LOVE IS ALIVE

Hello ZORLAND!

Back from Imperial Session! What a wonderful time we had at Imperial. Roger and Diane Amundson drove down with the Imagineers' Steampunk machine in tow. Chief Rabban Steve Livernash and Illustrious Sir Bob Gorsuch P.P. were in the driver's seats during the parade, and MWGM Scanhoenfeldt and I were the passengers. The parade route ran through the middle of downtown Atlanta. What an amazing ride!! From the crowd feedback, it was a favorite. We were able to welcome our new Imperial Potentate, Brad Koehn, and celebrate the election of the other Imperial officers. The hospital report that was given painted a picture of our system being in a powerful position vs our competitors based on our financial viability. Additionally, it was announced that Shriners Children's will be opening a research facility (no care given at the facility) in Atlanta.

Lady Linda and I attended the Parade in Edgerton again, riding in the Steampunk machine. After the parade, we attended the Mini Car Picnic at Austin and Connie Tronnes. There is a TON of work that goes into hosting this picnic. Along with the fun and fellowship, this year, almost 200 ears of corn were served. As usual, Illustrious Sir Thorstad was unmatched in his corn-eating ability. As per tradition, the potentate was thrown into the lake. As the Mini Car members gathered around me Steve Livingston asked if I was ready. Although I was ready for this, the surprise was that Lady Linda was the pusher...She said Steve asked her to do it...I suspect it was the other way around...I am sure I deserved it. After I was dry and in a new set of clothes, there was a surprise auction to raise money for Lady Linda's project benefiting the burn center in Dayton. Not only was she surprised, I was also surprised when I learned the "item" being auctioned was ME! Well, actually, it was for the opportunity to push me in, AGAIN...in my dry clothes. Almost \$250

was raised! I was pushed, AGAIN! This time by Austin & Connie Tronnes. A HUGE THANK YOU to all who donated to the winning bid, it meant a lot to both Linda and I. Yes, the car ride home was soggy.

While we are in full swing for parade season, please remember that there will be several parades in which our units will participate. PLEASE take video and photos. We are seeking content to utilize in the Zephyr and on social media. Most importantly, please PROUDLY represent ZOR at these parades.

As I continue to travel this year, I look forward to meeting/seeing you and learning about what's happening in your neck of the woods. See you soon.

Faternally,
Brian Dunham, Potentate 2025

“Leah’s Project” A Legacy of Love and Safety, Birthed by Arabia Shriners with Strong Ties to Zor

At the recent Imperial Session of Shriners International in Atlanta, Nobles and Ladies from across the globe were introduced to a powerful new movement within our fraternity—Leah’s Project. This grassroots initiative began with two devoted Shrine couples from Arabia Shriners in Houston, Texas: Illustrious Sir Ben LaBlanc and First Lady Alyssa LaBlanc, and Treasurer Chris Staudt and Lady Amy Staudt. What started as a moment of inspiration has now become a mission to protect children and families from preventable harm—and it has strong ties to Zor Shriners.

Ben LaBlanc, son of Zor Past Potentate Rodney LaBlanc and Lady Mary LaBlanc, is not only the current Potentate of Arabia but also a proud associate member of Zor Shriners. Through Leah’s Project, he and Alyssa are honoring their Zor roots while making an extraordinary impact across Shrinedom.

The Heart of the Project: Leah’s Story

Leah’s Project was born from tragedy but fueled by purpose. The project is named in memory of Leah Burke, a young girl who tragically passed away due to severe burns from overheated bathwater—a danger that, heartbreakingly, could have been prevented. Her story was shared by her family, including Imperial Sir Richard Burke and Lady Judy, at the 2024 Imperial Session, leaving the room in tears and stirring hearts to action. That story sparked a life-changing idea in Noble Chris Staudt, a licensed home inspector. Sitting in that session, he turned to his wife Amy and whispered, “There’s no standard for testing water temperature in home inspections.” That simple but profound realization led to action.

A Mission in Motion

Since that moment, the Staudts and the LaBlancs have mobilized an impressive movement. Working with home inspection software companies, they’ve added hot water safety prompts to national inspection platforms. They’ve created Leah’s Labels—faucet hangers that include safety information, a QR code to donate to Shriners Children’s, and, most importantly, Leah’s story.

The team has traveled across the country, speaking to realtors, inspectors, and community leaders in multiple states. Their message has been met with overwhelming support and, more importantly, immediate action. Realtors are sharing safety materials with clients. Inspectors are adjusting practices. Awareness is growing.

And it’s all tied back to Shrinedom—highlighting how one child’s story can ripple out to change countless lives.

The Role of the Ladies—and the Legacy

Lady Alyssa LaBlanc closed the presentation in Atlanta with a stirring call to action for the Ladies of our fraternity. She reminded everyone that we, the families and spouses behind the scenes, are the heart of this mission. “Let’s not just host events,” she said. “Let’s spark passion. Let’s build connections. Let’s be the reason a new Noble brings his wife, his kids, his energy into Shrinedom.”

Leah's Project doesn't just honor a single life lost too soon—it represents thousands of lives saved. It's about preserving a child's memory by protecting the future of others. And it's being driven forward by Shriners who lead with compassion and conviction.

Zor's Pride in One of Our Own

Zor Shriners can be especially proud of Ben and Alyssa LaBlanc. Ben was shaped by this Temple—by his father Rodney's unwavering service and by the legacy of leadership and love embedded in the Zor family. Now, he is paying that forward by creating waves of impact, not only in Houston but across North America.

Ben's remarks in Atlanta reminded all Nobles to ask themselves: "What is your why?" His "why" was instilled through his father's example and is now passed forward through his daughters Avery and Addison, and the entire Shrine mission. Through Leah's Project, his "why" is clear—to transform heartbreak into hope and to ensure that Shrinedom remains a force for good in every community we serve.

Join the Movement

Leah's Project is more than a campaign—it's a movement, and every Temple can be part of it. Educational resources, Leah's Labels, and outreach materials are now available for any Shrine Center interested in spreading this vital message of safety and compassion.

To learn more or request materials, visit: LeahsProject.org

Let us honor Leah by making sure her name is known not in tragedy- but in transformation. And let us honor the legacy of Zor by supporting those who carry our values into the future with strength, service, and heart.

Zor is proud to stand behind Ben and Alyssa LaBlanc—and proud to be part of a fraternity that turns love into action.

Potentate Ben LaBlanc &
1st Lady Alyssa LaBlanc

Treasurer Chris Staudt and
Lady Amy Staudt

During Shriners International Legacy Month, Shriners International recognized the LaBlanc family, whose legacy includes Dad - Illustrious Sir Rodney, P.P., sons Illustrious Sir Ben, Potentate, Arabia Shriners and Jacob, and nephews Greg Jeska and Ben Cole

Ben and Jacob share that they always talked of being Shriners so they could one day ride in parades like their dad.

They were raised Master Masons together and joined the Shrine on the same day in 2010.

Thank you for continuing the Shriners Legacy tradition!

GENERATIONS OF BROTHERHOOD
SHRINERSLEGACY

Brad T. Koehn - IMPERIAL POTENTATE 2025 - 2026

Brad T. Koehn of Topeka, Kansas, is serving his ninth year as a member of the Boards of Directors for Shriners International and Shriners Children's™. Koehn was elected Imperial Potentate, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners 2025 Imperial Session held June 29-July 3 in Atlanta, Georgia.

Koehn is retired from the accounting firm of Berberich Trahan & Co., P.A., where he was employed for more than 37 years, the last 23 serving as a director/owner. He continues to practice part-time for a CPA firm in Topeka. He is a member of the Kansas Society of CPAs. Koehn's work experience includes providing audit, tax and accounting assistance for many Shriners International temples for over 40 years.

Over the past years, he has worked with many temples and their leadership, providing guidance and advice in the areas of accounting policies and procedures, internal controls, cash flow, income taxes and other business-related topics.

Koehn and his wife, Cheryl, have two sons, Tyler and Brett, who are also Shriners, and a daughter, Courtney, who is married to Alex, also a Shriner. Together, they have six grandchildren. Koehn is a third-generation Shrine-Mason and followed in his father's footsteps as Potentate of Arab Shriners.

CORNERSTONE CELEBRATION

For centuries, the laying of a Masonic cornerstone has served as the first step in the construction of buildings of significance. In June the Board of Governors and supporting Shrine temple potentates and chief rabbans marked 100 years since the laying of the original Chicago hospital building cornerstone.

That facility used to stand where the parking lot is now. Guests included four patient alumni speakers, employees with more than 40 years at the hospital, and employees who are also Shriners. This event is part of 18 months of celebrations for Chicago's 100th anniversary taking place in 2026.

Daughters of the Nile

Hello Zorland!

On June 14th -June 19th, I went to Las Vegas, NV for our Daughters of the Nile - Supreme Session. We had a terrific turn out of members and we raised over 2.3 million dollars for the Shriners Children Hospitals! We have a new Supreme Queen, Kathy Walliker. She is from Portland, OR. She will be traveling to all the temples throughout North and South America this year. We will have a combined visit on August 13th, to the Shriners Children hospital in Chicago with Shelomoth (Milwaukee) and Alabet (Rockford, IL) Temples. We will have a joint Supreme Ceremonial Visit with Alabet Temple #31 on August 14th.

I got to take a picture with the three queens from WI: Mariellen Haen from Ajob Temple #156 in Green Bay and Carolyn Heatwole from Shelomoth Temple # 106 in Milwaukee and myself. We had great entertainment from a Barry Manilow concert to an Elvis Presley impersonator singing to us. We heard from Dr. Stewart, Chairman of the Board of Trustees, Shriners Children's; about a call he just received regarding a 3-day old baby with burns over 22% of their body that needed air transportation to the hospital in Galveston TX. It was such a touching story about the urgency for care and how important it is to raise money to help those in need.

We also passed new legislation that includes that any woman who is of good character (be vouched for by 2 members in good standing) can join Daughters of the Nile and she no longer needs to be related to a Mason. Hopefully, this will enable our membership to grow.

• VISIONEERS TECH TIPS •

We get inundated with emails and other communications daily, sometimes even hourly! In this current day of constant communications we often glance over important details. When it comes to technological communications like email, this may be doubly so. Unfortunately, email is a technology with a lot of scammers and spammers trying to trick you or try to steal your account names, passwords, account numbers, or Social Security numbers. If they get that information, they could get access to your email, bank, or other accounts. Or they could sell your information to other scammers. They may also be asking you to do them a favor like get a few gift cards and tell them the numbers.

Your phone dings. You check it and see a notification about an email from a close friend! It's easy enough to see their name in the 'From' field. You start reading it and see they want some quick help, so you start planning how you can help a Brother out. He is at a charity event and forgot his gift card prizes! He says he needs you to help him out and send him the numbers after you buy some. **This is a very common scam technique.** This email isn't really from a Bro, it's a scammer engaging in a technique called **phishing**.

Phishing emails or text messages often tell a story to trick you into clicking on a link or opening an attachment. They might pretend to be from someone else. This is called 'Spoofing'. You might get an unexpected email or text message that looks like it's from a company or person you know and trust, like a bank or a credit card or the name of a Brother. The message could be from a scammer, who might say things like:

- claim there's a problem with your account or your payment information
- include an invoice you don't recognize to pay now
- want you to click on a link to make a payment for some item or 'urgent' reason
- ask you to buy some gift cards for any reason

Scammers will usually say something is urgent, or time sensitive. They don't want you to have time to think about what they're saying or talk to someone you trust. Slow down. Don't pay. It's a scam. Scammers will tell you which gift card to buy (and where). They might say to put money on an eBay, Google Play, Target, or Apple gift card. They might send you to a specific store — often Walmart, Target, CVS, or Walgreens. Sometimes they'll tell you to buy cards at several stores, so cashiers won't get suspicious. The scammer also might stay on the phone with you while you go to the store and load money onto the card. Scammers will ask you for the gift card number and PIN. The card number and PIN on the back of the card let the scammer get the money you loaded onto the card — even if you still have the card itself.

Slow down. Don't give them those numbers or send them a photo of the card. It's a scam. A Zor representative will never contact you through email and ask you to buy gift cards. No one should ever need a gift card number or pin, without having that gift card in their physical possession.

Here are a few tips to spot phishing emails. Pay attention to the details not just the content of the message. Inspect the sender's email address to confirm it's actually coming from that person. Scammers will often send the email from a random email account and change the Display Name of the email address to a publicly known one. It may show up as:

Email: Steve Livernash <not-a-spammer@spammercentral.xyz>
Date: Tue, Aug 1, 2025 at 7:18 AM
Subject: Need urgent help!

Look at the From field. It says 'Steve Livernash', and that's a known Brother! But pay attention to the email address behind it. **That** is definitely not Steves' email. You should be very wary of trusting this as being a legitimate email from Steve; it isn't, it's a scam. Call the sender to verify authenticity of the request or use the sender's email account on file or your address book that you already have. Do not reply to the email. Do not purchase any gift cards.

Take the Google spot the phishing email training¹ for more ways to identify scam emails.

ANNOUNCEMENT: Introducing “The ZOR VISIONEERS”

Formerly known as The Zor Imagineers

Dear Nobles,

We are excited to announce an important update regarding our technology, innovation, and newly formed fantasy parade units. To ensure clarity and avoid any potential legal concerns with the Disney Company—who have long used the name “Imagineers”—our group has officially changed its name. Going forward, we will be known as:

The ZOR VISIONEERS

While our name has changed, our mission remains the same. We are dedicated to exploring and implementing both current and emerging technologies that will enhance ZOR Shriners and support the future growth and success of our Temple.

The new name represents more than just a change in branding—it symbolizes our commitment to forward-thinking innovation and long-term relevance within the fraternity. As VISIONEERS, we strive to remain on the cutting edge of tools, systems, construction, and strategies that will position ZOR for success in the years ahead.

We invite **all ZOR Shriners** who are passionate about technology, innovation, and the future of our fraternity to join us. Whether you’re a seasoned tech expert or simply interested in learning and contributing, your ideas, insights, and involvement are welcome.

Our newly formed parade units let imagination & creativity flow with family fun.

Welcome to **The ZOR VISIONEERS** “Where VISION becomes REALITY.”

Fraternally,

The Zor Visioneers’ Leadership Team

FOREIGNER CONCERT

Nobles & Ladies ,

I hope everyone enjoyed the Foreigner Show on Saturday July 12th at the Northern Wisconsin State fair in Chippewa Falls. I would like to personally thank everyone again for all your help with the show ushering, scanners, Barker's, CD sellers, We couldn't have done it without you. A special Thank you to our Brothers that traveled to help us out. Will McKay and his two son's Beja Chaplin, and Brian Raykowski (Chewie) and his Lady from Osman. The Venue in Chippewa Falls holds 5,500 people that night according to the fair administrator Rusty Volk. There were 5,000 people in attendance that evening . With the CDS sold that night and the Lady that bought an autographed guitar from Foreigner for her 8 year old grandson for \$2,500.00 the amount to be sent to Tampa should be \$4,000.00 Dollars for that evening, job well done. I would also like to thank all the Potentates that sent the E- Blast to their members.

Just a little bit about Foreigner, the band was formed in 1976 by a veteran English musician Mick Jones and fellow Brit Ian McDonald along with American vocalist Lou Gramm. The Band's name reflects the fact that the original lineup consisted of three English members and three American members, Jones being the sole remaining original member of the group.

-The 1984 Ballard Classic "I want to know what Love is " The song hit #1 on both the United Kingdom singles Chart and the United States billboard hot 100 chart. This is the group's biggest hit .

-This is the same song as the video for the Shriner's Children.

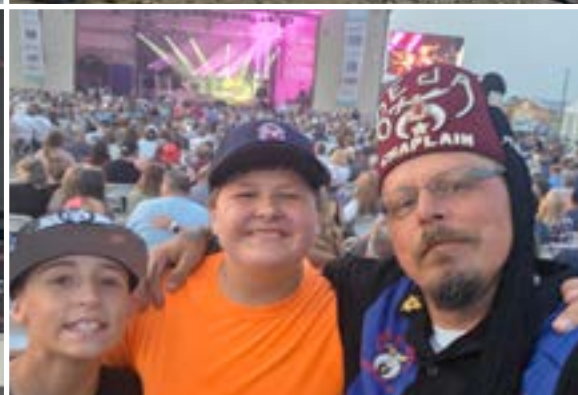

-If you haven't seen it, check it out on YOUTube.

Many Hands make light work!

Thank you All for the work for Shriners Children,

Bruce Fransway

Mini Cars Celebration Honors Potentate with Parade, Picnic, and a Splash!

On Sunday, July 20th, the Zor Mini Cars hosted their annual celebration during Edgerton's lively Tobacco Days parade—and what a celebration it was! Unit Captain Steve Livingston extended an open invitation to all for a day of fun, food, and fellowship in honor of Potentate Brian Dunham and Lady Linda.

Potentate Brian and Lady Linda cruised in style aboard the ever popular Steampunk machine driven by Chief Rabban Steve Livernash. They were joined in the parade by several fellow units including Zor Mini Cars, Zor Clowns & Tebala Shrine from Illinois, all adding to the festive atmosphere and crowd pleasing fun. Following the parade, the festivities continued at the home of Austin and Connie Tronnes, where the iconic Mini Car Picnic unfolded in classic Shriner fashion.

No reservations, no cost—just a great time. Nearly 200 ears of corn were served alongside brats, burgers, salads, desserts, and cold beverages, with guests enjoying camaraderie and laughter throughout the afternoon. Illustrious Sir Thorstad earned bragging rights once again as the undisputed corn-eating champion.

As tradition dictates, the Potentate was ceremoniously thrown into the lake. Although Potentate Brian was prepared for this he was surprised when Lady Linda was the one to push him in.

After a change into dry clothes, things got even more interesting—a surprise auction was held to raise funds for Lady Linda's project benefiting the burn center in Dayton. The auction item? The chance to push the Potentate back into the lake—in his fresh, dry clothes! The crowd raised nearly \$250 for the cause, and yes, he was pushed in... again.

With warm hearts and wet shoes, the 2025 Mini Car celebration was a memorable day of Shriners spirit, laughter, and generosity.
