PURPOSE

The Needs Related Payment (NRP) provides financial assistance to an enrolled WIOA participant for the purpose of enabling them to participate in training.

POLICY

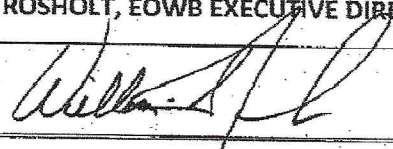

Needs-Related Payment (NRP) is a financial support that may be made available to eligible participants who are unable to participate in or complete an approved training program without such assistance. NRP is authorized by WIOA and is intended to provide cash assistance to participants. This assistance is contingent upon the availability of funds. NRP can be provided when it is determined that ongoing resources and income from all other sources are not adequate to support the participant while in WIOA approved training.

NRP may be provided if the enrolled participant has been accepted in a training program that will begin within 30 calendar days. The State may authorize an extension of the 30-day period to address appropriate circumstances.
