

**Kingwood High School 2021
All Sports Booster Club Scholarship Summary**

Kingwood High School All-Sports Booster Club (KASBC) recognizes the value of athletics, and promotes academic success through athletic development. In order to promote Kingwood students beyond High School the club has established a scholarship.

Each year the club will accept applications from senior athletes and award scholarships based on athletic participation, academic success, outstanding moral character and work ethics displayed during their years at KHS.

Selected student-athletes will receive \$1000.00 scholarships based on applications which consider athletic participation, leadership, academics, a written essay and an interview. Multiple scholarships will be awarded to both men and women student-athletes.

Please review the following scholarship guidelines before submitting your application. If you have any questions regarding the scholarships, please see your coach for assistance or contact the KASBC Vice President: michael.goertz@circor.com
