Imagine That: Change Happens Through Action

There is something truly powerful about being a Shriner. You cannot fully explain it unless you have felt it. It is not just the fez, the parades, or the traditions we hold dear. It runs deeper. It is the feeling of being part of something bigger than yourself. It is the pride of serving others and standing shoulder to shoulder with people who care. That is what makes Shrinedom special, and that is what makes Zor strong.

Lady Koral and I have seen that spirit everywhere across Zor. Many times, we find ourselves heading in different directions, covering events miles apart, yet seeing the same fire in every place we go. Nobles showing up. Ladies and families standing beside them. Clubs and units putting in the work. It shows up in the long drives, the late nights, the laughter, and the effort no one else sees. That kind of dedication does not come from obligation. It comes from the heart. And when the heart is in it, there is no limit to what we can accomplish together.

Now is our moment to think bigger and act bigger. Not someday. Not when it is convenient. Now. Change does not come from hope alone. It comes from action. It comes from stepping forward, raising your hand, and saying, "Let's go." If we want a stronger Zor, we build it together. As I have said, shoot for the stars, and even if you come up short, you still land in the clouds somewhere. But if your goals are set too low, you never leave the ground. We were not meant to stay on the runway. We were meant to soar.

The Feztival of Trees is proof of what happens when people believe and take action. What started as an idea has grown into something that brings communities together, supports our mission, and shines a light on who we are. It continues to grow because Nobles chose to act. That same opportunity lives in every club and every unit across Zor.

If you have an idea in your heart, do not let it sit. Start it. Build it. Take that first step and trust that others will join you. Zor stands ready to support you with marketing, promotion, and encouragement every step of the way. Together, we can turn ideas into impact and moments into memories that matter.

Look at our hospital drivers. Before the sun rises, they are already on the road in a Zor van. No pay. No recognition. Just a quiet commitment to doing what is right for someone in need. That is what action looks like. That is who we are.

Lady Koral and I are grateful for each and every one of you. Every Noble. Every Lady. Every family member and supporter. You are the reason Zor continues to move forward. Let this be the year we stop waiting and start leading. The year we lift each other up, pick up an old friend, a widow, take that next step, and build something even greater together. Imagine That.

Parade Season Is Here!

Hello Nobles! Parade season has arrived, and it's time to get out there and have some fun.

To help keep everyone safe, please remember to check all motorized vehicles before each parade to make sure they're in good working order. While this isn't currently required by our insurance, having a regular inspection record could be very helpful if an issue ever comes up.

To make things easier, a sample vehicle inspection form is included below. A copy will also be emailed to all unit captains and presidents—feel free to adjust it to fit your unit's needs.

Additionally, although not required, it's recommended that all vehicle drivers wear helmets for added safety. Thanks for helping keep our parades safe and enjoyable. Wishing everyone a fun and safe parade season—this truly is one of the best parts of Masonry!

Mike Kastens - Assistant Rabban Fundraising Committee

Securing the Future of ZOR:
A Renewed Commitment to Fundraising

This year, as your Assistant Rabban, I have been honored with the responsibility of serving on the ZOR Shrine Fundraising Committee. While this committee

is not new, it has been thoughtfully reestablished by Illustrious Sir Steve Livernash to ensure the long-term financial stability and continued success of our Temple.

At first glance, some Nobles may wonder why a fundraising committee is necessary when funds are available from the sale of the Temple property. The answer is both practical and forward-thinking. The proceeds from the sale are currently invested, and the structure of these investments is designed to allow only a limited portion to be used for the ongoing operations of the Temple. This prudent approach safeguards our financial resources and ensures their longevity.

Relying solely on these funds would eventually deplete them, leaving ZOR dependent on membership dues and assessments to sustain operations. While it is unlikely that the Divan would exhaust these funds within our lifetimes, it is our duty to think beyond the present and plan for the future. Responsible fundraising helps preserve our financial strength and ensures that ZOR Shrine remains stable and vibrant for generations of Nobles to come.

The reestablished Fundraising Committee consists of Chairman Tom Monson, Marshal Kevin Reilly, and myself. Together, we are committed to developing creative

and effective initiatives that support our mission. We also welcome any Noble who is interested in contributing ideas or serving on this important committee. Your involvement is vital to our success.

One of our most anticipated events of the year is the ZOR Shrine Outdoorsmen Club Gun Raffle. Scheduled for September at the Sparta Rod and Gun Club in Sparta, Wisconsin, this exciting fundraiser will feature a 38-gun raffle. Tickets are currently available through the ZOR Shrine Office or by contacting your Divan representative assigned to your club or unit.

Adding a unique twist to this year's raffle, we are introducing a special promotion called the ".38 Special." Starting 38 days prior to the event there will be a random drawing, each day. The name drawn will win a \$38.00 dollar gift card from Scheels. The 38 names drawn will be set aside for a chance to win a .38 special pistol. Once the ".38 Special" is completed those tickets will be added back to all of the tickets with chances to win one of the remaining 38 prizes.

Beyond the gun raffle, the committee is actively exploring new fundraising ideas to support ZOR Shrine. We encourage all Nobles to share their suggestions and become involved in shaping the future of our organization.

If you have an idea for a fundraising event or would like to assist the committee, please do not hesitate to contact me at mike.kastens@zorshriners.com.

Together, through teamwork, innovation, and dedication, we can ensure the continued strength and prosperity of ZOR Shrine.

Fraternally, Mike Kastens - Assistant Rabban

Scott Pedley - High Priest and Prophet Events Committee

Imagine that! Another great period-in-time for ZOR Shriners!

Your ZOR Shrine Divan is composed of some truly great WI Masons! I am greatly privileged and honored to be in the company of

such genuinely dedicated Shrine-Masons who are overseeing your Shrine with the greatest of Masonic care and love.

I am Scott Pedley, PGM, and current ZOR High Priest and Profit for the ensuing year. Your ZOR Shrine is on the move! Improvements to all things ZOR is foremost on the minds of the Divan. Illustrious Sir Steve Livernash and Lady Koral have inspired a flurry of activities and contagious enthusiasm.

My role is the oversight of events-improvement. We are taking a forward leaning posture looking at each of our future events with the purpose of making them a memorable and impactful destination for every Shriner in attendance.

One event we are supporting with our efforts is the upcoming roller-skating travel from LaCrosse to Shriner's Childrens – Chicago this summer. Noble Brad Andrew is planning to roller skate in honor of the birthday of our Nation and the 100 year anniversary of Shriners Children's – Chicago. This will take a fair amount of support in the field from our Nobles to make this a safe and meaningful venture for Noble Brad. (Interesting enough that he's made the trip one other time on skates!).

Additionally, we are working on the upcoming Vesper Community Parade in Vesper, WI on July 18. ZOR will have a prominent place with multiple units in this parade. We are looking at safety and organization primarily to ensure that this is a safe and fun event for all who attend. Shriners on the sides of the streets are welcome too!

We all look forward to continuing to work for you. We're having great fun and fellowship along the way!

Imagine that!

Scott Pedley - Zor High Priest and Prophet

Mark Mayry - Oriental Guide Membership Committee

What is the Oriental Guide? If you look at ZOR Shriners as a corporation the Oriental Guide (OG) would be the 4th vice president. It is the first step in the line of elected Divan.

I was fortunate to be elected to the position of Oriental Guide and installed in January of 2026. I am a 33 year member of the Masonic fraternity. I was a Master Councilor of my local DeMolay Chapter in 1969, a Past Master of New Richmond Lodge #195, Past High Priest of Amery Chapter 112 Royal Arch Masons, a member of the Eau Claire Valley Scottish Rite, St. Croix Valley Commandery, Willow River Eastern Star and St. Croix Valley Shrine Club/Road Runners where I currently serve as Chaplain.

As Oriental Guide I report to the Divan on Membership and Marketing. Our current Membership committee is Chaired by Rod Schultz, other members are Chad Fonseca Outer Guard and David Chavez Captain of the Guard.

We are currently working on a table promoting ZOR at Grand Lodge Annual Communication. Ron Malcolm, Rod Schultz and myself made a trip to Jefferson Lodge for a District meeting and gave a presentation on ZOR. Our hope is to do more presentations at other District Meetings as well as at Blue Lodges around ZORLAND.

We have also placed a membership ad in the WI Masonic journal that will run all year. We will also try to place an ad in all District News Letters. Another idea came out of a brain storming session at a Mehara Shrine Club meeting, baseball type cards with pictures of Shriners from parade units which can be handed out at the parades we do. These might be another fun way to promote Shrinedom and get information out about becoming a Shriner.

One last thought, it is not only up to the Membership Committee, we should all be trying to recruit new Mason and Shriners.

Imagine that!

Innovative Technologies aiding in Health Care

Technology is transforming health treatment by improving access to care and enabling more personalized, continuous monitoring. Secure messaging, video calls, and remote diagnostics ensure timely medical advice and follow-up, supporting better management of health concerns. Telehealth platforms allow you to attend virtual doctor's appointments from home, reducing the need for travel and making it easier to stay on top of health concerns. Automated systems and digital platforms help streamline care coordination and reduce the burden on providers. Wearable devices such as fitness trackers and smartwatches are another valuable resource, helping to monitor heartrate, sleep patterns, physical activity, and even detect falls. These devices can send real-time alerts to caregivers or emergency services if something unusual occurs.

Emerging technologies like wearable devices and AI-powered health monitors are enhancing proactive care for patients. These tools track vital signs in real time, alerting caregivers and medical professionals to potential issues before they become serious. Smart home systems further support independence by automating lighting, temperature, and safety alerts, helping you to live safely at home for longer, or without other assistance needed. You can use home assistants such as Amazon Alexa, or Google Nest devices to play music, ask questions, check weather or traffic and set alarms or timers. Beyond individual care, technology is addressing systemic challenges in healthcare, such as workforce shortages and gaps in service delivery. Learning to use these technologies often starts with support from family, community programs, or caretakers that offer digital literacy classes. Many hospitals and clinics also provide onboarding sessions to help patients use their telehealth platforms confidently. By starting with user-friendly devices and gradually building skills, you can embrace digital health tools that promote independence, safety, and improved care. As these innovations continue to evolve, they can help you stay connected, manage chronic conditions more effectively, and take a proactive role in your well-being.

by: Noble Chris Williams

Greetings Zorland,

It is my honor once again, to have been elected as Queen of Antioch Temple 113, Daughters of the Nile for the ensuing year.

As most of our Zor family knows, my Shrine/Zor history runs deep.

It's one of my greatest pleasures, to keep the tradition alive that started with my Muenich grandparents being a part of the Zor Drum Corps in Eau Claire.

Grandma Muenich was always crafting something for the next auxiliary bazaar and periodically we got kicked out of our basement playground as Gramps was "posting" one of his many understudies.

This year also brings another special element as I am thrilled to join our Illustrious Sir Steve and Lovely Lady Koral. My twin Jamie and I went to high school in Wis Rapids with Steve and Koral.

To be on this Shrine journey with them is just so exciting!

As our summer kicks off, I encourage you to join in the fun of the amazing people that make up our Zor family.

March 10th I underwent surgery to remove a brain tumor. The support and prayers I received from so many of our Zor family just was another testament of why I feel so blessed to not only be part of, but lead Daughters of the Nile.

Our mission to support Shriners Children's as well as our Zor family, is something that fills my heart.

I hope to see so many of you out and about in the next year.

Nile Love,

Queen Jenn (Schaefer) Vernig

Local Event Turns Fun into Compassion for Shriners Children's Patients

By Sean Shilling

Today I had the honor of delivering another patient, and just as meaningful, delivering a special donation on behalf of my Lady Marsha. Thanks to a generous friend of hers, we were able to bring a collection of new stuffed animals to Shriners Children's Chicago.

These donations were gathered during a "Teddy Bear Bowling Tournament" organized by Matt Anderson and hosted by Leisure Lanes a few months ago. Our local contact, Mary McCauley, was thrilled to receive them. The event collected several dozen stuffed animals—greatly appreciated at a time when donations have recently declined, even more than during COVID.

If you're interested in helping, be sure to check out <https://zorshriners.com/hosp-info> for a list of needed items. We also learned that not all stuffed animals can go to every patient, especially infants, so details like plastic versus sewn-on eyes matter.

We've also recently learned about the partnership between Shriners Children's and Build-A-Bear Foundation. Many locations now feature "Build-A-Bear Foundation Buddy Rooms," where patients and families can choose a complimentary furry friend and accessories, an incredible way to bring comfort during their stay.

This is a great reminder that there are many ways our Units and Clubs can make an impact—whether through community events, toy drives, or creative fundraisers like this one. It might even be fun to have the Divan get together and build bears to donate (a great idea worth revisiting!).

A big thank-you again to Matt Anderson and Leisure Lanes for helping us support the children at Shriners Children's Chicago.

P.S. My Lady Marsha doesn't know it yet... but I've got my eye on those unopened Beanie Babies in the basement!

SCVSC meets for a St Patrick's Day celebration.

By Merl Steffen

The Saint Croix Valley Shriners Club gathered at the Woodville American Legion, a venue our club hasn't used in a while and it turned out to be a refreshing change of scenery! The evening featured a delicious traditional Irish meal, complete with corned beef that everyone seemed to enjoy.

Let the games begin!

All attendees got to take part in the lively and laughter-filled game Herd Immunity. Five tables competed for a spot in the final round. Our preliminary winners were: Brenda Gaulke, Bob Hering, Jim Wolfe, Mark Mayry and Verna Norby.

Each winner received a prize and advanced to the final showdown where Verna Norby emerged as our ultimate champion! The game started off a bit slow (many were new to it), but it didn't take long before everyone caught on. The creative and sometimes surprising answers sparked plenty of laughs and made for a truly entertaining evening.

48th Annual Wausau Potentate Party

Ill Steve Livernash and Lady Koral

“Imagine That!”

Wausau Shriners held their 48th Annual Potentate Party weekend in honor of Ill. Sir Steve Livernash and his Lady Koral, along with Zor Nobles from across Wisconsin.

The weekend's events began with a Friday night fish fry at Oliva's at Gulliver's Landing. A total of 42 Nobles and their Ladies came together for fun and fellowship. The camaraderie continued at the Jefferson Street Inn, where everyone reconvened in the hospitality room sponsored by the Zor Shriners and managed by our favorite Zor Funster, Noble Randy Webb.

On Saturday, the ladies gathered in the Lincoln Room of the Jefferson Street Inn for an “Honored Ladies Luncheon.” Lady Mary Ellen Peterson welcomed 32 ladies, who enjoyed an informative program presented by Stable Hands. Stable Hands provides valuable equine activities and therapies that enhance the quality of life and health for individuals with special needs by improving physical, emotional, cognitive, and social development. The luncheon concluded with closing remarks from Lady Koral Livernash.

The Annual Meeting of the Nobles was held at the Wausau Elks Lodge, with several Nobles in attendance. During the meeting, the Wausau Shriners inducted the Most Recent Illustrious Past Potentate, Brian Dunham, into their unit by publicly declaring him an honorary member of the Wausau Shriners, who are “Hooked on Helping Children.” As part of the induction ceremony, Ill. Brian was presented with his official “Past Masters” fishing hat—may he wear it with pride and distinction.

The Zor Nobles later gathered at the Wausau Elks Lodge for the Annual Potentate Party Banquet to honor our 2026 Potentate, Ill. Sir Steve Livernash, and his Lady Koral. The banquet was attended by 85 Nobles, Ladies, and friends. The evening began with a warm welcome from Noble Kevin Sorenson of the Wausau Shriners.

Following dinner, the festivities continued with the drawing of various door prizes, including 16 geraniums presented to lucky winners. Ill. Steve and Lady Koral were presented with the traditional gift of a large clock decorated with a variety of Masonic symbols—most notably, copper-colored hands, reflecting Ill. Steve's favorite color. Lady Koral received a handcrafted epoxy lazy Susan made by Past Potentate Steve Peterson, featuring Ill. Steve Livernash's Potentate pin embedded in the design. Very well done, PP Peterson!

As always, the evening concluded in Noble Randy Webb's well-managed hospitality room for more fun and fellowship.

The Wausau Shriners appreciate all Nobles and Ladies who attended and hope that everyone enjoyed the weekend. If you have not attended in the past, we highly recommend making the trip to Wausau for this annual event—you will not be disappointed. The Nobles in Wausau truly know how to put together a great event!

Potentate Party

Tickets for the .38 Special Raffle were released at the Wausau Potentate Party on April 18, giving Nobles an early start to sell and promote. The raffle runs alongside the annual Zor Shriners Outdoorsmen Raffle & Shoot, and members are encouraged to promote it at events and in their communities throughout the summer.

A strong selling point is that winners may choose a Scheels gift card equal to the value of the firearm, making the raffle appealing to a wider audience.

The drawing will be held on September 26, 2026, at the Sparta Rod & Gun Club in Sparta, Wisconsin, during a day of fellowship, prizes, and outdoor fun, all supporting Zor Shriners' mission to help children receive specialized care.

Deadline for registration is June 1, 2026.

Kem has secured the Alerus Center in Grand Forks for the Welcome Party, Marketplace, Competitions, and Shrine-A-Rama. The horse competition, parades and some optional events will be in and around Grand Forks.

Zor's MSA 2026 summer session lodging will be at Country Inn & Suites

Illustrious Sir Steve and 1st Lady Koral hope several Zor's Units will travel, compete, and participate in both parades during this year's Midwest Shrine Association Summer Session, August 12-15, 2026, hosted by Kem Shriners in Grand Forks, ND. There will be a lot of activities for Zor Nobles, Ladies and families to participate in and enjoy. Wednesday evening will be a Welcome Party for all who purchase a ticket. Thursday's parade will be in Crookston, MN followed by an oasis. Of course, Friday will feature unit competition followed by the annual Shrine-a-Rama and Saturday will be the parade in Grand Forks, ND. To see the other activities visit the website MSA 2026 - Hosted by Kem Shrine in Grand Forks, ND .

Over 100 people attended the surprise birthday party on Saturday April 4th for Roger Amundson at the Fulton Masonic Lodge in Edgerton. A pre-planned false alarm for a water leak in the mens bathroom brought Roger to the building.

Create Your Own Zor Noble Trading Card!

Have you ever thought about having your own trading card to hand out at parades, picnics, and other Zor Shrine events?

The Zor Marketing Team is offering Nobles the chance to create personal trading cards that represent you and the Club or Unit you belong to.

These cards are a fun way to introduce yourself to the public—especially kids along the parade route—and help them learn more about the different Clubs and Units that make Zor Shriners so special.

If you would like a card created, simply submit:

- Two photos of yourself, a clean clear shot of your face is a must (dressed up, with your vehicle, or with your group is great!)
- A short description including the Club or Unit you are part of and anything unique or special about what you do.
- The Marketing Team will work to design a custom trading card featuring you.
- Please send your photos and information to Zorsubmit@zorshriners.com. Anessa will follow up with you regarding the design and cost.
- Pricing will vary depending on how many cards each Noble would like to order.

It's a great way to showcase your Club or Unit while giving the community something fun to remember from Zor Shriners!

“IMAGINE THAT”
ZOR SHRINERS PARADE, PICNIC,
& UNIT SHOWCASE

There are moments when we have the chance to be seen, to be felt, and to remind our communities who we are and why we do what we do. Saturday, July 18, 2026, is one of those moments. The Zor Shriners are rolling into Vesper, Wisconsin, for a Zor wide Parade, Picnic, and Unit Showcase, and every Club and Unit is invited to be part of something special.

Parade step off begins at 11:30 am, following community entries, as Vesper Days comes alive with food trucks, crafts, bingo, kids activities, polka music, Elvis, and a live band into the evening. The town is ready. The community is waiting. Zor Shriners are featured in their promotions and ready to shine.

This is our time. Dust off the mini cars, polish the chrome, fire up the music, and bring your creativity to life. Bring your unit, your family, and your spirit.

Momentum is already being built. The Daughters of the Nile will be joining us, along with a unit from Beja Shrine, and we are expecting ten to twelve Zor Shrine entries and growing. Do not be left behind. I would love to see old, revived units and reconnections with Shriners!

Each participating Club and Unit will receive a custom parade banner carried ahead of your group. After the parade, we will gather in the park for a Unit Showcase where the public can meet you, take photos, and connect. Your banner then becomes a lasting piece for brat fries, fundraisers, and future events to help tell your story.

Let's show Central Wisconsin that Zor Shriners are strong, visible, and still having fun while helping children. Let's create a day they will not forget.

-Please contact Anessa in the Zor Office by May 20 so we have time for design and printing of materials. marketing@zorshriners.com.

-If bringing a classic car or vehicle of interest, please join the newly forming car group Zor Wheels beforehand. Contact Steve at 715 325 5000.
