

From the desk of Illustrious Gir ROGER KELLER

October was another busy month. It started with the St. Croix Valley Shrine Club feeding the entire UW River Falls football team the week of their homecoming game. Then, there was the Potentates Dinner and Homecoming Parade, where Gioia stepped off the parade on a beautiful palomino horse.

The next weekend was the Funsters Craft Show. If you have never been to this, you should make plans to attend next year. They have several vendor booths, raffle prizes, and entertainment throughout the weekend.

The Shriners Clinic in the Twin Cities hosted a Trunk or Treat for the patients. I got together with my Osman and Zuhrah counterparts and handed out candy at this event. Seeing all the kids in their costumes was a lot of fun. It is always a joy to help out at the clinic with the events they host for the kids.

As we are preparing for the last couple of months of 2024, I'd like to remind you that our fall Ceremonial is coming up on December 7th in La Crosse. During which is our parade to glory, as your clubs and units meet to decide where to allocate your donations, I'd like to suggest that you think about Zor's general fund, the transportation fund, Shriners Children's Twin Cities, and Lady Tammy's project.

If you are a van driver and have not gotten your annual driver's certification into the office, please get this done as soon as possible so that you are covered on our insurance when you are transporting patients. A new policy is requiring all drivers to fill this out and turn it in.

His Lady may join Daughters of the Nile or Zor's Ladies Auxiliary. If you are not sponsoring a candidate this year, you and your Lady are still encouraged to attend and join in all the fun activities of the Ceremonial Day. If for no other reason than to meet the new Nobles, visit with old acquaintances, and make some new Shrine friends.

A marketplace will feature Vet's Patrol Masonic Items, Daughters of the Nile cookie walk, a Ladies Auxiliary table with Shriner items, Raffles, etc. Clubs, Units, or other groups wishing a table(s) in the marketplace must email their request to Monte Steiber at <u>mbamsteiber@centurytel.net</u>. DAUGHTERS of the NILE

Greetings Zorland!

Wow! November already!

While parades and picnics are done for this year, the Zor calendar shows there are plenty of opportunities to support our hospitals and join together for fellowship.

Veteran's Day and Thanksgiving Day in November are opportunities for reflection.

I ask that you take a few minutes to think about and pray for Veterans, past and present, who make the choice day in and day out to protect America. It's an exceptional person that makes sacrifices of themselves and their family to serve our country.

Thanksgiving is certainly a day to say thank you. The terrible natural disasters of recent weeks are taking an incredible toll on so many, now, more than ever, is a time to be grateful for even the simple things we have, the safety of ourselves and loved ones, a roof over our heads, electricity and so many of the other basics those in Florida and North Carolina have been stripped of.

This is also a great time for giving thanks for our Shrine friends and family we work side by side with for our Children. The work we do together is part of how the hospitals are able to do the amazing things they do each and every day.

It often strikes me that the uniqueness of each Daughter of the Nile makes the most beautiful garden, each bringing their own element that makes up our group so lovely as we work for the Children.

Daughter's the Nile has had a lull in activity this fall but we bring our best for the fall ceremonial in December.

Look for our 2nd cookie walk of the year in the lobby of the Radisson. Our ladies will provide you all with yummy treats for your Saturday morning.

Happy Thanksgiving!

Nile Love,

Queen Jenn (Schaefer) Vernig

Proud to be a Daughter of the Nile, Queen (Jenn Schaefer) Vernig

On September 27th, Zor Shriners came together for a well-deserved fun and relaxing weekend. Friday evening came fast for some and for others just in time to unwind. A Divan meeting started Friday evening, followed by a well-organized happy, fun, and laughter filled hospitality suite. We all came together and enjoyed each other's company for a wonderful evening. The laughter continued throughout the evening. Hugs, smiles, kisses, stories and maybe a few tears showed up. Overall, a wonderful time was present for everyone. Just a small note. When I first walked into the room, I noticed a Big Whirl-pool hot tub. What the heck was going on. We are all not going to fit in that tub. Yet, no one has, or brought a swimsuit. This was going to be very interesting. I said to myself, "The camera is staying off".

After a few giggles and smiles among the crowd, the Illustrious Sir Roger Keller voice silenced the crowd. He wanted to thank everyone for a wonderful job at the Midwest Shrine Association (M.S.A.). The hard work that everyone put into making this the BEST that has been done. We set the BAR very high. It's going to be very hard to beat this one!!! Throughout the early evening, many came up to the front of the group and voiced their feelings on how we ALL did a wonderful job in making

M.S.A. a huge success.

Everything seemed to fall into place where it should. There were no pieces missing in this puzzle. Lady Judy Cuskey received the Communication award on M.S.A. It was the "WOW" factor on what she did. Joe Harker made remarks about M.S.A., the vendors and the food. All being better and top notch. Can't forget the event for the Ladies.

BIG thanks to Noble's Steve Livernash and Brian Dunham for all their long and sleepless days/nights working on that weekend. As Noble Steve once said "HIP, HIP, HORRAY. Everyone should be PROUD of what we all accomplished.

Once all was said and done, the pizza arrived and filled our bellies. The pizza's smelled wonderful, and everyone enjoyed eating, drinking and laughing and just being around the "BEST FAMILY" ANYONE COULD ASK FOR!! As the pizza drifted away, so did everyone else into the night. Not sure how long they lasted, but you can only guess. Sleep well everyone. Oh, just throwing this out there. I heard it through the grape vine that III. Sir Al Bruggen, PP, loves "Bugles". Maybe it's the crunchiness they make.

The morning may have come early for some. Not much was happening until the evening. We all did our own stuff throughout the day. We were all looking forward to the evening activities. All day long, everyone kept themselves busy doing what they liked to do.

The night was finally coming for our celebration to begin. The hallways were filling up with people.

GRILLIN' AND CHILLIN'

Something was strange! No one was dressed up. Was I missing something? Did I get the wrong message about tonight's dress code? I ran back to the room and asked my wife about the dress code tonight. Worried, I would show up and look out of place. My wife looked at me and said "How the heck should I know what the dress code is tonight. Figure it out, she said. Then I remembered that it was a casual night. Time to sit back and relax.

This night was about "FUN"!! As people were walking in the hallway, Brain Dunham walked by me and handed me a big heavy jack. I looked at him and wondered where in the world did you get this. Then I figured it's better not to know. All I was asked to do is hand this to Roger, which he told me to give to his wife. So, I did. My hands are clean now.

In time we all started to gather in the room for the evening activities. The tables were wonderfully decorated. A photo area was set up in the back for pictures. You could have your picture taken by a campfire along with roasting marshmallows. A nice idea for the theme that was presented that evening. The start of the evening was by III. Sir Roger commenting on how GREAT of a job we all did at M.S.A., And tonight was our reward. Noble Brian Dunham gave the prayer, and we all said the pledge of allegiance. Dinner was finally served.

As dinner ended, Ill. Sir Roger made introductions of his Divan and support staff. Other introductions of Past Masters, Hospital Board of Governors, and Past Potentates were made. A few very nice awards were handed out to a group of people who helped with M.S.A activities. The Divan had a VERY nice gift handed to them, a beautiful apron with the Zor emblem and Masonic emblem together. WE work together hand in hand. This is something not many will ever get. We are the BEST!! A "FAMILY" bond that will never be broken. Congratulations to all on the FABULOUS job!!

But wait, the evening is not over. The "CRABGRASS" BAND is about to play. Finishing pictures of the band it was time to start the music. As the band was playing, some of our Shrine members got up on stage and did their best to sing along. It was nice to see that the band would interact with the crowd like it did. America's Got Talent has nothing to worry about.

All in all, we all had a wonderful time. Again, HIP, HIP, HORRAY, to the best organization in Shrinedom, ZOR!! Thank you, III. Sir Roger Keller, for everything you did! Also, a Big HORRAY to everyone else involved in making this happen. You are the BEST and we provide it!! Take care all, until we meet again.

ST. CROIX VALLEY PARADE WRAP-UP

by: Noble Merl Steffen

The Club had an exciting parade season this fall! We kicked things off at the Amery Fall Festival Parade on September 14th, followed by the Spring Valley Dam Days Parade on September 15th. We wrapped it all up at the UW River Falls East-West parade on October 5th, coinciding with the homecoming game. It was a fantastic turnout, with many alumni and current students enjoying the festivities, including the Shriners' parade.

A standout moment was Steve Livernash's incredible Steampunk entry, a dazzling assembly of engineered components that truly captivated the crowd. Alongside him, several clubs from both the Zor Shrine and Osman Shrine participated, making for a vibrant and memorable event. Thank you to everyone who joined us and helped make this parade season a success!

On Wednesday, October 2, the St. Croix Valley Shrine Club hosted a supper for the UW River Falls football team at the American Legion in River Falls, WI. This year, they broke from tradition, serving a hearty meal of meatballs, seasoned mashed potatoes, gravy, dinner rolls, assorted cookies, and pumpkin bars.

A dedicated team of ten Shriner volunteers worked diligently to prep the Legion Hall, prepare the meal, and serve

approximately 120 players. Impressively, the entire team was served in just sixteen minutes! Coach and team members expressed their gratitude for the meal and praised the delicious food, truly enjoying the dining experience. It was a wonderful evening of community support for the athletes!

SHRINE WOMEN'S AUXILIARY

Meal Preparations

A Gathering for Gift Bag Construction by: Noble Merl Steffen

On August 24th, the Women's Auxiliary gathered at Hancock Lodge 229 in Ellsworth, WI, for a heartwarming event focused on creating gift bags for the Shriner children. It truly took a village as the women pooled their resources, bringing along two fabric cutting boards, two ironing stations, five sewing machines, and two drawstring insertion tools. Their teamwork was remarkable; in just five hours, they crafted an impressive 120 sewn gift bags.

The atmosphere was filled with camaraderie and laughter, and a light lunch helped the time fly by even faster. Later this year, these bags will be filled with donated gifts for the much-anticipated Shriners Hospital gift giveaway, an event that brings joy to children of all ages. The impact of the Women's Auxiliary's efforts will undoubtedly bring many happy faces, showcasing the power of community and generosity. Their initiative is truly inspiring!

GIOIA SCHUTTE UPDATE

Hello Shriners!

It's finally spooky season!!

It has been about a month and life is still pretty busy. Work has definitely gotten busier, as well as all of my teachers giving me homework.

I am still going to the weight room, and I am getting stronger by the day!! There's not much new about that, it's still my usual three days a week. My friends and I have fun, and we goof around a lot, but we also get in a good lift. Tryouts for club volleyball are on November 10th, I am hoping to get on a better team than I did last year!!

As I said before, work is busy but going great!! They started to train me on drive-through and I already have gotten so many compliments on how great I am doing from both my managers and customers, and I can't wait to start being trained on custard, even if I have to wait until I am 16 for that start.

As for Shriners events, I attended the East-West game on Saturday, October 5. Along with attending, I was also the parade marshal for the second year in a row. Instead of a convertible this year, a nice college student named Ashley

let me ride on her horse, Squash. It was such a fun time, and I absolutely cannot thank the people who put that together for me enough, including Ashley and Squash. As the months fly by, my time to be Zor Shriners Patient Ambassador is coming to a sad end, but we won't think about that now, we still have plenty of time.

This is a long overdue update, but as I mentioned in my last article, we had our Homecoming at the end of September, which is early and I already had to send in my Zephyr article for October, so I will be updating y'all in November, which is two months later so I took pictures with a group of friends and then we all went out to dinner at a pizza place together. I didn't get pizza, but

I got a big, delicious sandwich with in-house brined turkey, a little bit of vinaigrette, Swiss cheese, and some kale, along with some chips. Our group waited about an hour for our food while a larger group got all of their pizzas and food before we got ours and we showed up around 20 minutes earlier than them. We were all confused but had a great time eating food and dancing all night.

That's all that I have for this month folks!! I've got more updates with you in December!!

Hospital Representative Queen Qiu (pronounced 'Q')

QiuLian "Qiu" is 7 years old and a patient at Shriners Children's Chicago. She lives in Neenah, Wisconsin. Qiu was born with a difference in her leg, she was missing the long bone called the Tibia.

She came to Shriners Children's at age 2. Her orthopedic surgeon performed a lower leg amputation to allow her to grow and move more easily. Qiu received a prosthetic leg from Shriners as well.

Her mom, Amy, says the care at Shriners Children's allows the second grader to do many things she loves, things she couldn't do without her prosthesis. A "few" of her favorite activities include violin, basketball, soccer, volleyball, softball, swimming, archery, tumbling, dance, theater, and tennis. She has also completed 4 triathlons to date.

"We love our visits to Shriners because it never feels like a "medical" appointment. It feels like going to visit family."

Qiu loves to travel. She has climbed the mountain at Machu Pichu, swam in the seas of the Caribbean, fed kangaroos in Australia, rode a camel in the Sahara Desert, cared for rescued animals in the Amazon jungle, and has done mission work in the Philippines.

> Photo on the right: Qiu ready to 'fire the cannon' (which she did). Watching are the Cannon Master, Noble Dale Olson and Amy Henning, Qiu's mom.
