# Official handicap (WHS)

Your handicap is managed by your **national federation**, and our system helps you and them stay on top.

- See your complete **handicap record** including active 20 rounds and **best 8** scores.
- Export a **handicap certificate** if needed at a course or event.
- Post an **external round** on any of our courses around the world and keep your handicap updated.
- Admins and the **handicap committee** get automatic notifications about your rounds and have options to accept or reject them.

Do all these and more from your phone app or browser...

Thank you!

Your first point of contact is always your home club or your federation, but if you encounter any technical or usability issues with our platform, do not hesitate to tell us.
