

# Albertus Magnus Hockey Teams to Support Local Youth Skaters

Posted: Apr 16, 2026

**NEW HAVEN, Conn.** - The Albertus Magnus College ice hockey teams will be in attendance to support local youth skaters during the 3-5 p.m. Open Skate sessions at the Ralph Walker Skating Rink on Monday, April 20 and Tuesday, April 21.

During the course of the last several years, both ice hockey programs have given back to the local community in an effort to grow the game through an array of initiatives in partnership with the City of New Haven.

The men's ice hockey team concluded the 2025-26 season with a final record of 16-10 and qualified for the United Collegiate Hockey Conference Tournament. Playing in just its third season, the women's program capped the year with a 16-10-1 mark and reached the semifinals of the UCHC Tournament.
