1 • Interest rate caps, participation rates are subject to change

- After the contract is issued, the account value remains in a holding account receiving the guaranteed minimum interest rate, until it is transferred to the allocation options on a sweep date (currently the 14th and 27th of each month). Paperwork and all premium must be received good order one business day before the sweep date for the account value to be transferred on the current month's sweep date (two business days before the sweep date if it falls on a weekend). Otherwise, the account value remains in the holding account until the following month's sweep date.
- For cash with application, the interest rates, interest caps and participation rates will be those in effect on the contract's sweep date.
