Dear Mr. Avins:

On behalf of The Parks Foundation of Miami-Dade, I want to thank Firepower Displays Unlimited for putting on an amazing show at the 4th of July Spectacular at Black Point Park & Marina in Cutler Bay, Florida. The fireworks were impressive and so was the professionalism and courtesy of your staff.

Thousands of residents in South Florida turned out for this amazing display, and we continue to receive positive feedback. Your ability to deliver helps us provide sponsor partners a return on investment as we work to support Miami-Dade parks and parks programming.

We're already looking forward to next year.

Sincerely,

Dick Anderson
