ZEPHYR

JUST ONE

Who are YOU going to ask to be a Zor Shriner?

From the desk of

Illustrious Sir

Wally Trouten

Platteville, WI • wwtrouten@yahoo.com

I have thought many times how fortunate we are being Shrine Masons. As Masons, we strive to become better men. Our Mission Statement includes statements as "We strive to make good men better men." We have in our vision "To be a relevant and well-respected organization that makes a difference, thereby improving the world for future Masonic generations." Brother and Noble David Ritchie brought this to my mind

in his latest article in the Wisconsin Masonic Journal.

A MESSAGE FROM YOUR ZOR POTENTATE

As we leave summer and move into fall, our journey continues. Kids are headed back to school and the fall sports are already in full swing. It has been an exciting and fun year for my Lady Gayle and I. Busy, of course, and it won't be slowing down as we head into fall and then winter. Lady Gayle and I have other clubs and units we want to visit plus other special events.

I know it seems to still be a ways off, but the December Ceremonial is just around the corner. I hope you have kept in mind Imperial Sir's membership goal of "JUST ONE". We need to have petitions completed and turned into the Zor office so that these candidates will be able to go through the Ceremonial. You too will want to attend.

Antioch Temple Daughters of the Nile had the pleasure of hosting the Supreme Queen from Daughters of the Nile, Dale Obernolte for an official visit at the Zor Temple. Beja coordinated a visit from Imperial Sir Jeff Sowder and his lady Cheryl at the Packer - Midwest Shrine Game in Green Bay. The Packers gave \$36,500.00 to Shriners Hospital for Children. The Potentates from Beja, Tripoli, Ahmed, and Zor were on the field for this presentation and the National Anthem. Speaking of football games, try to attend the games the events that surround the Shrine Games in River Falls and Whitewater that are coming up.

While we all believe the quoted statements above, what do each of us do to model this? Perhaps you've heard the statement that was given to a professional athlete who had stated that he isn't a role model. Well, whether one likes it or not, we all are. It is our choice as to whether we are a good role model or not. I am happy to say that the vast majority of us make the right choice and it is noticed. Not only by other Nobles, but by those in the communities we live and wherever we parade.

We have enjoyed seeing Shriners and Shrine Ladies working together. All Nobles and their Ladies continue to prove to me that "It's A GREAT Day to be A Zor Shriner"

SHRINERS INTERNATIONAL BYLAWS • ELECTION REGULATIONS, §325.11

§325.11(a) Electioneering. A candidate for an elected office in a Shrine temple may print, publish and circulate during the year he is seeking the elected office, a resume consisting of his educational background, his vocational history and his Masonic and Shrine record. Except as provided in the prior sentence, the printing, publication, circulating or distribution of resolutions, letters, telegrams, tickets, email or other devices, by a unit, club, noble, or group of nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the temple is prohibited.

§325.11(b) Expenditures Prohibited. The expenditure of money for gifts, favors or entertainment on behalf of a candidate for elected office is prohibited.

§325.11) Violation. For any violation of (a) or (b), the Imperial Potentate may suspend any offending noble, and he may declare the election of the officers void and order a new election.

ATTENTION ALL NOBLES • ANNUAL MEETING

Saturday, January 11, 2020 - 1:00 P.M.

Please be advised that the Annual Meeting of the Nobility of Zor Shriners will be held at 1:00 p.m., Saturday, January 11, 2020 in Hankwitz Hall, Zor Temple.

The business of the meeting will be to present to the body, discuss and vote, if necessary, on the following items:

1. Election of Temple Officers.
2. Adoption of 2020 Budget
3. And, any other business that may lawfully come before the body.

Wally Trouten, Illustrious Potentate

Attest: Bob Gorsuch, Recorder

"Appointments are for one year only"

When a Potentate's term of office expires, all appointments made by him during his administration TERMINATE, according to the Imperial By-laws.

Such appointments include ALL appointed Officers, members of committees and their Chairmen, special appointees, directors, and all members of the Potentate's Staff.

The Potentate has the power and authority under Imperial Shrine Law to replace every appointee; or he may, if he believes it to be in the best interest of the Shrine to retain appointees by reappointment.

Traditionally, for the sake of efficiency, many Nobles of demonstrated ability are continued in office or appointment by reappointment. But this is at the will and pleasure of the incoming Potentate. In no case can he be bound by his predecessor.

Some Nobles seek to perpetuate an appointment fictitiously by adding to the lettering on the Fez the year or years of their appointment. This is a violation of Imperial Law. The offending may be informed; but "...ignorance of the law is no excuse."

2020 Zor Annual Meeting And Officer Election

After lunch, the Ladies will have free time to shop or relax at the Shrine Center prior to the Installation. After the opening of the Temple at 1 p.m., the business session with all annual reports will last until about 3 p.m., at which

time the election of Officers will be held. Remember to bring your New Dues Card when you register to attend the business meeting.

UPDATE ON ZOR PROPERTY SALE

Zor has received a draft of an offer for the purchase of our entire property in Madison at the price we requested.

Initial review does not indicate any major obstacles to acceptance. Timing of the closing on the property could be as long as two (2) years. In the meantime a committee to come up with options for relocation of the Zor offices continues to meet. Their recommendations will be brought to the Zor membership for approval or denial. Further updates will be forthcoming.

Any questions on the land offer can be directed to Recorder Bob Gorsuch at 608-279-2139 (cell).

FALL

Ceremonial

December 7, 2019 • Radisson Hotel • La Crosse, WI

Illustrious Sir Wally Trouten and Lady Gayle have announced that the Annual Fall Ceremonial and Parade to Glory will again be held in La Crosse, Wisconsin at the Radisson Hotel on Saturday December 7th. We again have the honor of hosting our own Zor Noble, Imperial Sir Jim Smith, Imperial Chief Rabban and Lady Alice. We are also expecting a Grand Lodge officer.

All ZOR Shriners and their Ladies are encouraged to attend this annual event. This is a perfect opportunity to top line sign for a brother from your lodge to become a Zor Shriner. He and his family will then begin to experience all the benefits of being a Shriner more especially a ZOR Shriner. He will then be able to join a Club and/or Unit. His Lady may join Daughters of the Nile or Zor's Ladies Auxiliary. If you are not sponsoring a candidate this year you and your Lady are still encouraged to attend and join in all the fun activities of the Ceremonial day. If for no other reason than to meet the new Nobles, visit with old acquaintances and to make some new Shrine friends.

In addition to the Ceremonial / Parade to Glory there will be Men & Ladies Luncheon, Service Awards and the

evening Banquet. A marketplace will feature Vets' Patrol Masonic Items, Daughters of the Nile cookie walk, Aux. Raffle, etc. Clubs, Units or other groups wishing a table(s) in the marketplace must E-mail their request to jbh2010PGM@outlook.com. Please include the number of tables and chairs your group will need. We will do our best, but space is limited.

The meal coupon (next page) must be completed and submitted to Zor for your meals. **Deadline for meal reservations is 15 November 2019.** All late meal reservations will require a \$20 late fee per person.

One of them will be raffled by Daughters of the Nile at Ceremonial and another will be raffled at the Holiday Spirits Zor Funsters Event in October. We wanted to make bright colorful quilts with kids in mind and to honor Wally as the 2019 Potentate and also our father who was a Zor Shriner.

The mini car unit did a parade practice on Aug 25th so that our newest member Jorge Salgado could learn the parade maneuvers prior to the Jefferson parade.

SMALL BAG BUT BIG HEART

Several months ago while conducting a conference in Louisiana, Susan Delle Shaffette, the daughter of Noble Don & Lady Mary Fennie, had mentioned to a woman attending the conference that the Shriners collected can tabs and what they were used for. The next day the women brought her a bag of the tabs to help the cause. The picture below was sent to the lady with a thank you letter. As we see, the story tells it all and reaches everyone. Thanks for the tops, every little bit helps. Photo by Noble Don Fennie

Nerve transfer surgeries offer new hope for children

Among the first in the area to offer the treatment for acute flaccid myelitis

Max is a big fan of fishing. Last summer the 7-year-old spent many days going fishing with his neighbor. His family hopes he can fish again after a rare sudden illness left him unable to move one arm and temporarily paralyzed his legs. Acute flaccid myelitis (AFM) is a condition that can attack the nervous tissue and the myelin (the protective coating) of the spine nerves. Doctors at Shriners Hospitals for Children — Chicago took some of Max’s own nerves from his rib cage area and transferred them to his right arm. It is hoped the nerve transfer surgery will restore better movement to his right elbow and hand. Shriners Hospital is among the first to offer this technique in Chicago for patients with AFM.

“After a period of recovery, we take an inventory of nerve function using a combination of physical examination and nerve testing to see what’s working,

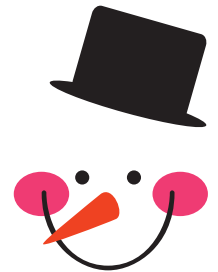

what the patient has that wasn’t affected by AFM, or that has recovered sufficiently and can be used to augment what isn’t working,” said Felicity Fishman, M.D., an orthopaedic hand and upper extremity surgeon at the Chicago Shriners Hospital. “It takes at least six months or longer to start to see if nerve transfers were successful because nerves regenerate slowly, about an inch a month.”

Shriners Hospitals takes a team approach to children with AFM. Two orthopaedic hand surgeons,

Dr. Fishman and Sameer Puri, M.D., work together in the operating room. A physiatrist and pediatric rehabilitation team provide support with medications and therapy, which Dr. Fishman says are an essential component of a successful result.

After taking a month to heal from surgery, Max has had regular occupational and physical therapy all summer to keep his muscles and joints flexible. His family is still waiting to see if the nerve transfer will allow him to fish or write using his right hand again. “It’s waiting and working and that will be the hardest part now for a whole year,” Max’s mom, Anna, said. She has already noticed small changes. “How he keeps his hand down. Before it was turned under and bent. Now his hand is more loose and straight. I’m so glad we came here.”

ANTIOCH TEMPLE NO. 113

Antioch Temple No. 113 enjoyed a special day on Aug 31st. The Supreme Queen, Dale Obernolte visited us for her official visit. We were excited to initiate Pr. Diane Amundson into our order. There were 2 visiting Queens and 35 other ladies in attendance. The dinner following was a great buffet, enjoyed by our Illustrious Sir Wally Trouten, Potentate of Zor, and his lady Gayle. A former patient at the Chicago Shrine Hospital spoke on her time there, over 40 years ago. It was so interesting, hearing about the many changes from years ago.

Attached is a picture of S.Q. Dale Obernolte, Queen of Antioch Judy Emerson, S. Pr. Royal Heather Krastins Lambert, and in the back row, Queen Kate Smith-Thompson, of Mat-Sha Temple, St. Paul, MN, and Queen Bonnie Kohn, of Beja Temple, Green Bay.

We will be having our annual Cookie Walk at the Radisson Hotel, La Crosse, at the Shrine fall Ceremonial, on Saturday, Dec 7th. The Antioch ladies provide all these wonderful cookies. Remember to stop by and enjoy the wonders of our cookies.

Shriners Grand Marshals are current Shrine patients

By Milt Helmer

The two daughters of Teri and Oliver King of River Falls who will lead the Shrine parade as Grand Marshals on October 19th in River Falls are different in many ways.

Eight year old Hailey is the more athletic of the two. She is into cheerleading, gymnastics and most of all volley ball. She longs to be a meteorologist when she grows up. She loves nature and the great outdoors.

Thirteen year old Olivia is the reflective one. She enjoys writing, drawing and music. In fact, she has written and illustrated her first book, which is now on the shelves of the Fox Den in downtown River Falls.

She and her sister also love performing in plays. Olivia appeared in the play "The Shadows" which has 5 performances at the River Falls Library in August. Both girls also performed in another play, the "Best, Worst Christmas" at a local church. Their father Oliver also appeared in that holiday production.

Olivia loves also golf and would like to become an author and illustrator someday.

Both Olivia and Hailey had issues that called for braces. Olivia was diagnosed with scoliosis when very young and the family was told to watch the condition. When she was four the condition was showing signs of worsening and she was taken to Gillette Hospital in the Twin Cities. She was fitted with braces. The brace was painful, but they were told it was necessary.

After the second brace and rising health care costs, Teri's mom suggested she look into Shriners Healthcare for Children®. She is now on her first brace at Shriners and the family is looking into therapy to replace the awkward brace. Oliver also suffers from a sensory problem which makes the brace even more uncomfortable to wear.

Eight year old Hailey suffered from a condition in which she was walking on her tip toes. This called for a brace from her foot to her knees. For the active youngster, it was hard to deal with. They are going back to Shriners to find out if there is other therapy that could be used to correct their conditions.

Both are now undergoing treatment at the Shriners

Healthcare for Children® in the Twin Cities.

Hailey just loved being at Shriners, saying "they have fun toys". She added she wished she could spend more time there.

The King family is originally from Illinois. They have traveled Illinois to Iowa to Minnesota and now in River Falls for the last 7 years.

The girls go back to school in September. Olivia in 8th grade at Meyer and Hailey in 2nd grade at Rocky Branch.

Both young ladies will be riding in the Shrine Parade and also be honored guests at the Potentates Dinner prior on Friday night prior to the game.

PARADE FUN

Potentate Wally Trouten with Nobel Ron Jaacks in the Platteville Dairy Days parade on Saturday, September 7th.

Dear fellow Nobles,

First – I would like to say THANK YOU for the privilege of serving as YOUR Imperial Potentate. Cheryl and I are extremely honored to be temporarily elevated to this position and we promise that we will work each day to try to make our fraternity and philanthropy a little better than the day before. Throughout my life, I have always believed that EVERYONE should belong to something bigger than they are so they can join with others to MAKE A DIFFERENCE. EVERY person can be that **JUST ONE** person who makes a positive difference in the lives of other people. I am honored to be working with each of you this year as we strive to MAKE A DIFFERENCE each and every day.

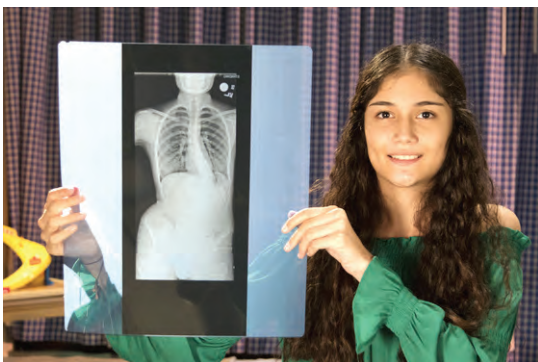

Shriners International

As we start this Imperial year, we need to make membership our #1 PRIORITY. We MUST rebuild our fraternity and our temple membership and we MUST take responsibility to get this important task done. I have only one simple request – that we ALL – every one of us – get **JUST ONE** new member during this next 12 months. If ALL of us – working together – focus on getting **JUST ONE** new member, either by creation or by restoration, we will see an IMMEDIATE impact on our declining membership.

We MUST look at everyone we come in contact with differently – those we work with – those we go to church with – the fathers and grandfathers of the children who attend the school that our children and grandchildren attend. We must ask ourselves “would these men make good Masons and Shriners?” We then need to not be afraid to ASK them about becoming a member of the world’s oldest, largest, most widely known and most widely respected fraternal organization in the world – FREEMASONRY – and then to become a Shriner and join us as an owner of 22 health care facilities that make up the world’s greatest philanthropy – SHRINERS HOSPITALS FOR CHILDREN.

I challenge each of you to always have your two-minute elevator speech on WHY you are a Shrine-Mason ready – we MUST be able to articulate the PRIDE we each have in our membership with each person we encounter.

We MUST be able to tell them about the miracles that happen every day in our hospitals and outpatient centers, and that we have made a positive difference in the lives of over 1.4 MILLION children and their families, all regardless of their ability to pay.

One final note – the Shriners Hospitals for Children Open golf tournament will be held Oct. 3-6 in Las Vegas. It is not too late to join us for this outstanding event. I would like to thank the OVER 400 Shriner volunteers that will be assisting us at the tournament. We have a GREAT field of golfers playing this year including Phil Mickelson, Brooks Koepka, Bryson DeChambeau and others. It will be a fun time in Vegas – hope to see you there.

Yours in the faith,

Jeffrey L. Sowder, Imperial Potentate

Shrine Officers elected; coming events announced

By Milt Helmer

Members and officers of the St. Croix Valley Shrine Club gathered at the New River's Edge Restaurant in Somerset, Wisconsin on Wednesday September 18th to not only elect new officers to lead the premier Shrine Club for the next two years, but also to bring everyone up to date.

President Roger Keller served as master of ceremonies of the meeting. He thanked his team of Board and committee chairman for an outstanding job over the past two years of his presidency saying "this has been a true team effort."

It was a nostalgic evening for Keller, who earlier in his working career had tended bar at the old River's Edge. He said "I got to work many of the Shrine stag nights long before I joined the Shrine."

Roger now has risen to a position in the State organization, the Zor Shrine Temple.

PGA Golf Tournament

One of the many things coming up was a special PGA Golf Tournament set for Oct 3-6 in Las Vegas. Noble Bob Hering, who is a member of the Shrine Board of Governors for the Twin Cities, said there will be 22 Shriners Hospital for Children® patient representatives throughout the country invited to the Nationally telecast PGA golf tournament.

According to Hering, this will be a rare "inside the ropes" opportunity for the kids to show how the Shriners Hospital has transformed their lives. Professional golfers will meet and greet Shriners, volunteers and spectators.

The Shriners Healthcare for Children – Twin Cities® will be inviting a young man named Isaac 14, of Neillsville, Wisconsin as their representative. Isaac was born with a limb deficiency of the left hand. He has been a patient of the Shriners Health Care –Twin Cities since he was 9 months old.

Over the years he has received everyday prosthetics as well as sport specific arms he utilizes in baseball, hockey, golf, fishing and weight lifting.

Isaac and the other patient's stories will appear on line, in the tournament programs and will be shared on Golf channels which will televise the tournament nationally and internationally, reaching over 700 million homes across 240 countries.

At the tournament the patient representatives will serve as standard bearers throughout the weekend, carrying the scores of professional golfers.

The patients are seeking donations to help send Isaac to the tournament. The St. Croix Valley Shrine club raised \$620 at their stag night to help in the effort.

One of the notable upcoming events being sponsored by the St. Croix Valley Shrine club will be the Little East-West Shrine Game held on Saturday Oct 19th in River Falls.

The week long activities begin with a special pork chop dinner for the football team of the Falcons of the University of Wisconsin –River Falls Wednesday October 16th at the American Legion club. Guest speakers will be Earl Gunderson, District 2 Deputy Grand Master of Masons in Wisconsin and Barry Ausen, Chief Rabban, of the Zor Temple in Madison.

The next event will be the annual Potentate's Dinner held on Friday October 18th at Junior's in River Falls. The grand marshals of the parade on Saturday, Hailey King and her sister Olivia, will be guests of honor at the banquet.

The Shrine club will host their traditional "Oasis" on Saturday October 19 beginning a 7:30 am. The parade line up starts at 9:30 and will feature numerous Shrine units from throughout the Midwest plus units from the UW-RF Homecoming.

The game kicks off at 1 pm at Ramer Field on campus. The parade marshals will be introduced prior to kick off.

New medical device for scoliosis treatment approved by FDA

Portland Shriners Hospital is one of the few hospitals with staff trained to perform innovative scoliosis treatment

A new medical device for treating scoliosis – curvature of the spine – has received FDA approval, providing an alternative that both corrects the curve and maintains flexibility in the spine.

Children worldwide are affected by scoliosis, and Shriners Hospitals for Children — Portland has an extensive scoliosis program designed to treat all forms of the condition, using every non-surgical and surgical option available.

Michelle Welborn, M.D., pediatric orthopaedic surgeon at the Portland Shriners Hospital, is one of only 12 current surgeons across the country certified to perform this innovative surgical procedure. Anterior vertebral body tethering (VBT) is a promising alternative for certain patients with scoliosis who meet very specific criteria, are still growing, and for whom surgery is indicated. VBT is an alternative to spinal fusion ..

“While VBT is not right for everyone, it is a great alternative to fusion particularly for those patients where preserving motion is critical, such as those patients with curves in their lower spine, athletes and dancers. Furthermore, recovery tends to be faster so patients can return to activities faster than they would following a fusion.”

The FDA’s clearance is for The Tether™, which uses patented methods and techniques developed by medical staff of Shriners Hospitals for Children — Philadelphia, and performed at the Portland Shriners Hospital. It is the first commercially available product used specifically for VBT.

How it works

Instead of using metal rods, VBT uses a strong, flexible cord to gently pull on the outside of a scoliosis curve to straighten the spine. A screw is placed in each vertebra of the curve and then attached to the flexible cord with the spine in a straighter position. Scoliosis progression is stopped, the spine is realigned and can continue to grow, and flexibility is maintained. As the child grows, it is anticipated that curve progression will be halted and the spine will remain straight.

The Tether straightens the spine using the patient’s growth process. The pressure from the cord slows the growth on the tall side of the vertebra, so that the short side can grow and catch up. This novel technology allows for both correction and continued motion at the levels of the spine treated, unlike fusion surgeries. As an emerging treatment for a small patient population, this system is being made available through the FDA’s humanitarian device exemption (HDE) pathway.

Customized treatment

Whether a child has common idiopathic adolescent scoliosis or a highly complex spine

deformity, they deserve an individualized treatment plan utilizing the most advanced and innovative techniques. The spine team at the Portland Shriners Hospital takes a fully integrated team approach to the treatment of pediatric spine conditions, with a focus on early detection and fusionless treatments for the growing spine, as well as offering minimally invasive and advanced surgical techniques for those children who do require spinal fusions.

Fast facts: Scoliosis

The key in all care and treatments of scoliosis is prevention; the earlier detection happens in children and adolescents, the better possible outcomes.

There are many types of scoliosis:

- Neuromuscular scoliosis, related to underlying conditions affecting the nerves, including cerebral palsy and spina bifida
- Scoliosis associated with a syndrome or other condition such as Marfan syndrome
- Congenital scoliosis, associated with malformed vertebra (bones in the spine) and/or ribs
- Idiopathic scoliosis, not related to another condition

About anterior vertebral body tethering

- As with all medical care and procedures, results differ based on individual patients
- Patients who opt for the tethering procedure can return to their routine activities, including sports, after about one month. In comparison, after a spinal fusion, it can take six months to a year to reach that point
- Tethering may be an option for adolescent patients with scoliosis for whom wearing a brace is difficult for physical and/or psychosocial reasons

Being a Hospital DAD is one of the fundamental activities of a Shriner. Zor Hospital DADS are Nobles from around Zorland. They selflessly sacrifice their time to transport children, from their area, to appointments at either Shriners' Hospital for Children - Chicago or Shriners Healthcare for Children - Twin Cities. It may not appear that it would, but when the day is done you feel as though you have received the ethereal wages of a Master Mason. If you want to prove this statement wrong please contact the hospital van coordinator nearest you.

WHAT IS THE DIFFERENCE?

What makes the difference between Shriners units and other parade units?

from the curb. People from all over the world and neighboring states vacationing and watching one of the most premier parades in Wisconsin. Many floats, marching bands and unique acts throughout the event. The Zor Shriners were well represented with our Zor Mavericks, Funsters and Midgets. The parade progresses forward with each band and float entertaining the crowd with blowing horns, waving or throwing candy. Then come the Shriners. Well, first off, they are going the wrong direction. The Shriners backtrack more than any other unit in the parade. Secondly, it's like going to two parades for a Shrine unit for amount of pavement covered. Tricks, thrills and driving skills are demonstrated with crisp moves. People laugh and cheer loudly. Bubbles, circus music and clowns interacting with the crowd. Emotions are high and full of smiles.

Everyone leaves after a parade with a feeling of being entertained and look forward to next year's exciting event. The bands representing their communities, business floats hopefully gaining impressions for the sale of a product. Promotions of upcoming events and festivals. The Shriners? What do they gain? Well, you could say exposure for Shriners having fun while helping children. The fun is seen by all. The meaning of why we are there isn't always projected to the crowd.

After the parade as we were loading up equipment in the Funster trailer, we waved to the other Shrine unit guys passing through with their units. Then a beautiful young lady approached us along with her Mom and Aunt. Here on vacation from Missouri. Walking

Nobles Jacob LaBlanc, Bob Calverley and Steve Livernash with smiling Avery from Missouri.

up with two prosthetic legs. Avery, her given name, and patient at Shriners Hospitals for Children – St. Louis. "Thank you, guys, for what you do, and for me these" as she looked down to her new legs accompanied with a smile on her face from ear to ear. We talked with her for a few minutes. Her Mom so appreciative. Avery walked away waving back at us with a warm smile.

Yes, grown men can smile and tear up at the same time, not because of hurt, but from a feeling of pride, knowing what you are doing is right. Of the thousands of smiles we seen on the parade route that day there is one permanently burned into our memories.

The difference between the Shriners units and other parade units? All seen as colorful acts of entertainment by the crowd. Sirens, drums, and political signs looking for impressions as each pass. The Shriners are different like our 1902 Flint, a horseless motorized carriage. May not see a horse or the Nobles behind the makeup or mask as we idle forward for a cause. An underlying philanthropy of having fun and helping children. No matter which direction we are going on the street it is always the right direction in our hearts. Unseen by the crowd or experienced by other units after the parade was the reality of why we were there...found in a beautiful smile as she gracefully walked up to us. Thank You Avery!

Great Gift - Great Cause

I love autumn the season of the year that God seemed to have put there just for the beauty of it.

And when it is time for the leaf to gracefully leave, it knew life was a gift.

Thank you Gayle
