SANLORENZO 46STEEL - FORWIN

'Forwin', the stunning Sanlorenzo 46Steel is now for sale in Hong Kong. This magnificent steel / alloy yacht, powered by Caterpillar engines, is extremely well presented for sale, having just completed her five-year survey along with a refit including a repainted hull. Sanlorenzo has provided spacious accommodation with six vast staterooms spread across three decks, one of which is a luxurious, private owner's deck. For when it's time to drop anchor and have fun, 'Forwin' comes equipped with a complement of tenders and toys which can be launched from her practically designed beach club.
