**Saturday, June 17th | 8am -12 pm or 1pm - 5pm**

There are open spaces for the afternoon session.

This course is open to all islanders.

Reserve your spot by contacting us at [admin@deb.team](mailto:admin@deb.team)

Sign up for the afternoon session and have the opportunity to refresh your skills AND engage with the SJC Interagency Team.

### **The San Juan County Interagency Team**

The SJC Team will be on island conducting a drill on the afternoon of June 17th.

This volunteer team is planned to mobilize from Lopez for the exercise. Participants will have the opportunity to interact with them and establish rapport, which is vital since they are likely to be some of the first off-island responders in the event of a major incident.
