Dear God

I have prayed to you all my life but have yet to receive a reply so I thought I would try writing instead. I know you must be very busy but I do hope this letter will reach you wherever you are.

I have to say that with all the problems in the world, I find it hard to believe in you. Yet, when I see a new born baby, a flower or a rainbow – just to mention a few of the many beautiful things in life, I feel there has to be something or someone out there who has made all this possible.

If not you, then who? A big bang? I don't think so.

Would it be too much to ask for some proof that you exist – a reply to this letter would be a start.

Warm regards

Your agnostic friend
