To My Hooyo,

*In the midst of darkness, I see her light,
My African mother, strong and bright.*

*Her love like the sun, fierce and bold,
She guides me through stories untold.*

*With grace in her stride and wisdom in her eyes,
She holds all of my fears, through the coldest of nights.*

*An African mother, her love knows no end,
A treasure, a blessing, my eternal friend.*

*Today her presence remains, in each recipe,
As I pass down my Hooyo's beautiful
legacy.*

Welcome to Hooyo's Kitchen & Poetry.
