PORT NUMBERING:

The network is trying to standardize Node Port Numbers for ease of navigating and mail Forwarding. At this time, the following Port numbering is preferred: Port 1 = UHF Backbone; Port 2 = VHF; Port 8 = AX/IP; Port 9 = Telnet

CALLSIGN SSID:

The following SSID# is accepted convention:
Callsign-2 = BBS/Mail; -5 = CHAT; -10 = RMS; -15 = Network

COUNTY EOCs SERVED BY HAM VOLUNTEER NODES

Serves Penobscot, and Washington Counties, and connects to Canadian Packet Networks

Serves Kennebec County and State of Maine EMA (MEMA)

Serves Androscoggin County

Serves Sagadahoc & Lincoln Counties
