

Global Diversity Research Council

BUILDING CROSS-CULTURAL UNDERSTANDING OF THE EVOLVING CONCEPT OF 'DIVERSITY' & UNIQUE PERSPECTIVES OF DIVERSE GROUPS THROUGH

research

publications

education

Scholars, researchers and education professionals across national cultures & diversity groups join in collaboration to research, publish and educate on diversity. Activities span examinations of:

- native cultural experiences & wisdom
- specific diversity topics
- experiences & insights from expatriate roles

The network is comprised of independent individuals with no direct affiliation or obligation to the founding organization.
