Firepower Displays Unlimited  
Attention: Gary  
14240 SW 256<sup>th</sup> Street  
Princeton, FL

Dear Gary,

Again, I would like to thank you for the display you put together for us for June 13 of this year. With my limited budget, I was not expecting the wonderful display we received. Everyone present at the Park that night was extremely complimentary.

We are still receiving calls about the display. They want to know why we did it and what company did the display for us. You can be assured, I will be recommending you to anyone that asks. In fact, if I can fit it into our budget, I would like another display later this year. I will be contacting you in the fall.

I thank you again for your hard work and your staff being as great as they were. A special thanks to Sheryl who talked me through my fear of not getting the permit!

Sincerely,
