We headed back onto the bus and took a guided tour around Munich, where we stopped at a castle for a few minutes. We got back on the bus and went to grab lunch, then briefly saw the BMW museum. We then headed back to the hotel for dinner and left the next day!!

After I came back from Europe I went on my yearly Apostle Islands shriners trip!! It was so much fun this year; we went on a hike and my two friends, Ramona and Megan went wayyyy down stream with me a bit too far. We had our annual all nighter and kayaking days, along with a little sweet treat of apple cobbler and ice cream!! I also no longer work at Culver's. I applied for a new job at a horse stable called This Old Horse, Claddagh, in New Richmond, Wisconsin and am currently working there!! I am also currently training one of the horses, named Corona through their Soul Train program!!

That's all for now Shriners!! Another huge thank you to all who helped me with my trip to Europe!!

- Gioia

HELP WANTED

As a new van coordinator in our hospital transportation network, I am looking for new people of interest to be drivers and riders from the Janesville/Madison area. We have a dedicated group on board but we can always use more options. I am sure all the Zor van coordinators would welcome new helpers. When was the last time you visited one of our hospitals? Now could be a time to answer that new call.

Thank you for your consideration.
