Subject: 3rd and Final Vaccine Clinic Communication

Hello Again Islanders-

Thank you for your patience in receiving a third communication related to the vaccination clinic being held on Decatur Island. If you are **not** interested in this clinic, please feel free to delete.

San Juan County has asked us to notify you that with the approval of a Moderna Booster, San Juan County will now be providing **MODERNA booster shots** (along with Pfizer). You are able to sign up on the county Vaccine Online Portal. To do so, follow the directions provided in earlier communications and outlined below:

There are only 24 available appointments for the Moderna Vaccine- if you go to register and they appear full, please contact SJC at covidvacinfo@sanjuanco.com to see if vaccine supplies can accommodate.

To register for a COVID Vaccine:

-Go to: <https://www.sanjuanco.com/1737/COVID-Vaccine-Info>

-Scroll down and select "Outer Islands"

-Under DECATUR ISLAND, select "Pfizer" OR "Moderna" for booster OR "J&J" for vaccination.

-Select appointment time.

-Continue to follow prompts to register.

Please note: SJC is asking participants of this clinic for your patience.

This vaccine clinic is providing Pfizer and Moderna Booster Vaccines, J&J vaccines as well as FLU vaccines, all within a two hour period of time and overlapping with one another. Those that are registered for a COVID and FLU vaccine, SJC plans to administer both at the same time (even if appt. times are different). Even though there are specific appointment times, there are many moving parts to deliver and your patience is requested. The county is committed to ensure all vaccinations are administered to all registered Islanders.

As a friendly reminder, to register for a FLU vaccine:

-Go to: <https://www.sanjuanco.com/1856/Flu-Vaccine-Clinics>

-Scroll down and select "Outer Islands"

-Under "Decatur" Select "CLICK HERE"

-Select appointment time.

-Continue to follow prompts to register.

If you have questions, please reply back to this email and we will answer or direct you to our San Juan County partner.

Best to you all,
Alan Mizuta
