Re: Fireworks show at Marco Island- 7/4/2011

Dear Gary,

Thank you for another great fireworks show!

This is the 6th year that I have worked with your company for the island's 4th of July fireworks shows. In each of these years your company has delivered a quality show and the staff has been fantastic from the beginning of the negotiations to the completion of the show.

Shooting shows from a barge in the Gulf of Mexico presents some challenges which not many companies can handle. You will remember that in 2007, because of a prior commitment, Fireworks Displays was not able to do our show. We had to hire another firm. Despite some impressive credentials, that firm experienced numerous problems related to the barge and operating in the open ocean and the show was incomplete and very disappointing. We were extremely glad to be able to engage your firm for the following year's show.

Thanks again to you and the whole staff of Fireworks Displays. We are very appreciative of your efforts and professionalism.

Best regards,

Bob
