

## **Dishes Served Cold**

### **Funny food**

Cabbage:

The one word to

Guarantee the crack of

Deadpan smile across lips of the

Boy child.

### **Recipe for disaster**

Blend one large sour grape

With error and misfortune

Allow to fester

### **The Food Critic's Lament**

I don't really mean to be rude

But there's something awry with your food

I said to a chef

I'd hoped to be deaf

And now it is me being stewed
