## A MESSAGE FROM YOUR ZOR POTENTATE

Now that we are in December, we have visions of sugar plums dancing in our heads; well definitely we have thoughts of Christmas and New Years in our heads. My Lady Gayle and I are looking forward to having family and especially grandkids around the house. The other thing dancing through my head is that as unusual as it seems, this is my last Zephyr article since the change to issues every other month.

My theme throughout this year has been "Together We're Stronger". While my pin depicts the Masons and Shriners working together that meaning is much deeper. First, it is the entire Masonic Fraternity that needs to work together to build this wonderful fraternity. Second, whether it be within your Masonic Lodge, your Shrine Unit, your Shrine Club, or Zor within itself, working together gives us the opportunity to look at ourselves. In our travels around, we have seen clubs and units working hard together to make these clubs and units and Zor as a whole, much better.

By the time you read this, we will have already had our Fall Ceremony in La Crosse. This has always been a highlight for Gayle and I. It is special seeing everyone who is in attendance and the interaction we have with our new members. Congratulations to these new members. I hope each and every one of you has the opportunity to be a first line signer and to introduce them to everyone. It is special to be able to have this event in La Crosse on the waterfront and being able to enjoy the Rotary Lights. A special thanks

to our Ceremonial committee, PP Monte Steiber, his Lady Ann; Roger Keller, his Lady Tammy; and PGM Joe Harker and Lady Mary. The event wouldn't have been the same without them. And thank you to all the others who worked at the Ceremonial. The Directors Staff, the Ritualistic Divan, the Daughters of the Nile, Madison Ladies Auxiliary, and so forth. We appreciate that Imperial Sir Jim Smith

and his Lady Alice were able to be in attendance as well as RWDGM Kenneth Gorgen and his Lady Jan. Thank you for sharing in the occasion.

It seems as if we have been on the road constantly at various Shrine events as well as visiting clubs and units and sharing in the enthusiasm they provide. It humbles us as to how we have been treated and been welcomed as part of their group. We will miss the travels and friends we have made over the years we have spent on the Divan. As we move on next year we will take a little time to reflect on these past few years. Of course we will still be around at various events and will be ready to assist in whatever and where ever we are needed. This whole year, we have enjoyed seeing Shriners and Shrine Lady's working together. All Nobles and their Lady's have proven to us that while it may be A GREAT Day to be A Zor Shriner"; it actually has been A GREAT YEAR to be A Zor Shriner.

# IMPORTANT INFORMATION

## TIME TO SUBMIT NOMINATIONS FOR POTENTATE AWARD OF MERIT

Each year the Potentate has the opportunity to present his Award of Merit(s) to deserving Nobles or non-member volunteers who go above and beyond the expected to serve our Shriner children, our hospitals and clinics or our fraternity. If you know of someone who you feel is deserving, you can nominate him or her by sending a letter to Recorder; Zor Shriners; 575 Zor Shrine Place; Madison, WI 53719.

## NOTICE TO ALL CLUBS AND UNITS

It is a Zor Shriners policy that all Club and Unit Officers be elected prior to November 1st of the year preceding their term of office ... and the information be sent to the Zor Office ASAP (before Dec 31st). Installation should be after November 1st. Only those who are members in good standing of the Shrine may hold an office in either a club or unit. If elected or appointed to an office or chairmanship of a club or unit, they must be a member of the Shrine. This means that all officers and chairmen should pay their 2020 dues prior to December 31, 2019. If they do not have their 2020 dues paid, they technically are not a member of the Shrine for 2020 and cannot hold an office or chairmanship in a club or unit.

## MEMBERSHIP DUES

Any Zor Shriner who has not paid his 2019 dues by the end of the year (2019) will be suspended as of December 31, 2019. If there is a reason you need special consideration for payment please contact the office at 608-833-6343. When you get the recording push 1, 2 or 3 and leave your message with your reason for non-payment.

## ANNUAL MEETING

Annual Meeting for all Zor Nobles is 1:00 p.m. on January 11, 2020 at Zor Temple in Madison. Dues must be current (2020 dues). Dues card will be asked for. If you are going to attend the luncheon at 11:30 a.m. you must register for it. Call the office at 608-833-6343 and hit either "1" or "2" when you get the recorded greeting.

## SHRINERS INTERNATIONAL BYLAWS ELECTION REGULATIONS, §325.11

§325.11(a) Electioneering. A candidate for an elected office in a Shrine temple may print, publish and circulate during the year he is seeking the elected office, a resume consisting of his educational background, his vocational history and his Masonic and Shrine record. Except as provided in the prior sentence, the printing, publication, circulating or distribution of resolutions, letters, telegrams,

tickets, email or other devices, by a unit, club, noble, or group of nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the temple is prohibited.

§325.11(b) Expenditures Prohibited. The expenditure of money for gifts, favors or entertainment on behalf of a candidate for elected office is prohibited.

§325.11) Violation. For any violation of (a) or (b), the Imperial Potentate may suspend any offending noble, and he may declare the election of the officers void and order a new election.

## ATTENTION ALL NOBLES • ANNUAL MEETING

Saturday, January 11, 2020 - 1:00 P.M.

Please be advised that the Annual Meeting of the Nobility of Zor Shriners will be held at 1:00 p.m., Saturday, January 11, 2020 in Hankwitz Hall, Zor Temple.

The business of the meeting will be to present to the body, discuss and vote, if necessary, on the following items:

1. Election of Temple Officers.
2. Adoption of 2020 Budget
3. And, any other business that may lawfully come before the body.

Wally Trouten, Illustrious Potentate

Attest: Bob Gorsuch, Recorder

"Appointments are for one year only"

When a Potentate's term of office expires, all appointments made by him during his administration TERMINATE, according to the Imperial By-laws.

Such appointments include ALL appointed Officers, members of committees and their Chairmen, special appointees, directors, and all members of the Potentate's Staff.

The Potentate has the power and authority under Imperial Shrine Law to replace every appointee; or he may, if he believes it to be in the best interest of the Shrine to retain appointees by reappointment.

Traditionally, for the sake of efficiency, many Nobles of demonstrated ability are continued in office or appointment by reappointment. But this is at the will and pleasure of the incoming Potentate. In no case can he be bound by his predecessor.

Some Nobles seek to perpetuate an appointment fictitiously by adding to the lettering on the Fez the year or years of their appointment. This is a violation of Imperial Law. The offending may be informed; but "...ignorance of the law is no excuse."

# ZOR COMMUNICATIONS

A new year is just around the corner and with it brings a new line of officers. We have made many steps forward in the fight to get better communications out to the members, and the coming year will be no different.

During this year, the Imagineers have assisted in the building of many Facebook pages for the clubs and units to share with their members as well as one for Zor Shriners in efforts to keep everyone informed of real time information of what is going on, not only around Zorland, but Shriners International as well.

**Chris Peters**

MARKETING & COMMUNICATIONS CHAIRMAN & ZOR IMAGINEER'S PRESIDENT

zorcommunication2019@gmail.com

We understand that this means of communication is very timely, but unfortunately not reaching all our members. We are still working on different ways to accomplish that without adding to the budget. We are always open to suggestions in ways to improve. If you have a suggestion you can either call me at 715-630-9143 or e-mail me at zorcommunications2019@gmail.com.

I am looking forward to the year to come with the hope of making a difference. May you all have a Very Happy Holiday Season.

Hope to see many of you at the annual meeting and installation of Officers on January 11th.

## ZOR CLUBS AND UNITS LEADERSHIP TRAINING

Dear Nobles,

In an effort to help keep our fraternity as unified and uniform as possible, during our annual meeting in January we will offer leadership workshops open to all, and required for, your newly elected club/unit President, 1st Vice President, and their ladies. We are anticipating this annual meeting of leadership will bring us closer together, and reinforce a common set of practices. Wanting to do a better job for you we have designed workshops/meetings that will meet the requirements set forth by International insofar as having our insurance forms explained, driver forms delivered, along with protocol review for accidents, parades, updating club/unit info, fundraiser request sheets, Zephyr content, and club/unit meetings.

In addition, we will be covering a number of other topics as well. These will be designed to help us in membership, membership retention, and general information.

Do you know your club/unit demographic? Do you know the demographic of Zor? How involved are your ladies? What does a new member experience? Did you know ALL parades need Potentate approval? With the hospital as financially strong as it currently is how can we most efficiently allocate our club/unit donations? We will have breakout sessions for the ladies as well. Please let me know if there are topics that you feel should be included in this annual event. As this training will be held in conjunction with the annual meeting and installation it is expected that our annual meeting attendance will be much larger along with the attendance of the incoming Potentates dinner.

Hope to see many of you at the training being held on Saturday, January 11th, from 9:00 am till 11:00 am.

# Beautiful weekend attracts large crowds To little East-West Shrine game and parade

By Milt Helmer

It was a memorable day on Saturday October 19th as the Falcons of the University of Wisconsin –River Falls played host to the La Crosse for Homecoming and the Potentate's gala.

The game began with all of the members of the Falcon football team ceremoniously marched onto the field. The solemn procession was presided by Coach Matt Walker placing the jersey of a fallen team member at the 50 yard line. Each player removed his helmet and joined with everyone in the stadium for a moment of silence for the player who had recently passed. Not a sound was heard from the hundreds of people in the stands and both benches.

The week of festivities began on Wednesday, October 16th at the American Legion club in River Falls. A special banquet of grilled pork chops, potatoes and gravy and vegetables was served to the members of the Falcon football team and their coaches. Following dinner, the team heard from Earl Gunderson, the District 2 Deputy Grand Master, who gave the young men an overview of the fraternity of Freemasons. He was followed by Barry Ausen, the Chief Rabban of the Zor Shrine who in like manner briefed the young men on the mission of the Shriners to care for children throughout North American. Coach Walker expressed his appreciation for the Shrine mission because his team also shares the Shriners desire to help others in the community.

On Friday evening Oct 18 members of the Divan gathered for a banquet held at Junior's in the Best Western Hotel and Suites in downtown River Falls. The banquet featured the appearance of Potentate Wally Trouten

and his lady Gayle as well as served members of the Shrine Divan from all over the state.

The assembled nobility were introduced by MC Roger Keller to the Shrine and homecoming parade Grand Marshals, Hailey and Olivia King of River Falls. Both young ladies have been patients of the Shrine Healthcare for Children in the Twin Cities®. The head coach and his

players were also there to present the girls with their own team jerseys and team signed football.

The Shriners in the Twin Cities this year helped over 2,000 patients regardless of their ability to pay. It was reported that Shriners have raised over \$2.7 in the Twin Cities of which 89% goes directly to the kids.

# Mason's

## SUPER DAY ON THE FIELD

Shriners Hospitals  
for Children®  
Chicago

Dear Shriners,

At the age of 2 Mason started seeing local medical specialists because he was unable to straighten his legs. Starting at the age of the age of 3, Mason's condition worsened to the point where he lost the ability to walk in June of this year.

His parents reached out to Shriners Hospital for Children-Chicago with the help of fellow Nobles from the Tripoli Shrine in Milwaukee where Mason's Father, Eric, is a member. Approximately 72 days after meeting with Shriners Doctors for the first time, and after multiple casts and physical therapy sessions, Mason began to walk on his own!

While his condition is still undiagnosed, staff continue to make improvements in Mason's independence and morale in our family couldn't be higher. Mason is able to walk and play at a level that we were unsure we'd ever see again.

Thanks to Shriners Hospital, Mason was able to WALK trick-or-treating this year dressed as his favorite super hero which is true testament to the work of the medical staff at Shriners Hospital.

We may only be a family of 4, but the Shriner community has made us feel like our family extends to all corners of the earth. Tripoli and Zor Shrine, have provided a network of support from medical care, transportation, friendship and Brotherhood which we know will help sustain us throughout this journey.

# THE 'KING' PRESIDES OVER THE GAME

"King" Mason Falkner presided over the 34th annual UW-Whitewater Shrine Football Game on Saturday, November 9, 2019 against UW-Stout. Thankfully the sun was out and the temperature was tolerable at about 45 degrees!

Just before the coin toss, Mason was presented a football at center field from, and signed by, the co-captains of the Warhawk Football Team.

As in past years, there was a fund raising raffle drawing before the game. The drawing was held at noon at Hering's Towne Inn in Jefferson. King Mason drew several of the winners before turning the duties over to Chief Rabban Barry Ausen. A record 8 Divan members were in attendance. Their support is much appreciated by Sahara Shrine Club (even though one from the Divan walked away with 3 checks!).

Last year \$7,100 was divided between the Chicago Hospital and Zor Transportation Fund. This year, through the generous donations by area Shriners and others, approximately \$12,000 will be distributed this year!

Thank you to all those who participated in the raffle through purchasing and/or selling the 500 tickets – 51 of which were

winners drawn. (How's that for odds...1 in 10!)

Thanks also to UW-Whitewater for providing the opportunity to participate at this

game, to benefit the children at the Shriners Hospitals for Children® in Chicago, and the Zor Transportation Fund.

# Sportsman Raffle and Indoor Ice Fishing Contest

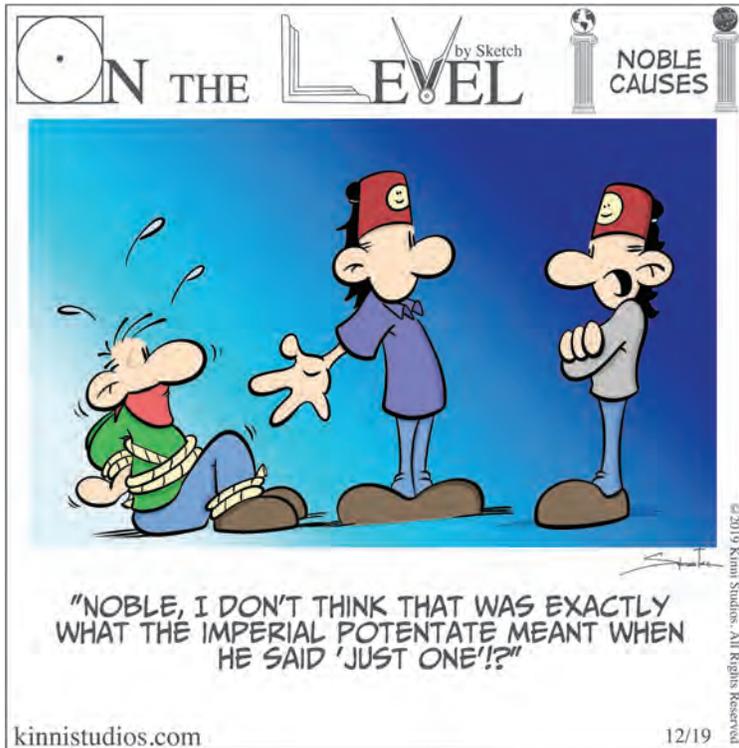

This was the first year in Eau Claire with Zor's Sportsman Raffle and Indoor Ice Fishing Contest and as you can see by some of the pictures we had a good turnout. There were many silent auction items, raffles, etc. There was even Green Bay Packer memorabilia thanks to partnering with the Gilbert Brown Foundation, along with the personal appearance of Gilbert Brown signing some autographs.

There was an increase in sales of pre-sold gun raffle tickets here as well even increase of tickets sold at the door. We even had a new partner this year for the guns, Scheels of Eau Claire, which everyone felt did an exceptional job.

The indoor ice fishing contest was a big hit with many ideas for next year. I would like to put out a big thank you to Mehara Shrine Club for the use of their building and all the hard work done by everyone. Also would like to thank all the Media as well as sponsor's vendor's for coming together to promote this event.

Looking forward to having bigger & better event next year.

~ Bruce Fransway

## Women's Auxiliary marks another successful Auction

*By Milt Helmer*

The Ladies of the Shrine Women's Auxiliary hosted their annual fundraising auction on Friday November 1st at Ready Randy's in New Richmond.

It was a large crowd of Shriners and their ladies and they did a fine job of bidding on the score donated items gathered for the event. The event brought in over \$8000 for the Shrine Healthcare for Children® in the Twin Cities.

In her report Amy Hering of the Auxiliary reported that the group has 600 stocking left over thanks to the generosity of members.

Amy also mentioned that pop tops are still being collected. The tops are sold and the proceeds to the wheelchair fund.

Due to the limited space she is asking that only smaller toys should be donated to the kids.

Again this year Auctioneer Gary Kruger did his usual outstanding job of raising money for the Shrine kids. The Nobles and their ladies collected baked goods, handmade crafts and items donated by the business communities of the St. Croix Valley.

*No Shrine Auxiliary Auction would be complete without handmade quilts. Pearl and Barry are shown displaying one of the fine home made creations. One of the quilts were donated to the auction by Gayle Trouten, the wife of Potentate Wally Trouten.*

## HOLIDAY SPIRITS CRAFT SHOW WAS HUGE SUCCESS

Nearly 100 vendor and craft tables were set up for the two day event. Free live music was performed by 6 artists on both days. Former Shrine patient Deb Williquette did a wonderful job promoting and organizing the event. Zor Funsters Nobles and Ladies assisted in year long organizing, set up and running of the event all weekend.

Bob Hering, Zor's representative to Shriners Healthcare for Children - Twin Cities, Board of Governors was in attendance. Over 100 raffle baskets were donated. The event has been growing by leaps and bounds.

A sizeable donation was made to the Shriners Hospitals for Children.

# HOW DO YOU SEE YOUR SPACE?

**Steve Livernash**  
CAPTAIN OF THE GUARD  
IMAGINEER'S PROJECT MANAGER  
prosticker@solarus.net

How much space do you have reserved as a Shriner? Negative space and positive space are constantly changing throughout one's life. A balance between the two is gratifying.

Your view of space is how you see things. As a reader you see these words typed on this page printed in black ink and it leads to thoughts. You are focused on the written word which is positive space. As a writer you start with negative space, a blank white background. Creating words and sentences to make a story. Changing white negative space over to positive by filling the page with ink.

When drawing, an artist draws the negative shapes they see to form the positive. It is easier to remember objects by their shape not the details within the object. Sometimes we focus so much on minor details we forget the big picture. We focus on problems and not the solutions.

Many young Shriners have families and kids that take up time. The available space of time to be involved in Shrine events is limited. Yoshi family events are appealing to young Shrine couples. As empty nesters or retirement approaches more time is available. A real positive use of time can be in helping others. Shriners do this best in our philanthropy. Reserving space for Shrine must come from within. Inspiration and fun will lead to more participation.

What Shrine event are you going to next? Have you reserved time this month for Shriner fun and fellowship? If you like to write or want to be a reporter for our Zephyr? Please come forth you are more than Welcome. Follow your passion. We have 45 clubs and units in Zor. "Be Creative...Be You!"

A New Facebook Page has been created named "Imagine That Communications Group". It provides Shriners an additional way to stay in contact with Nobles, their families, and friends young or old! Public Welcome. Open to anyone with passion for learning to overcome computer obstacles. If you have an idea or issue that you would like to see shared or discussed, let us know, and we will see what we can do to help you! New technology can be overwhelming and we will try to make it simple for you. "Where ideas of Imagination meet engineers of Technology!" We will have Zoom online meetings as well to help demonstrate an easier way.
