**Dear Gary:**

***ABSOLUTELY SPECTACULAR***, that's the only words I can use to describe the fireworks display you provided the City of North Lauderdale for North Lauderdale Days 2007.

For the past 10 years Firepower has been proving the fireworks for our North Lauderdale Days Festival and while every show has been spectacular, this years show with the new features was the best yet and we look forward to your future shows. Since the event, I've had nothing but positive comments from the residents and City Commission about the event and fireworks show.

Again, thank you for a great show.

Sincerely,

  
Richard D. Sala
