What is Spoonfuls of Plenty?

Spoonfuls of Plenty is designed to provide a good, home-style meal to those who may be struggling to make their food budgets stretch.

Spoonfuls of Plenty originally began as a monthly meal in July 2010. It is coordinated by HDC and has become a community supported program, with many organizations, churches and individuals joining forces to help feed our hungry neighbors.

Spoonfuls of Plenty began serving meals each Wednesday and now provides over 10,000 meals annually.

How Can You Help?

Feeding the hungry! That is what Spoonfuls of Plenty is all about.

We have had a terrific group of supporters in our community step up to sponsor a meal(s). Ranging from, churches, banks, hair salons, business owners, automotive businesses and private donations, too.

But, if we do not have sponsors, we do not have Spoonfuls of Plenty.

How Can You Help?

If an entire meal is not an option for you, you can be a "shared sponsor" with another organization. We can help set that up. Another alternative would be to do a food drive, asking for items specific to a particular menu (ie, pasta, sauce and a selected vegetable).

If you or your group is interested in sponsoring a meal, please complete the back side of this form and mail to:
