DRESS; ETIQUETTE; and SAFETY:

- While it is strongly recommended that everyone wear a helmet when riding, it is **REQUIRED** of anyone **UNDER 18 and ALL jumpers**. Please dress appropriately and safely when riding (no shorts, no sport bra type tops, no sandals or bare feet).
- Only ride in a ring with a lesson in progress if no other space is available and if okay with the instructor giving the lesson.
- Limit time in wash/grooming stalls to 10 minutes when the barn is busy. After using the grooming stall or wash stall, please leave it neat and clean for the next person. If your horse leaves a “gift”, please clean it up as soon as it happens – don’t leave without cleaning up. You will be given two warnings if you don’t clean up your “presents” (this includes mane, hair, hoof trimmings, poop, hoof debris, etc.) With the third warning you will be charged with the \$5 fee per incident. *If it came in with your horse, take it out with your horse... or put it in the appropriate place!*
- Children need to be supervised by **adults** for their own safety and for the safety of riders and horses. **No running or yelling in or around the barn and arenas.**
- Dogs need to be on a leash or otherwise restrained to avoid spooking horses. No dogs allowed in the lounge area. Please keep them away from the petting zoo animals.
- To our smokers: **Absolutely no smoking in ANY barn.** Smoking at the main barn must be done outside the facilities. Cigarette butts **MUST** be thrown away outside in the large trash dumpster. A barn is a very dangerous place for fire, it is not worth the risk to personal or equestrian injury.
- Long Creek Equestrian Centre’ is YOUR barn. Help us keep it looking nice as well as functioning smoothly. If you have any concerns or questions, please speak with a staff member.
