Explore, Learn and Grow  
with Kalpavruksha where  
every child's potential is  
nurtured and celebrated

## About Us

Kalpavriksha Yuva Kala Kendra, an initiative of Sri Hayagreeva Vidhyadayini Trust, promotes excellence in academics and extracurriculars. We believe integrating these with cultural and traditional values is essential for holistic development of child.

We believe that our children and youth are the future of our nation. Our commitment to nurturing each child's unique strengths inspired the creation of Kalpavriksha Yuva Kala Kendra.

Our comprehensive approach integrates academics, culture, tradition, ethical values, and skills development to foster lifelong learning, nurture responsible and self-motivated individuals, and empower them to uphold ethics and values.

Explore, Learn and Grow with Kalpavriksha where every child's potential is nurtured and celebrated.

We offer a diverse range of activities tailored to enhance children's skills, foster creativity, and promote holistic development. Our programs cater to various interests, from arts and language to physical fitness and STEM, ensuring a well-rounded growth experience.

## Category 1

Language & Culture Explore and connect with India's rich heritage through essential language skills, cultural appreciation, and traditional practices. Develop reading, writing, and speaking abilities in regional and foreign languages, engage with storytelling and plays, learn Sanskrit shlokas, and develop knowledge about India's rich history. **Celebrate and understand the vibrant tapestry of language and culture with us!**

## Category 2

Healthy Living & Fitness Embrace a balanced lifestyle with our holistic wellness programs, including Yoga and fitness routines to enhance health and mental ability. Learn healthy eating through fireless cooking classes and nutrition workshops. **Transform your well-being with us!**

## Category 3

Creative Arts & Crafts Foster artistic expression through drawing, painting, pottery, and DIY projects with recycled materials. **Discover the joy of creativity and expression with us!**

## Category 4

Explore music, vocal training, and dance to develop rhythm and coordination, and engage in imaginative play with role-playing sets. **Bring out the star within yourself.**

## Category 5

Academic Enrichment & Development Enhance skills with Abacus training, Vedic Mathematics, and STEM activities that will help the child to apply classroom knowledge to real-world scenarios. Develop cognitive skills through puzzles, construction, and personality-building sessions, and foster a love for reading with engaging book clubs. **Join us for a journey of academic excellence and personal growth!**
