

Business Donation Form

The Santa Rosa Bear Cubs Basketball Club is a year-round youth AAU basketball organization that supports both boys and girls. The club is family oriented, owned and operated. The goal of the organization is to not only teach the fundamental skills of basketball but also to teach life skills. We believe that participation in basketball, and sports in general, provides much needed exercise but also teaches the youth to understand the importance of sportsmanship. Winning is wonderful and we all love to win but learning how to lose is just as essential. Every day we face obstacles and some days are better than others. The same goes for playing basketball. We have good games and bad games. We strive to provide tools to help assist on the basketball court and to also assist with daily life.

This year we are turning to the community and our extended families to ask for support. We are asking for donations to offset fees and expenses for some of the families of players who cannot afford to play. Unfortunately, our budgets are not adequate to cover all the expenses as we strive to keep the fees low. None of our coaches are salaried employees, they are all volunteers that donate their time to ensure all the players have the opportunity to participate. In the past, although we have held fundraisers, coaches needed to contribute money from their own personal funds to help cover the team expenses.

Some expenses associated with the league are gym rentals fees, uniform fees, tournament fees, travel fees and training equipment.

If you could help us with a donation of any amount, it will be greatly appreciated and will help to cover the costs of team expenses for the entire 2018 season.

With the generous support of organizations like you, we will be able to help many of these families and the kids to enable them to participate in a productive activity that encourages team work, self-confidence and personal development.

Thank you again, and we look forward to your support.
