I understand and support my student in their choice to run for a KASBC Student Leadership Board Member position. I have discussed this with my child and we both understand the responsibilities of the position.

- I understand that my child will be asked to accept duties and responsibilities well beyond that of the average student.
- As a KASBC Student Leadership Board Member, my child will be asked to set the example for other students to follow.
- A requirement is maintaining good grades and I understand that my student will seek help in classes where their grades drop.
- I understand that this is a year-long commitment. I will be supportive of my student throughout the school year.
- I understand that excessive absences from KASBC activities may result in removal from their position.
- I understand that drug, tobacco/vaping, and alcohol use and any other inappropriate activities on or off campus will result in dismissal from office. This will also include inappropriate material that my student puts on social media.
- I understand that if my student is assigned to DAEP or ISS during the year, or if they do not fulfill their responsibilities, or if they are involved in inappropriate or illegal activities on or off campus, they will be removed from office.
- I will keep in mind that my student is no longer an average Kingwood High School student. I understand that they now represent the school. What they do in public and on social media will reflect on KHS and any misconduct will result in dismissal from office. The sponsors and principals reserve the right to determine misconduct.
- I pledge to support my child in this endeavor and encourage them to discuss any concerns they may have with one of the sponsors.

I agree to the above and give my student permission to run for a KASBC Student Leadership Board Member position for the 2024-2025 school year.
