INTRODUCTION

Williams & Associates, LLC is a Minority Owned Small Business located in Atlanta, Georgia. Williams & Associates, LLC is a community centered company in a HUBZone that will offer cost-effective solutions for client services in local, state, federal, and private sectors. We are a private Information Technology and professional services firm with clients in the United States and abroad. We provide a portfolio of services and several proprietary products which are designed to increase productivity and leverage technology to enhance efforts in the healthcare marketplace. **W & A** is in a partnership with Compliance Software & Solutions Group, Gold Standard Government Contracting, Diligent eSecurity, and 28 Management Solutions to provide healthcare, IT services, and a compliance software solution to both the government and private sector.
