

2020 Michelle's Love Annual Report

What a year for all of us! In March of last year, many of us were feeling anxious and uncertain. For us, the fear of the underlining conditions of the families we serve gave us a heightened awareness.

After meeting Kanisha on March 9th, we put a pause on meeting new families and volunteer opportunities. We did not meet a new family until Shala on June 30th. Still in those four months, we provided \$38,000 in assistance. During the great toilet paper shortage, we put fifty-two \$100 Fred Meyer gift cards in the mail to our families, with a love note stating that we were thinking of them and to reach out if they needed us. Two families contacted us, and we were able to provide additional mortgage assistance.

What stood out in 2020 were the personal donations. Covid-19 did not stop financial support from our regular donors and for that we are truly grateful. Facebook continued to amaze us. Our donate button was hit 969 times, raising \$43,945. Sharing our page and posts definitely works and gives us a platform that we could only dream of.

Donations were down 21% from 2019 due to lack of corporate and outside fundraising. This is because we were not out shaking hands with new donors and supporters were not hosting their own fundraisers. Now in 2021, we are slowly getting back into our groove meeting new families and home cleanings. We are hopeful that we will be prepping meals together, cleaning homes without masks, and taking care of more families by 2022.

This report does not reflect every volunteer and donor. We see you and we will be working hard in 2021 to keep a more detailed record of our donors. If we have missed a proper thank you, donation receipt, or acknowledgment in any way, please reach out.

Thank you for all your continued LOVE and support. You make Michelle's Love go 'round!
