

## SURVIVING WITH A CONSCIENCE (Theme – food)

### **HAIKU**

No money at home

Starving children left alone

Please give. Save a life

### **CINQUAIN**

Rumble

Empty stomach

Give me food, good lady

Eating now, you're so kind. I'm safe

No sound

### **LIMERICK**

There was a young lady from Torquay

Who loved a real bacon butty

She made friends with a pig

Which made her just think

And now she's a veggie, and meat-free
