WHY MICHELLE'S LOVE

Since its foundation in 2012, Michelle's Love has provided over \$1,780,000 in program assistance to 289 families in the Portland-metro area. As our referrals continue to grow, so does our need for funding. With housing payments on the rise, our main objective is to keep families in their homes. Michelle's Love is unique as it provides tangible, individualized care while most cancer-driven nonprofits are searching for a cure.
