

Employer Resource Rodeo

Brought to you in partnership with your local Chambers of Commerce

Payroll and Withholding Department of Revenue

Helping business that are thinking of hiring employees understand the process. Educating businesses with employees on updates to payroll and understanding the different payroll taxes.

Personal Tax and Compliance Department of Revenue

Providing continued outreach to agricultural employers, and income tax changes and updates.

Employer Assistance and Apprenticeship Resources Oregon Bureau of Labor & Industries

Explaining employment law trainings, required employment postings, website factsheets, employer handbooks and highlighting the free confidential hotline via email and phone.

Discussing the options employers have to join as a training agent for apprenticeships, and the options an industry has to create an apprenticeship program to meet workforce needs.

Paid Leave Oregon Oregon Employment Department

Paid Leave Oregon helps you support your employees when they need it most. Learn about what you need to do and how Paid Leave Oregon can support you.

OregonSaves Oregon State Treasury

Oregon's retirement savings program designed to provide employers with a simple way to help their employees save for the future. The program comes at no cost to employers, imposes no fiduciary responsibility, and requires minimal ongoing responsibilities. All Oregon employers without a qualified workplace savings option are required to register with OregonSaves. Enforcement action is expected to commence in 2024.

Sectors and EOWB Resources Eastern Oregon Workforce Board

EOWB helps tackle employer challenges via our Sector Partnerships: regional & industry-focused partnerships that help to sustain a healthy workforce and economy.

EOWB is one of 9 workforce boards in Oregon that distributes State and Federal funding to support Oregon workforce. EOWB supports the 8 eastern Oregon counties.

WSO Business Services Oregon Employment Department

A one-stop resource for businesses.

Utilize the largest database of job seekers in the state to post jobs and search for talent.

Run your own job matches or develop a recruitment plan with a Business Services Representative. Let our team help yours at no cost to you.

On the Job Trainings and Resources Training and Employment Consortium

OJT can help employers save money, retain employees, attract talent, boost productivity, and improve satisfaction.

OJT can also help employers identify high-performers, assess skills, and transfer knowledge.

Oregon Business Incentives Oregon Department of Human Services

ODHS offers programs to support low-income workers, such as unpaid Work Experience and JOBS Plus.

ODHS also provides childcare assistance through ERDC and low-cost healthcare coverage through OHP.
