Dear *First Name*,

You've spent your life creating a legacy of love, memories, and care for your family. But final expenses — funeral costs, medical bills, and other end-of-life costs — can easily add financial stress during an already emotional time.

Final Expense coverage is designed to:

- Pay these costs directly to your loved ones
- Lock in affordable rates that never increase
- Provide lifetime coverage that can't be canceled as long as premiums are paid

It's quick and simple to get started — no medical exam required, and approval is often instant.

📞 Call me at *Phone Number* to learn about your options. There's no cost or obligation - Let's make sure your legacy is one of love, not bills.
