

## FINDING PEACE IN THE WOODS (Theme – nature)

### **HAIKU**

The raging wind blows  
Echoes through the angry land  
Calm woods. Peace at hand

### **CINQUAIN**

Lonely  
Left in the woods  
Soft sound of chirping birds  
In my true home on Mother Earth  
Found peace

### **LIMERICK**

There was an old man lived alone  
And the woods were his very own home  
People said he was mad  
That made him feel sad  
Till he met his true love, Mrs. Gnome.
