

Dear Mustang Family:

Thank you for supporting the Kingwood All Sports Booster Club (KASBC). We are a nonprofit organization founded and run by parent volunteers.

Our purpose is to provide financial support, promote school spirit, and encourage community involvement in **athletics programs** at Kingwood High School.

KASBC provides funding for:

- team sports equipment
- field improvements
- travel expenses
- sports banquets
- hosting and attending tournaments
- game programs
- \$1,000 scholarships to 15 senior athletes every year

We accomplish these goals by raising funds with:

- membership fees
- advertisements in the football program
- merchandise sales
- concessions
- Mustang Card sales: **each athlete is expected to sell 5 cards for each sport he/she participates in**

**100% of all dollars raised goes back into our athletic programs at KHS.**

On the back you will find a chart with the **41 local businesses** participating in the Mustang Card 2022-23 and the 48 deals they are offering this year. They are organized by categories for your convenience. Feel free to put it up on your fridge and use the card **through August of 2023.**

Please **don't return the envelope until all 5 cards have been sold.** This is a team effort and a growing opportunity for our kids, if they need help you can encourage them to reach out to the other athletes and sell them in groups.

We also put together a **script** for the students to use when selling the cards, you can find it on our website [www.kingwoodASBC.com](http://www.kingwoodASBC.com).

Payment for the cards can be made by **cash** or **check to KASBC.**

We truly appreciate your support, and we want you to know we work hard to make sure every single dollar we raise has a direct impact on your kids' lives.

Go Mustangs!
