

**GREAT NEWS - we asked and our community supported!
The \$10,000 goal has been met!**

THANK YOU TO ALL THAT DONATED!

This was the first fundraising initiative since 2018. The funds raised by DICERA at that time (approximately \$30k) generously facilitated the purchase and fabrication (\$20k) of the two newest trucks. The balance of donations have been invested in professional training of our island brigade.

Raising this next \$10k is an important milestone for continuing to build out the trucks and continue expanding the training efforts.

If you had planned to donate, please feel free to do so; your donation will be used efficiently and effectively for other needs to help this community led project.

**THANK YOU TO ALL THAT DONATED.
THANK YOU TO YOUR 52+ NEIGHBORS THAT HAVE COMPLETED INITIAL
TRAINING.**

And thank you to DICERA for hosting our 2021 fundraising efforts!

*Best,
Alan Mizuta
Randy Stricker
Mark Wall
Andy Wood*
