

## HOLIDAY QUIRKS

### LAZY DAYS

Seagulls squawk and swoop  
Fishermen pull in their catch  
Sunsets end the days

### ON THE BEACH

Sand blows  
Crabs pinch my toes  
Ice creams melt in the sun  
Holiday flats, kiss me quick hats  
What fun!

### NAKED TRUTH

A girl was flying her kite  
It was an unusual sight  
The wind was so strong  
It ripped off her thong  
She wished it had happened at night
