SKATING SCHOOL 2025 – 2026 Season

The Skate New Haven Learn to Skate Program is a structured skills progression, which focuses on the development of a strong working knowledge of the basics. This foundation will enable the skater to master the more complex levels that lead to other disciplines, such as hockey and figure skating, or a lifetime of recreational skating and family fun!

Every skater's progress is recognized with the award of test pin(s) at the completion and mastery of each level. Add-on classes are an opportunity to participate in more targeted and specialized classes, in addition to the general class curriculum. These classes are offered as an introduction to interpretive skating, choreography, team events such as Theater on Ice and synchronized skating, as well as ice hockey, edge classes and more!

Included in your all inclusive enrolment:

30 minutes of class time plus 30 minutes of practice time, 60 minutes on the ice each session!

Free use of rental skates at every class and Membership in the Ice Sports Industry
