

Summer Internship Program

Connect with eastern Oregon's emerging workforce

The EO WORKS internship program
helps your business:

- Have the opportunity to connect with students/local youth and share who you are and what you do
- Have the opportunity to help build an emerging workforce and support local youth, while accomplishing tasks that impact your bottom-line
- Evaluate potential employees creating a talent pipeline
- Provide external support to your intern to enhance their skills and work performance
- Increase company diversity while accessing specialized skills and knowledge
- Enhance company visibility in a competitive market
