

## MICHELLE'S LOVE

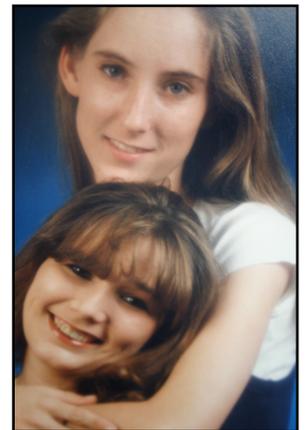

2017

### 501c3 Charity Annual Report

Providing for single mothers during cancer treatment.

Through volunteering and donations, **Michelle's Love's Mission** is to help relieve the stress of single parents undergoing cancer treatment. Our organization strives to ease daily responsibilities by offering financial relief, house cleaning, and nutritious meals, allowing parents more time to heal and spend with their children.

Every year we are able help more mothers during treatment. In 2017, we expanded to Michelle's hometown of Phoenix, AZ. We have a solid support system and feel good about taking Michelle's Love home. We have also started paying complete rent/mortgage checks for the parents we help. This has been a dream in the making for twelve years. Together with your help we keep moving in the direction of LOVE. We continue to keep operation and fundraising costs low so your dollars go towards helping our Moms. It is our personal mission to continue on this path, so that each year we grow in the right direction. Thank you for choosing to volunteer and donate, making 2017 our most successful year yet!

"You have moved me. It isn't easy to keep momentum going to honor a friend. I have several charities that I support, but the simplicity of yours got my attention."

**"The relief Michelle's Love provides, gave me time and energy to spend with my kids."**

*Please let us know if we have not followed through on a matter or not gotten you a donation receipt. We try really hard to keep up but realize things may unintentionally fall through.*
