PATIENT RESPONSIBILITIES

As a partner in your healthcare, you have the following responsibilities:

1. I will provide accurate health information to your doctor and update us with any health changes.
2. I will schedule routine physical exams and other health maintenance exams recommended to me by my doctor (Pap smear, mammogram, bone density, colonoscopy, routine blood tests, immunizations, etc.). I put myself at risk for not detecting other medical diseases if I only see my doctor for immediate problems. I will make appointments with my doctor to discuss routine health screenings.
3. I will follow treatment plans recommended to me by my physician, including completing testing, making an appointment with a specialist, and taking my medications. I will be sure to clearly comprehend any treatment plan and ask questions when I do not understand. I understand that *not* following my treatment plans may put my health at risk.
4. I will keep my appointments and reschedule any missed appointments. I understand that my doctor schedules these appointments to follow up on my response to treatment and to monitor my medical conditions. During these appointments my physician may order tests, refer me to a specialist, change my medications, and diagnose a medical problem. If I do not follow up, I may put my health at risk and may have medical conditions go undetected.
5. I understand that the goal of the office is to provide me with test results in a timely fashion. If I do not hear from the office, I will call the office for test results. I understand that not hearing from the office about a particular test does not necessary mean that the test result is normal.
6. I will inform my doctor if my medical condition changes, does not improve, or worsens. This will allow my doctor to re-evaluate my condition and make changes in treatment. If I do not inform my doctor, I may put my health at risk.
7. I will take charge of my health and make positive choices for my health including not smoking, not using illegal drugs, eating a healthy diet, and getting appropriate exercises.
8. I will treat all providers and office staff respectfully and courteously.
9. I will fulfill my financial obligations for care provided to me in a timely manner.
10. I will keep my scheduled appointments and give adequate notice of rescheduling or cancellation.
11. I will take responsibility to understand my Health Plan and be aware of my benefits, deductibles, and Health Plan limitations. I will ask my Health Plan if I have any questions regarding my health coverage.
12. If you need information or inquiring about Advance Directives (Durable Power of Attorney for Health Care, Natural Death Act Declaration or Living Will,) please call the Member Services Department of your Health Plan.

I have been informed of my responsibilities and I understand them fully.

MISSED APPOINTMENT POLICY

We would like to make you aware of our policy regarding missed appointments and or cancellations without sufficient time notice (preferably more than 24 hours).

We try to keep our patients scheduled in a timely manner. We know that your time is valuable; therefore, we don't double book appointments. When an appointment is given to you, the time is blocked off specifically for you. If you don't appear or cancel without sufficient time notice, it prevents us from trying to accommodate another patient, resulting in wasted time for the Doctor.

Therefore, if we are not given a sufficient time notice of an appointment cancelation or you simply do not show up for your appointment, we will have to charge you a fee of **\$40.00**.

We understand that emergencies do happen, and adequate notice is not always possible. We do ask that you contact our office as soon as you realize that you will not be able to make your appointment or procedure, in order to avoid these charges.

As a courtesy, our EHR system tries to confirm appointments one week & two days prior. If you have any questions about your appointment day or time, we encourage you to call our office. **Please do not rely on the confirmation call to remind you of your appointment.**

Thank you for your cooperation and understanding. If you have any questions, we will be happy to assist you.

I have read the above policy and agree to comply with the terms and conditions stated.
