TAILGATE PARTY 2025

LOVE IS ALIVE

From the desk of
Illustrious Sir
BRIAN DUNHAM

LOVE IS ALIVE

Hello ZORLAND!

Well, parade season has started! Nobles, if you are in a unit that parades, thank you for participating. If not, I would encourage you to find a parade that ZOR has an entry in and attend to show support. You can look at our calendar on www.ZorShriners.com. When at the parades, wear your ZOR gear with pride!! Not only do we raise funds by parading, but community support and member recruitment are also beneficial. As you know, ZOR covers a very large footprint, which gives us a great opportunity to be seen and talk about the great things we do.

Thank you to all who attended the joint ceremonial in Stevens Point. It was pointed out that it had been almost 3 decades since the three temples got together for an event like that. Illustrious Sir Scott from Beja, Illustrious Sir Alan from Tripoli, and I would like to extend a HUGE thank you to Joe Harker for being the point person of this event. Both ZOR and Tripoli's Directors' Staff, Randy and Meryl in the Hospitality Suite, Brad and Michelle coordinating the Friday night festivities, Colleen Schwartz for creating the beautiful center pieces, those who unexpectedly stepped in for parts that needed covering, the attendance of MWGM Tom Stevens, and Past Imperial Potentate Jim Smith and Lady Alice made this event one that the candidates, and I, will cherish for ever! As we gathered on Saturday evening, someone mentioned that we had, through membership or associate membership, 9 temples represented. As I have seen in my travels, ZOR can really represent! I am so proud of our organization! I don't recall the last event we had at the Holiday Inn in Stevens Point, but they treated us wonderfully, and the hotel/convention center was a wonderful setup for this event. The Grand Chapter of the Order of the Eastern

Star held their annual meeting at the same hotel convention center the following week, and were setting up as many of us were packing out. Linda and I were unable to attend the event however, Roger and Diane Amundson represented the ZOR leadership for us. Thank you both.

The Onions showed up, and I have heard nothing but RAVE reviews. Illustrious Sir Barry coordinated with Aad Temple to help keep the delivery cost as low as possible. Thank you, Illustrious Sir, for being a good steward of our funds and continuing to spearhead our onion fundraiser. If you didn't know, the onion fundraiser has numerous moving parts and is one of the largest fundraisers that ZOR has. Illustrious Sir Barry has continued to do an amazing job keeping track of it all.

Wanting more out of your membership? If you are looking to get involved and can't find something that meets your needs, I would encourage you to reach out to me to discuss the creation of a new club or unit. We have the opportunity, footprints, and membership to support additional activities. Our newest unit was formed last year. The ZOR Outdoorsmen. It is a ZOR-wide unit that is currently accepting membership and looking for fun outdoor things to do.

As I continue to travel this year, I look forward to meeting/seeing you and learning about what's happening in your neck of the woods. See you soon.

Faternally,

Brian Dunham, Potentate 2025

Shriners Children's Chicago patient shines at adaptive karate national tournament

Caleb, 12, has been a patient at Shriners Children's since he was 2, working closely with pediatric orthopedic surgeon Haluk Altioik, MD, and pediatric neurologist Kenneth Silver, MD, throughout his journey with spastic diplegic cerebral palsy. Caleb has faced every challenge head-on, including undergoing spinal surgery and relearning to walk three times.

He has benefited from the collaboration of multiple teams at Shriners Children's, which has helped him achieve extraordinary milestones. He recently earned his black belt at an adaptive karate dojo. Caleb competed in the national tournament in Las Vegas, where he won two gold medals in Kata and one gold and one silver in Kobudo in the para division of his age group.

FUNDRAISING

As Recorder of Zor Shriners, I am required to inform all Nobles at least once a year what the fundraising requirements are per General Order No. 1, Pages 41-46. I encourage everyone to review it in its entirety but here is a summary of the critical parts of it.

It is natural to associate the Fez with Shriners Hospitals for Children (Shriners Children's). Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not led to believe his or her money will be used for the hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

1. The use of the name "Shriners Hospitals for Children or Shriners Children's" or reference to such in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.
2. No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fundraising activity without the written consent of the potentate of the Temple having jurisdiction thereof.
3. There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals or Shriners Children's.
4. Any officer, Noble, or temple which violates a provision of Fundraising Activities as outlined in General Order No. 1 is subject to discipline pursuant to the bylaws of Shriners International.

Recently, I had the opportunity to give a presentation to the Mondovi Area Historical Society on the "History and Evolution of Shriners and Shriners Hospitals." Present at the event was a 48 year Zor Shriner, Noble Ed Mahlum. Ed mentioned that years back he was a member of the ZOR Eau Claire, Drum and Bugle Corps! Ed is 95 years young, and he shared some of his experiences in parading back in the day.

CHASING DREAMS ONE DANCE AT A TIME

Abbey's Amazing Journey

Abbey has achieved remarkable milestones – from surgery and therapy, to dance, cheerleading, triathlons and advocacy – thanks to the medical care and unwavering support of her team at Shriners Children's.

When Abbey was just 5 years old, she was diagnosed with cerebral palsy (CP), a condition which can affect muscle tone, movement and coordination. Abbey has spastic diplegia which primarily affects her leg muscles on one side, making her gait different than a typical teen. Her family learned about the multidisciplinary approach to treating CP available at Shriners Children's Chicago, which specializes in pediatric orthopedics, cleft lip and cleft palate treatment, and spinal cord injury care and rehabilitation on the outskirts of Chicago. They scheduled an appointment and embarked on a journey of care that would unlock numerous opportunities for Abbey to accomplish remarkable things.

Since the types and severity of cerebral palsy can greatly vary, every child with CP can benefit from an individualized treatment plan. Abbey's care team in Chicago is guided by the latest research combined with years of pediatric experience and input from the family. Typical care for CP may include orthopedic services, physical medicine and rehabilitation services, physical therapy, occupational therapy and speech therapy, along with bracing and equipment reviews. Shriners Children's offers all of this in one location for busy families.

Thanks to therapy, a series of colorful patterned leg braces and several surgeries, Abbey can pursue her own busy, active life. During appointments with Peter Smith, M.D., her pediatric orthopedic surgeon, Abbey likes to share her goals and dreams. Here's one she mastered in 2021. After an orthopedic surgery procedure to correct her heel bone alignment, she fulfilled her goal to walk on the beach in sandals, remarkable for an individual with gait differences caused by CP. She not only sported the sandals, but she also walked that beach barefoot. "Dr. Smith has steadily guided us into a world we never imagined. His skills and knowledge are second to none," said Vicki, Abbey's mother.

Abbey has also participated in several Miss, You Can Do It Pageants for girls with special needs. This year, she received the 2025 Miss Illinois Amazing Impact Award in part for her generous work as a Patient Ambassador for Shriner Children's. This prestigious award honors individuals who have gone above and beyond to impact their communities through service work over the past year. Abbey spoke about volunteering as a Patient Ambassador for the motion analysis center, as recently shared on Fox32 Chicago news. She and her parents also

graciously attend various fundraising and Shriners International fraternal events connected to the sharing of our amazing specialty pediatric care in orthopedic surgery, neurology and pediatric therapy services. She has traveled to high school Shrine game patient/players experiences in two states.

Abbey's success, that she can dance and cheer on the sidelines, speaks to the quality of care she has received at Shriners Children's Chicago with Dr. Smith for cerebral palsy.

Vicki, Chicago

For the past 12 years, Abbey has embraced adaptive dancing. Her experience helped her land a spot as a cheerleader for her middle school basketball team. At the time, it was a big leap for the preteen who knew the physical demands of the sport. The care and encouragement she received from Shriners Children's Chicago staff and family support allowed her to get her first-ever sports physical and cheer on the sidelines all three years. Now a sophomore in high school, Abbey made the dance team and will continue throughout her junior year. Her enthusiasm for movement and dance is stronger than ever and may be a part of her future career.

"I love all things dance, and I look up to my dance teacher a lot," said Abbey. "I want to be a dance teacher (one day)."

She is also picking up more swimming lessons to prepare for her third adaptive triathlon, the Tri My Best Triathlon in Kenosha, Wisconsin. The event welcomes children of all abilities and takes place annually in August.

Shriners Children's Chicago's specialized cerebral palsy care has allowed Abbey to grow in comfort, pursue her interests and goals, and live her life to the highest potential. At nearly 17, Abbey has already reached an impressive number of milestones. With her unwavering drive and clear vision for the future, there's no doubt – the best is yet to come.

DAUGHTERS *of the* NILE

Hello Zorland!

I want to tell you about my journey as a Daughters of the Nile. My story begins in December 2019, when my husband, Joe Fisher, became a Noble in Zor Shrine. I received a letter from the Queen of Antioch Temple #113, to join the Daughters of the Nile organization. I decided I would join, but then COVID hit, and the meetings came to a stop. I was initiated over ZOOM and did not really understand what had happened. However, I was given the chance to do it again, in person, and it really meant so much more!!

As the new queen of Antioch Temple #113, I can tell you that I have been busy. I had my installation ceremonial last month. I also had to conduct my first session that day. We felt we needed to change some bylaws, including the one bylaw which states when our sessions meet. The new date will be the second Saturday of the month instead of the third Saturday. This will allow for our counterparts in Milwaukee to visit and vice versa.

We had our budget meeting. We discussed some fundraisers for the coming year which is exciting. As the Queen, I am working hard on my calendar of events, so keep tuned! I cannot wait to get this year started. I plan on meeting lots of people and having lots of fun!

I have found this organization to be a welcoming, positive place of kindness, friendship and growth. I really love these ladies who make up our membership and we are always looking for new ladies to join us! Give me a call or email to learn more.

WISCONSIN JOINT CEREMONIAL & BALL

Zor, Beja, and Tripoli Shriners Host Joint Ceremonial

By: Anessa Keil

Nobles, Ladies, and guests gathered for a weekend of fellowship, ritual, and celebration during the Joint Ceremonial hosted by Zor, Baja and Tripoli Shriners at the Holiday Inn Stevens Point – Convention Center.

Festivities began on Friday, May 16, with a Divan meeting from 3:00 to 4:00 p.m., followed by a lively Tailgate Party. The evening social began at 6:00 p.m., leading into a casual dinner at 7:00 p.m. featuring classic Wisconsin favorites—burgers and brats—perfectly setting the tone for a weekend of fun and camaraderie.

Saturday's ceremonial activities officially kicked off at 10:00 a.m. with the Temple Opening by the Joint Divans. Following warm greetings and introductions, attendees were treated to an impressive series of ritual presentations. The Zor Directors Staff performed the Arch Degree, followed by the 1st scene of the Knickerbocker presented by Zor's Past Potentates. The Candidates' Classroom, conducted by the Tripoli Ritualistic Divan, offered insight and orientation for new Nobles.

At 11:30 a.m., attendees broke for a men's and ladies' luncheon. The men enjoyed a comforting spread of soup and sandwiches, while the ladies were served a refreshing raspberry chicken salad—a light and flavorful dish.

The ceremonial resumed at 1:00 p.m., beginning with the 1st Section led by the Tripoli Ritualistic Divan. Zor continued the Knickerbocker story with the 2nd and 3rd scenes, followed by Tripoli's heartfelt presentation of the Old Red Fez. The ceremonial concluded with the fezzing of new Nobles and a moving hospital presentation.

After dinner, the celebration continued with music and dancing, closing out the event on a high note.

Thank You!

Zor, Beja and Tripoli Shriners extend their heartfelt thanks to everyone who contributed to the success of this Joint Ceremonial, especially the candidates and their families. The weekend showcased the strength of Shrine brotherhood and the joy of welcoming new Nobles into the fraternity.

Illustrious Sir Brian Dunham and Lady Linda are hoping that Zor will travel to Moose Jaw and support Wa Wa like they supported us last year. Traveling to Canada will require a passport and if you or anyone traveling with has had a felony in your lifetime you must start now to get clearance to enter Canada. We know that we will not have the attendance that we had last year so we have asked that 25 rooms be set aside for Zor. We have been informed that online registration opened on March 15. I would like to take a straw poll to get an idea of Zor's interest in attending this year. Please e-mail Joe Harker at jbh2010PGM@outlook.com as soon as possible if you are probable or 50/50 to attend.

More information can be found on the website: <https://msa2025.com/> or follow this link: [MSA 2025](#). On this website is a [Travel Checklist](#) that outlines key considerations for travelers from the US into Canada.
