<ul style="list-style-type: none"><li>• All ages welcome</li><li>• High- and regular-dose available</li><li>• Children eligible as early as 6 months old</li><li>• No charge this year</li><li>• Register for walk-in appointment</li></ul>	<ul style="list-style-type: none"><li>• Must be 12+ years</li><li>• Must have had primary series (first two doses)</li><li>• Must be at least 2 months after last dose</li><li>• Register for scheduled appointment</li></ul>	<p>Please call Nicole Givan, RN @ 360-774-9014 to arrange for routine childhood vaccines.</p>

To register for appointments, scan the QR codes above or visit:  
<https://prepmod.doh.wa.gov//appointment/en/reg/6012721969> (for COVID)  
<https://prepmod.doh.wa.gov//appointment/en/reg/1912296071> (for FLU)

We are pleased to announce San Juan County will be hosting a free COVID Bivalent Booster and Influenza Vaccine Clinic on Decatur Island.

Additionally, if there are any children that need other vaccinations as part of the recommended vaccine schedule, SJC can provide those as well. Contact info is listed on the flyer to make arrangements.

**Pre-registration is required.**

### **COVID Bivalent Booster and Flu Vaccination Clinic**

**Date:** Wednesday November 2<sup>nd</sup>, 11am - 2pm

**Location:** The blue boat storage shed south of the school.

**Cost: \$0.** Provided by San Juan County. There is a question about insurance on the online form, but this is not required (the question is a remnant of a template that cannot be removed). You may either select private insurance and not enter any information or select no insurance from the drop down menu and save to move to the next screen.

**Scheduling:** In order to organize the appointment times piece a bit better, SJC has made some adjustments to scheduling:

- If you are only getting the flu vaccine, you can walk up during the open hours of the clinic and SJC will work you in.
- If you are only getting the Covid-19 booster you will have an appointment time.
- If you are getting both, please pre-register for both and show up at the time for your Covid-19 booster. There will not be two appointment times if someone is getting both flu and Covid-19 booster.

We appreciate your patience during the clinic. SJC will do their best to be most efficient.

### **Registration:**

When registering, the site page heading will read "San Juan Site 11/2/2022". Please don't worry, this is for Decatur; the appointment confirmation when completed will clearly list the address as Boat Storage Shed, Decatur Island.

**To register for the COVID Bivalent Booster Vaccine:** SJC will only be offering Pfizer at this clinic, as that is the most versatile approved for 12+.

- Scan the QR code, type in the link listed on the bottom of the flyer or click [here](#).

### **To register for a FLU vaccine:**

- Scan the QR code, type in the link listed on the bottom of the flyer or click [here](#).

- If you are unable to register online or need assistance in navigating the system, please reply to this email. We are more than happy to assist.

For more information on vaccines visit: [Vaccine Preventable Diseases & Immunizations | San Juan County, WA](#)

If you have further questions please reply to this email.

Please forward this email to anyone on the island that you think may be interested and may have not been included. If you are not on the direct mailing list please reply and ask to be added.

*Best,*
