

HUMANITY

by Sumi Watters

The world is changing for the better.

I want to believe that

But at the end of the day

When darkness descends

I sometimes struggle to see the light

I am a cynic

I no longer believe that

There is hope for humanity

And people are genuinely good

Love makes the world go around

Is far from the truth.

Let's just say,

Mankind's destiny is to fail

You heard it here first.
